

Hernando County Board of County Commissioners

CERTIFICATE OF RECOGNITION

Presented to

Jesse Kolberg

Jesse Kolberg, Boy Scout Troop 433, conducted an Eagle Scout project establishing a program for over twenty (20) LifeRing Stations throughout the parks and waterways in Hernando County. Jesse, along with selected scouts, friends and family have led the installation of LifeRing stations which provides the community necessary tools to prevent potential drowning occurrences. Jesse is hoping to instill this program as a long-lasting legacy and continues to garner support from organizations and sponsors that may aid the adopt-a-station program. Jesse's initiative in this program helps lead to a safer recreational use of our parks and waterways. A special thank you to Wyatt Werneath, with Drown Zero and Surfing's Evolution and Preservation Society who donated the stations and Entech Innovative who built the stations.
