RE: Permit Extension Request
Project Name: Springside Grove (Village Van Gogh Phase 2)
Permit Number: 1434312

Dear Alaina,

Per the August 24, 2022, letter from the Hernando County Planning Department approving the project for construction attached hereto, construction of the project is to start and be completed by August 24, 2023, and February 24, 2024, respectively.

Since the time of the above approval, due to the change in market conditions and impending sale to a new developer, necessitate the requirement to request a 1 year extension on the construction plan approval for Springside Grove.

If you have any questions, please feel free to contact me at the number listed below.

Sincerely,

Coastal Engineering Associates, Inc.
