Darlene,

Please see attached. With a 2 year build time and a 2 year reserve time that we discussed, you should be ordering busses when the one being replaced is 8 years old.

Thank you,
Doug

Subject: Gillig Bus Replacement

Good Morning Doug,

The current quote for new Gillig's is \$714,184 each. The current Delivery for any PO's received prior to 12/31/25 is January 2027. Per Gillig rep. they are currently booking bus builds 20 months out.

Thanks,

Darlene Lollie | Transit Administrator
