Dear Sir or Madam:

Pursuant to Section 373.4136(6), F.S., the Southwest Florida Water Management District (District) is providing notice of a proposed mitigation service area. The District's Regulation Division received an application for an Environmental Resource Permit for a Mitigation Bank/ for the above-referenced project on April 3, 2024. The application and proposed service area map can be found using the District's Application and Permit Search Tool at: <http://www.swfwmd.state.fl.us/permits/>.

The District is currently processing the permit application as required by Chapters 373, 403, 253 and 258, F.S. This notice provides an opportunity for local governments within the proposed mitigation service area to provide comments on the proposed mitigation bank service area. If you would like your comments to be considered in the District's evaluation of the proposed mitigation service area, please provide any comments in writing within 14 days of the date of this letter. All comments (referencing the project's name and file number) should be submitted to Southwest Florida Water Management District, 7601 Highway 301 North, Tampa Florida 33637-6759.

If you wish to receive Notice of Agency Action, you can either submit a written request referencing the permit application number to the District, or use the District's ePermitting portal at: www.watermatters.org.

If you have any questions or if I may be of assistance, please contact me at the Tampa Service Office, at 8133550566.

Subject: Notification of Proposed Mitigation Bank Service Area

Project Name: Turpentine Wetland Mitigation Bank
Application ID No: 889683
County: Hernando
Application Received Date: April 03, 2024
Sec/Twp/Rge: S34/T23S/R19E, S35/T23S/R19E

Dear Sir or Madam:

Pursuant to Section 373.4136(6), F.S., the Southwest Florida Water Management District (District) is providing notice of a proposed mitigation service area. The District's Regulation Division received an application for an Environmental Resource Permit for a Mitigation Bank/ for the above-referenced project on April 3, 2024. The application and proposed service area map can be found using the District's Application and Permit Search Tool at: <http://www.swfwmd.state.fl.us/permits/>.

The District is currently processing the permit application as required by Chapters 373, 403, 253 and 258, F.S. This notice provides an opportunity for local governments within the proposed mitigation service area to provide comments on the proposed mitigation bank service area. If you would like your comments to be considered in the District's evaluation of the proposed mitigation service area, please provide any comments in writing within 14 days of the date of this letter. All comments (referencing the project's name and file number) should be submitted to Southwest Florida Water Management District, 7601 Highway 301 North, Tampa Florida 33637-6759.

If you wish to receive Notice of Agency Action, you can either submit a written request referencing the permit application number to the District, or use the District's ePermitting portal at: www.watermatters.org.

If you have any questions or if I may be of assistance, please contact me at the Tampa Service Office, at 8133550566.

Sincerely,

Lee Hughes, P.W.S.
