1. Proposal

a. Proposed land uses and their specific acreage

Farming to include garden, chickens, and dogs. The garden I expect to be a 40'x40' including vegetables and fruits. For chickens I would need to build a critter proof coop 20'x20', due to the wilderness around the property. I would like my dogs to have free range of the remainder of the property.

b. Proposed density level of residential uses

N/A

c. Proposed square footage of development and building height(s) of commercial uses

N/A

d. Proposed deviations from code

Please provide a list of any proposed deviations to the Land Development Regulations (LDRs). Cite specific code requirements and clarify the justification.
