### APPLICANT'S REQUEST

The petitioner requests a rezoning of ten (10) parcels, from AR-2 (Agricultural/Residential-2) to R-1A (Residential). The R-1A district is designed primarily to permit the continued development of established residential areas which include a mixture of conventional single-family dwellings and mobile homes and is, therefore, not intended to be utilized extensively for future development. The subject parcels are between a commercial area and a large agricultural tract that has not been developed to date. The subject parcels were originally part of the Chris Morris Mobile Home Park which, according to the Property Appraisers database, was never recorded.

The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.*

## STAFF RECOMMENDATION
