Good morning,
This is Debra Sweger and I would like a copy of the Pedone Sand Mine file CU-25-14.

I received a letter from you because I'm within 500 feet of the land considered and don't understand why this is being requested when the land has been recently zoned and approved to build houses on.

In addition, the land behind our property is a big hole from the all the digging already.

Thank you,
Debra
