Dear County Administrator and Board of County Commissioners

Four years later and we are here to ask for your help in keeping The Enrichment Center open and helping the seniors of our county. The needs of our seniors have only increased since Covid. We, like you, still hear from our seniors about programs and needs they are seeking.

We are asking for a \$75,000 partnership with the county to help provide the programs and services our seniors' request. Please look over the enclosed packet before your meeting on Tuesday July 8th. If you have any questions, please do not hesitate to get in touch with one of us.

Best Regards,

Paul Morana, Board Chairman
