

RESOLUTION NO. 2026-040

WHEREAS, Hernando County has adopted subdivision regulations pursuant to Chapters 125, 163 and 177, *Florida Statutes*, which authorize the County to regulate the division of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and,

WHEREAS, the Hernando County Board of County Commissioners (BOCC) considered the requested Petition for relief from the strict application of the subdivision regulations on the specified parcel(s) in Hernando County, Florida, due to **FAMILY HARDSHIP**, as more fully described below.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA AS FOLLOWS:

PETITIONER: Alfred P. Martucci and Sharon K. Martucci

FILE NUMBER: 1476652

PURPOSE: To divide 5.0 acres into two parcels creating Parcel 1 (4.0 acres) and Parcel 2 (1.0 acres)

GENERAL

LOCATION: A portion of Section 13, Township 22 South, Range 17 East 415 Ft. from Commercial Way

PARCEL KEY: 538948

REQUEST: The Petitioners were denied a Class D Subdivision to divide 5.0 acres into two parcels creating Parcel 1 (4.0 acres) Parcel 2 (1.0 acres) for failing to meet all of the requirements for a Class D Subdivision Section 26-3(e) of the Hernando County Ordinance Code. Therefore, the Petitioners requested relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**, pursuant to Section 26-3(g) of the Hernando County Ordinance Code.

FINDINGS

OF FACT: ALL of the facts and conditions presented to the BOCC in connection with this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting APPROVAL of the Petitioner's request to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The Petition meets the application requirements in Section 26-3(g) of the Hernando County Ordinance Code for relief due to **FAMILY**

HARDSHIP.

2. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would place an undue burden on the Petitioners' ability to transfer land to family members.

In further support thereof, the BOCC makes the following additional specific findings of fact:

1. The Petitioners requested for relief from the strict application of the Class D Subdivision requirement for access to a county-maintained road in order to create a new 1.0-acre parcel from the center of the long rectangular 5.0-acre parent tract. The proposed division effectively bisected the property, resulting in the remaining 4.0 acres being separated into two (2) distinct 2.0-acre portions situation on either side of the newly created 1.0-acre parcel.
2. On May 14, 2024, the BOCC approved the Petitioners' request for relief from the strict application of the Class D Subdivision and created the 1.0-acre parcel, but determined that, due to its unique configuration, the remaining northern 2.0-acre portion was now a legal lot of record. Accordingly, the original 5.0-acre parcel was divided into three (3) parcels: Parcel 1 (2.0 acres), Parcel 2 (1.0 acres), and Parcel 3 (2.0 acres). The resolution was ratified on September 10, 2024, and is attached hereto as "**Exhibit A**".
3. This Resolution is to correct and affirm the BOCC's approval of the Petitioners request and the actions taken pursuant to that approval, as announced on May 14, 2024.

**CONCLUSIONS
OF LAW:**

The BOCC is authorized to act on this matter pursuant to Chapters 125, 163 and 177, *Florida Statutes*. Accordingly, after hearing testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The Petition meets the application requirements in Section 26-3(g) of the Hernando County Ordinance Code for relief due to **FAMILY HARDSHIP**.
2. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would place an undue burden on the Petitioners' ability to transfer land to family members.

ACTION:

Based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby APPROVES the Petitioner's

request for relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**, subject to the following conditions, pursuant to Section 26-3(g) of the Hernando County Ordinance Code:

1. All lots shall meet the minimum lot size of the zoning district in which the subdivision is located and shall conform with the policies of the comprehensive plan.
2. All lots shall have a minimum fifteen-foot access/utility easement to provide access to the parcel(s).
3. Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that "subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."
4. All lots shall be transferred to an immediate family member and shall provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.

The three (3) parcels, as created by the Class D Subdivision, shall be divided as announced on May 14, 2024, and in accordance with the survey attached hereto as "**Exhibit B**". This Resolution shall take precedence over Resolution No. 2024-193, which is attached hereto as "**Exhibit A**".

ADOPTED IN REGULAR SESSION THE 3rd DAY OF March, 2026.
