Good afternoon Jessica,
Here is what was sent out:

The results of our ATV surveys are finally in and we would like to share the results with all of you.

For perspective, the following outlines the number of surveys mailed out, the number which were “undeliverable”, and the number completed and submitted by citizens.

- The Hernando County Supervisor of Elections provided us the addresses of every household that had at least one registered voter in precincts 300, 310, 320, and 330.
- 13857 household addresses (with one voter or more) were provided by the Hernando County Supervisor of Elections.
- When those addresses were uploaded to the company that was going to mail the postcards, 96 addresses came back at “non-standard” or incomplete, so a total of 13,761 were mailed.
- So far, 183 have been returned by the United States Postal Service as not deliverable, likely due to the occupants moving and not updating their address with the Supervisor of Elections. Therefore, as of writing of this update, we believe that about 13,578 were actually delivered.
- During the survey period of May 23, 2024 through 12:00 p.m. on June 5, 2024, 1799 surveys were completed and submitted.
- According to <https://actionable.com/sample-size-calculator/> the following should be fairly accurate analysis of the results.

Population size = 13,584 (P=.5)

With a sample size of 1799,

The confidence interval is greater than 99% (Error +/- 3%)

The survey results are as follows:

Question 1 – ATV Enforcement

...is exactly where it needs to be (no change needed).

253

...needs to be decreased (there should be less ATV traffic stops/citations).

888

...needs to be increased (there should be more ATV traffic stops/citations).

585

I have no opinion on this subject.

73

Total Responses:

1799

Question 2 – Personal Stance on ATV Operation

...should be allowed on certain county unpaved roads (legal from 2017-2023).

1180

...should NOT be allowed on certain county unpaved roads (current law). 566

No opinion on whether off-road vehicles should be allowed on county dirt roads. 53

Total Responses:

1799

It is important for ATV owners to remember that it is illegal to ride on paved roads or on private property (without the permission of the property owner). It is also important for Hernando County ATV riders to have a reputation of being considerate and respectful of other people's property.

Lastly, ATVs riders under the age of 16 must wear a USDOT approved safety helmet and eye protection.

Good Afternoon,

Can you please assist me in getting the survey results for the ATV's to attach to the agenda item for the July 9th BOCC meeting.

Thank you,

Jessica Wright

Good Morning Everyone,

Deputy County Administrator Toni Brady asked me to reach out to get the survey results for the ATV's to attach to the agenda item for the July 9th BOCC meeting.

Can you please help me with this?

Thank you,

Jessica Wright | Administrative Services Coordinator
