Dear William, James, Kevin, Alex, and David,

Hernando County Department of Public Works recently received a phone call to thank you from Keith Wharton of Spring Hill. He wanted to compliment the crews who came out to quickly to repair the potholes. He was impressed with how quickly the county made the repairs and even sodded the areas.

It's always an honor to express my sincere appreciation for exceeding the needs and concerns of our citizen. Thank you for all of your hard work and for taking pride and care in all that you do here, and for your contributions, and efforts to assist our customers. A copy of this memorandum will be placed in your personnel file for future reference.

With sincere appreciation,
