WHEREAS, Section 9 of the Lease, "Assignment and Subletting", makes the County's written consent a prerequisite to Lessee's assignment of its interest in the Lease: and

WHEREAS, the County consents to said assignment provided that the Assignee accepts and agrees to be bound by all terms and covenants of the Ground Lease and the Assignee further agrees to be substituted as the Lessee for all purposes under the Ground Lease.

NOW THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Consent to Assignment.** The County consents to the Lessee's sale of its interest in the leasehold improvements situated upon the Premises to Assignee on the terms and conditions set forth herein.

7. **Condition Precedent.** The County's consent to the Lessee's sale of the Premises' leasehold improvements to Assignee is conditioned upon the Lessee's payment of all amounts due and owing under the Lease up to and through the closing date of the sale of the leasehold improvements. In the event the Lessee fails to remit payment for any amounts due and owing up to and through the closing date of the sale of the leasehold improvements, the County's consent to the sale granted herein shall be null and void with the exception of Lessee's Waiver of Claims set forth in Paragraph 4, above.
