Good afternoon,

The Agency is still awaiting approval from the Centers for Medicare & Medicaid Services (CMS) for the 438.6(c) Preprints for the PSP, PHP, PEMT, NIME and FCHP programs. Until CMS grants approval, we are unable to release any funds associated with these programs.

To ensure continuity, the Agency is amending the current State Fiscal Year (SFY) 2024-25 Letters of Agreement (LOA), which are set to expire on September 30, 2025. The amended LOAs will extend the expiration date by one year, to September 30, 2026.

Please review, sign, and return the attached amendment to [supplementalpayments@ahca.myflorida.com](mailto:supplementalpayments@ahca.myflorida.com) no later than **September 24, 2025**.

We understand that some entities may need to disburse earmarked funds before the end of the current fiscal year. If you prefer that the Agency issue an invoice for your Intergovernmental Transfer (IGT), please notify us, and we will generate one accordingly.

We appreciate your continued patience and partnership as we navigate this process in support of Florida's Medicaid programs.

If you have any questions, please contact me at [kiana.redding@ahca.myflorida.com](mailto:kiana.redding@ahca.myflorida.com) or (850) 412-4274.
