Hi TJ,

Reviewed the attached revised site plan with the Director of Public Works, County Engineer- Scott Herring today and are conceptually OK with this traffic movement, would like to approve for a 1-year basis -so that project can demonstrate there are no adverse impacts to the surrounding traffic network (especially stacking on County Line Rd.) then reevaluate and if no issues have come about approve the Special Exception.

A Special Exception runs with the Land. A Conditional Use Permit is for a specific use with conditions. Please reach out to Michelle Miller, Planning Dept.(copied on this email) to convert to a Conditional Use Permit, she can also assist with any questions on the process you may have.

If you have any traffic operational questions please reach out to Dept. of Public Works Engineering. Thank you.
