

Harvey Blair Sellers, IV, aka “Scooter”, was born and raised in Brooksville and resided here until his passing several years ago. His family still owns the farm on Raines Road where Scooter was raised. Scooter graduated from Hernando High School (HHS) in 1976. He was a standout football player there. In his early adult years, he worked as a skilled carpenter in Hernando County, and then had a long career locally as a forester with the Division of Forestry—he often walked the Brooksville Christmas Parade route as Smokey the Bear! Scooter’s dear widow, Teri, is a fixture at the HHS front desk; his three beautiful daughters all graduated there. Scooter loved Brooksville and Hernando County and HHS, and we want to remember him with a mermaid statue.
