Subject: Request for Increase in Licensed Capacity from 6 to 14 Residents – Mariner Group Home

Dear Zoning and Planning Department,

I am writing on behalf of **Mariner Group Home**, located at **4432 Mariner Blvd., Spring Hill, FL**, to formally request consideration for an increase in our current licensed census from **six (6)** residents to up to **fourteen (14)** residents.

Our facility is currently certified to provide residential care for six individuals under the **Agency for Persons with Disabilities (APD)**. Over time, we have witnessed a growing demand within our community for high-quality residential services and support for individuals with developmental disabilities. In response to this need, we are seeking to expand our capacity in order to continue fulfilling our mission of providing a safe, nurturing, and person-centered environment for those we serve.

The requested increase will allow Mariner Group Home to accommodate additional residents who are currently awaiting placement through APD. Our goal is to ensure that every individual in need of residential care has access to the necessary support, supervision, and resources to thrive. We are fully committed to complying with all **APD rules, state licensing standards, zoning requirements, and life safety regulations** associated with this proposed expansion.

We respectfully request the Zoning and Planning Department to review our request and provide guidance on any additional steps, documentation or inspections required to approve this increase in capacity.

Thank you for your time and consideration of this important request. Please feel free to contact me at your earliest convenience should you require further information or clarification.

Sincerely,

Evelyn Gonzalez

Administrator / Owner
