The Licensee shall not be privileged to enter or utilize the Premises prior to complete execution and approval of this License Agreement, including acknowledged receipt and sufficiency of Required Insurance.

SECTION 4. NON-EXCLUSIVE USE OF PREMISES.

The Licensor and the Licensee further agree that other Airport uses may take place concurrently with Licensee's permitted use of the Premises.

SECTION 5. PERMITTED USE OF PREMISES.

A. The Licensee may use the Premises ONLY for the following purposes, which are fully described as follows: overflow aircraft parking. Licensee shall be solely responsible for the proposed use, including doing any and all things necessary to ensure the Premises is made safe for the Licensee's proposed use by employees and guests.

All such permits/licenses shall be obtained prior to the first use and copies shall be provided to the Airport Manager. Failure to obtain said approvals and permits will render the license granted herein null and void.

B. The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the Licensee of the necessity of complying with the law governing said permitting requirements, conditions, terms, or restrictions. No rights to obtain a temporary conditional use approval nor any other rights to the proposed use have been granted or implied simply by the County's approval of this Revocable License Agreement. Licensee may not attempt to force or coerce County approval authorities to approve any temporary conditional use or other land use approval, by asserting that the County has committed to such approvals based on the theory of vested rights or equitable estoppel or any other legal theory based on the County's approval of this Agreement. Approval of a development order requires strict compliance with applicable approval criterion for the requested use.

Further, it is expressly agreed and understood that Hernando County has no duty, responsibility, or liability for requesting, obtaining, ensuring, or verifying Licensee's compliance with the applicable state and federal agency permit or approval requirements. Any permit or authorization granted by the County, including any development order under County land use regulations shall not in any way be interpreted as a waiver, modification, or grant of any state or Federal or State agency permits or authorizations or permission to violate any state or federal law or regulation. Licensee shall be held strictly liable, and shall hold Licensor Hernando County, its officers, employees, and agents harmless for administrative, civil, and criminal penalties for any violation of Federal and State statutes or regulations, including but not limited to environmental laws and regulations. Nothing herein shall be interpreted as restricting or limiting Hernando County from bringing an enforcement action under the Hernando County Code of Ordinances.

SECTION 7. LICENSE FEE; OTHER COSTS.

The Licensee agrees that the License Fee for use of the Premises shall be Seven Hundred Fifty Dollars (\$750.00) per month. The fee is due and payable on or before the 10th of the month following the month of use.
