Re: File Number H-22-58

Dear Ms. Miller,

As per the letter received from you, I am responding in writing in reference to File Number H-22-58 for the purpose of re-establishing a Master Plan for a Property Zoned PDP(GHC)/Planned Development Project (General Highway Commercial) and the Inclusion of a Specific C-2 Use for Mini-Warehouse. This is proposed on the Northwest corner of the intersection of Pythia Place and Linden Drive, approximately 300' north of County Line Road, Parcel Key Number 1180322.

I want it noted that I am absolutely opposed to this change in zoning. This street should remain residential. My parcel is R332231816980000110.

Unfortunately, I am unable to attend the hearings, but I wanted my objection to be noted.

Sincerely yours,

10-24-22

Ruth S. Harris, TTEE
