Subject: Certificate of Appreciation  
Date: August 24, 2022

In February of 2021, Hernando County Animal Services (HCAS) entered a partnership with Pet Supplies Plus. HCAS agreed to supply adoptable kittens and cats that are fully vetted, vaccinated and microchipped to Pet Supplies Plus. The housing, care, and completion of the adoption process was to be completed by Pet Supplies Plus. The felines were housed and displayed inside the business at 13120 Cortez Blvd. Brooksville Fl. 34613

In 2021, one hundred and eighty-three (**183**) felines were transferred to Pet Supplies plus and subsequently adopted out.

So far from January-July 2022, one hundred and seventy-two (**172**) felines have been transferred to Pet Supplies Plus and subsequently adopted out.

In seventeen months three hundred and fifty-five (**355**) cats and kittens have been adopted out of this great business. This number is right on par with the number of felines adopted out of the HCAS facility.

In addition to their great work with cats, Pet Supplies Plus has generously donated supplies for our “Heel to Heal” dog training program at the woman’s prison. They have also allowed us to bring some of our adoptable dogs to be showcased by our volunteers during busy hours. This has resulted in several dog adoptions.

Pet Supplies Plus has been a tremendous partner with Hernando County Animal Services; their commitment, dedication, and willingness to be part of the solution to stray animals is commendable. I respectfully request that Pet Supplies Plus be honored with a Certificate of Appreciation from Hernando County’s Board of County Commissioners.

Respectfully,

James Terry
