

**AMENDMENT TO INCENTIVES AGREEMENT
BETWEEN
HERNANDO COUNTY
AND
BARRETTE OUTDOOR LIVING INC.**

THIS FIRST AMENDMENT TO THE “HERNANDO COUNTY INCENTIVES AGREEMENT” DATED APRIL 12, 2022 (the “Amendment”) is entered into as of the ____ day of _____, 2025, by and between HERNANDO COUNTY, a political subdivision of the State of Florida, whose address is 15470 Flight Path Drive, Brooksville, FL 34604 (hereinafter referred to as the “County”) and BARRETTE OUTDOOR LIVING INC., an Ohio for profit corporation, whose address is 7830 Freeway Circle, Middleburg Heights, OH 44130 (the “Company”), hereinafter collectively “the Parties.”

RECITALS:

WHEREAS, Fla. Stat. § 125.045 allows counties to expend public funds for economic development activities; and,

WHEREAS, Hernando County Code Chapter 11.5, allows the expenditure of public funds to increase economic activity in Hernando County by attracting and retaining business activities conducive to economic promotion, preserving and expanding employment opportunities, and improving the welfare and competitive position of the citizens of Hernando County; and,

WHEREAS, Article III of Hernando County Code Chapter 11.5, known as the Hernando County Economic Development Investment Incentive Program, authorizes the Hernando County Board of County Commissioners (the “Board”) to award monetary grants, the amount and duration of which are to be calculated by using a scoring system which considers each applicant’s creation of jobs, the wages it pays for the newly created jobs, and its investment in capital and tangible personal property; and,

WHEREAS, if a grant is awarded, the Board makes annual payments to the recipient, the amount of which are calculated as a percentage of the increase in ad valorem and tangible personal property taxes (general fund only) the applicable project creates; and,

WHEREAS, on May 24, 2021, the Company applied to the County for economic development incentives for a planned investment of \$29,875,000.00 to expand its operations in Hernando County by constructing and equipping a new 175,000 square foot facility for the manufacturing of vinyl outdoor products (the “Facility”); and,

WHEREAS, the Company stated in its application that the Facility would create 150 additional jobs by December 31, 2023, that would be paid at 100% of the County’s average annual wage, and at least 10 of which would be paid at 115% of the County’s average annual wage; and,

WHEREAS, on October 12, 2021, the Board approved the Company’s application for incentives, including awarding it a ten-year Economic Development Investment Incentive Grant.

in the amount of 75% of the tax base increase created by the Facility for each of the first five years, which would be reduced to 50% in the second five years; and,

WHEREAS, on April 12, 2022, the County and the Company entered into that certain agreement styled the “Hernando County Incentives Agreement” (the “Incentives Agreement”), in which the Parties memorialized the Board’s grant of economic incentives to the Company; and,

WHEREAS, the Parties desire to amend the Incentives Agreement by reducing the number of new jobs that the Company has to create, which, pursuant to Hernando County Code §§ 11.5-41 through 11.5-43, will result in a corresponding reduction in the amount of the annual grant made by the County to the Company pursuant to the Incentives Agreement; and,

WHEREAS, because the County has not yet made any of the annual grant payments to the Company, the reduction in the number of jobs that the Company needs to create will not require the County to “claw-back” any funds from the Company.

NOW THEREFORE, in consideration of mutual covenants herein contained, the County and the Company agree as follows:

The above recitals are incorporated herein by reference.

1. **Section 2** of the Incentives Agreement is hereby amended to read (deleted text shown in strike-through; added text shown underlined) as follows:

2. **Section 10.B.2** of the Incentives Agreement is hereby amended to read (deleted text shown in strike-through; added text shown underlined) as follows:

The grant amounts for each year of the Agreement will be calculated by subtracting the “Hernando County General” portion of ad valorem taxes owed in the base year from that same portion of ad valorem taxes derived from the year 1 Taxable Value

and multiplying that incremental value by the percentage formula provided for in the table below:

Years	Grant Value % of Increase in Ad Valorem Tax Rate
1-5	75% 50%
6-10	50%

3. Other than the amendments addressed above, all other terms, conditions and covenants of the Incentives Agreement shall remain in full force and effect, however, in the event that any provision in this Amendment conflicts with any section, subsection, clause, sentence or other provision of the Incentives Agreement then this Amendment shall supersede and control.
