The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options. Any request by the Vendor/Contractor for consideration of a price adjustment must be submitted in writing to the County at the time of County notice of its decision to exercise Contract renewal (this provision), and Contractor must provide written evidence based on increased costs to the Vendor/Contractor. Documentation of these increases must be furnished to the County upon request. Any price adjustment (increase or decrease) approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- 11.4. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. - 12.5. The Bidder warrants that the prices of the items set forth herein do not exceed those charged by the Bidder under a Contract with the State of Florida or any of its agencies.
- 12.6. Bidder must submit the solicitation document in its entirety, including the Solicitation-Offer-Award cover sheet, Bid Specifications, Bid Form and all required Forms/Certifications. Failure to submit these forms may render its Bid as non-responsive.

13. QUALIFICATION OF BIDDERS:

- 13.1. This Bid shall be awarded to a responsive, responsible bidder, qualified by experience to provide the work specified. The Bidder will submit the following information with his/her Bid:

These references must be for work performed within the past three (3) years.

- 13.1.3. List of personnel, by name and title, contemplated to perform the work.
- 13.1.4. Failure to submit this information may be cause for rejection of your Bid.

- 14.1. Bid evaluation will be based on price, conformance with specifications and the Bidder's ability and resources to perform the Contract in accordance with the terms and conditions required. Bidders must submit all data necessary to evaluate and determine the quality of the item(s) and/or services they are Bidding. A Vendor/Contractor shall not be qualified to bid when investigation by the Chief Procurement Officer of that Vendor/Contractor is either delinquent on a previously awarded contract or in litigation with Hernando County on a previously awarded Contract.
- 14.2. Award shall be made on an "All-or-None Total Offer" basis to the lowest, responsive and responsible Bidder. However, the County reserves the sole right to reject any and all Bids in accordance with the Hernando County Procurement Ordinance. Failure to provide a price for all areas upon the Bid Form may deem the Bidder's response/submission as non-responsive.
- 14.3. If two (2) or more fully responsive, responsible Bids are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the Contract to the

Bidder whose place of business is located within the boundaries of Hernando County, Florida. Should tie Bids, as described above, be received from either two (2) or more Hernando County Bidders or from non-local Bidders when no Hernando County Bidder has submitted a tie Bid, then the Board of County Commissioners shall award the Contract to one (1) Vendor/Contractor by drawing lots in a public meeting.

- 14.4. The County shall be the sole judge as to the relative merits of the Bids received.
- 14.5. If a separate written Contract is not required by the County; a written letter of award, mailed or otherwise furnished to the successful Bidder, shall result in a binding Contract without further action by either party.
- 14.6. Discounts for payments within less than twenty (20) days will not be considered in evaluation of Bids, however, offered discounts will be taken for less than twenty (20) days if payment is made within the discount period.

15. LOCAL PREFERENCE:

- 15.1. Purpose and Findings: These provisions apply to purchases using Formal Bid, Request for Proposals or Quotes. The County annually spends significant dollars on purchasing personal property, materials, and services, and in constructing improvements to real property or existing structures. The dollars used in making those purchases are derived, in large part, from taxes, fees and utility revenues paid by businesses located within Hernando County, and the County Commission has determined that funds generated in the community should, to the extent possible, be placed back into the local economy. Therefore, the County Commission has determined that it is in the best interest of the County to give a preference to local businesses in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value of Bids and Quotes received in relation to such expenditures.

- 15.2. Application:

- 15.2.1. In Bidding for, or letting Contracts for procurement of supplies, materials, equipment, and services, as described in the purchasing policies of the County, the Board of County Commissioners may give a preference to local businesses in making purchases or awarding Contracts in an amount not to exceed:

- 15.2.1.1. Five percent (5%) of the local business' total Bid price if the cost differential does not exceed \$10,000.00 for procurement activities in amounts over \$35,000.00, or

- 15.2.1.2. Three percent (3%) if the cost differential does not exceed \$1,000.00 for procurement activities in amounts more than \$10,000.00, but less than \$35,000.

- 15.2.2. The total Bid price shall include not only the base Bid price, but also all alterations to the base Bid price resulting from alternates which were both part of the Bid and actually purchased or awarded by the Board of County Commissioners.

- 15.2.3. In the case of requests for proposals or qualification, letters of interest, or other solicitations and competitive negotiations and selections in which objective factors are used to evaluate the responses, local businesses shall be assigned five percent (5%) of the total points of the total evaluation points.

- 15.3. Definitions:

- 15.3.1. Local Vendor means a person or business entity which has maintained a permanent place of business with full-time employees within Hernando County for a minimum of twelve (12) months prior to the date Bids or Quotes were received for the purchase or Contract at issue, and which generally provides from such permanent place of business the kinds

of goods or services solicited, and which at the time of the solicitation fully complies with the Local Vendor eligibility identified below.

- 15.3.2.** Local Vendor Affidavit of Eligibility shall accompany the Quotation or Bid submittal in order to be considered valid and shall include, but not be limited to, the following current information:

15.3.2.1. A physical business and location address;

15.3.2.2. Proof of payment of real property tax due to Hernando County;

15.3.2.3. A copy of the firm's most recent annual corporation report to the Florida Division of Corporations;

15.3.2.4. Any additional information necessary to verify Local Vendor status.

- 15.4.** Competitive Bids/Quotes: The County reserves the exclusive right to compare, contrast and otherwise evaluate the qualifications, character, responsibility and financial qualifications of all persons, firms, partnerships, companies or corporations submitting formal Bids or formal Quotes in any procurement for goods and services when making an award in the best interests of the County.

15.5. Exemptions:

15.5.1. Purchases resulting from exigent emergency conditions where any delay in completion or performance would jeopardize public health, safety, or welfare of the citizens of the County, or where in the judgment of the County the operational effectiveness or a significant County function would be seriously threatened if a purchase was not made expeditiously.

15.5.2. Purchases with any sole source supplier for supplies, materials, or other equipment.

15.5.3. Purchases made through cooperative purchasing arrangements utilized by the Purchasing and Contracts Department as identified in the Purchasing Policy.

15.5.4. Purchases that are funded in whole or in part by assistance from any federal, state, or local agency where the program guidelines do not permit local preference.

15.5.5. Purchases with an estimated cost of less than \$10,000.00 or less.

- 15.6.** Appeal: If an application for a "Local Contractor/Vendor" designation is denied, the applicant may appeal such decision to the County Administrator for review and further consideration.

- 16. HOURS:** Work may be performed between the hours of 7:00 a.m. to 5:00 p.m., Monday through Friday, except County holidays. The County may, on certain occasions, approve work outside of these times. Such exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.

- 17. WARRANTIES:** The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.

18. DELIVERY AND ACCEPTANCE:

18.1. The County will order services by issuance of a Hernando County Numbered Purchase Order (PO). Each Purchase Order will specify the Scope of Work, Location and Date(s) for service required.

18.2. Receipt of services/supplies shall not constitute acceptance. Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered

meet Bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary correction action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.

- 18.3.** Unless otherwise specified, services shall be performed as described in these Contract documents.
- 18.4.** Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the Certification of Insurance, and any other required documents/certificates as specified by these Contract documents.
- 19. REJECTION OF BID:** The County reserves the sole right to reject any and all Bid submissions. Bids which are incomplete, unbalanced, conditional, obscure or which contain additions not required, or irregularities of any kind, or which do not comply with every aspect of this solicitation, may be rejected at the option of the County. A Bidder/Contractor shall not be qualified to bid when an investigation by the Chief Procurement Officer finds the Bidder/Contractor delinquent on a previously awarded Contract or in litigation with a Hernando County previously awarded Contract.
- 20. MINOR INFORMALITIES AND IRREGULARITIES:** Hernando County has the right to waive minor defects or variations of a Bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the Bid for Hernando County to properly evaluate the Bid, Hernando County has the sole right to require such additional information as it may deem necessary after the time set for receipt of Bids, provided that the information requested does not change the price, quality, quantity, delivery or performance time of the services being procured. The Board of County Commissioners reserves the sole right to reject any or all Bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.
- 21. NON-EXCLUSIVE CONTRACT:** Award of a Contract resulting from this Bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the Contract period. This is not an exclusive Contract. The County specifically reserves the right to Contract with another company for similar work if it deems such action to be in the County's best interest.
- 22. NON-PERFORMANCE:**
- 22.1.** Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.
- 22.1.1.** In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the Contract. The Chief Procurement Officer (CPO) reserves the sole right to impose and debar Vendor/Contractors, as a direct result of Vendor/Contractor default and termination for a period of twelve (12) months to twenty-four (24) months depending upon the severity of the default resulting in Contract termination. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the Contract. This liability includes any increased costs incurred by the County in completing Contract performance.
- 23. ASSIGNMENT:** The successful Bidder is required to perform this Contract and may not assign, transfer, convey, sublet or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting Contractual Agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.
- 24. PUBLIC ENTITY CRIMES:** Any person submitting a Bid or Proposal in response to this Invitation to Bid certifies that they are aware of, and in compliance with, all requirements under Section 287.133, Florida Statutes (Current Edition), on Public Entity Crimes. Bidders must complete and return with its Bid the Sworn Statement to Public Entity Crimes Form attached in these Bid documents.

- 25. LICENSES AND PERMITS:** Prior to furnishing the requested product(s) or service(s), it shall be the responsibility of the awarded Vendor/Contractor to obtain, at no additional cost to Hernando County, any and all licenses and permits required to complete this Contractual service. The site must meet all requirements as stated in the scope of work issued prior to payment processing.

It is the Vendor/Contractor's responsibility to supply the applicable phone numbers to the County and to promptly notify the County of any changes to these numbers.

70.2. **AREAS OF WORK:** All County roadways as highlighted on Exhibit A, which are within the Hernando Beach subdivision excluding South Hernando Beach and includes all roadway sections found at the end of each canal. Department's standards, will be the criteria used to determine and increase or decrease in the frequency. The frequency will not be more frequent than once every fifteen (15) calendar days.

70.4. EQUIPMENT:

70.4.1. Equipment must be in good repair and be maintained to produce a clean sharp cut and uniform distribution of cuttings at all times. It is understood by the Vendor/Contractor that equipment required to meet the terms of this agreement may include various types of equipment such as weed eaters, push mowers, etc. Vendor/Contractor must complete and submit equipment list (Section VII, Attachment 10) with bid.

70.4.2. Equipment that damages the pavement or turf in any way must not be used. The Contractor is responsible for repairing turf damaged by the Contractor at the Contractor's expense to the satisfaction of the County Inspector.

70.5. MOWING REQUIREMENTS:

70.5.1. All vegetation within the mowing area must be cut to a height of three (3) inches with a maximum tolerance of one-half (1/2) inch plus or minus. Each mower pass must overlap the previous pass so that no strips of uncut vegetation remain. The Contractor must start work on a cycle within five (5) calendar days of the notice to proceed with the cycle.

70.5.2. The areas to be mowed include adjacent right of way areas, swale bottoms, and front and back slopes. Maps identifying these areas are attached to this bid (Section VIII, Exhibit A). The entire grassy area is to be mowed. All loose trash and debris must be removed from the right of way mowing area prior to mowing. Any large abandoned debris must be reported to the County Inspector as soon as identified. Trimming must be done adjacent to sign posts, drainage outfalls, post office boxes, mail and newspaper boxes, fire hydrants, power poles, and other obstructions within the right of way. Trimming must be done along road curbing to ensure that grass growth does not extend over a curb or in the gutter.

70.5.3. The Vendor/Contractor must contact the Department of Public Works (352-754-4060) to notify: (1) work started; and (2) work completed. Prior to work starting on a mowing cycle, the Vendor/Contractor shall request a list from the County of the housing lots requiring right of way mowing. The Vendor/Contractor must complete a cycle within 30 calendar days. Any work not completed by the issuance of an additional cycle will be deducted from the invoiced cycle based on a prorated ration of linear footage of right of way. For each obstruction not adequately trimmed a deduction from that same invoice will be taken in the amount of \$25 per obstruction. The Vendor/Contractor must not leave grass clippings on the paved surface. A deduction of \$75 per validated instance will be taken from the appropriate invoice as they occur.

70.5.4. Frequency: It is estimated that all areas will require mowing at a minimum of once a month to a maximum of every fifteen (15) calendar days during the mowing season. The Vendor/Contractor must not rely on these intervals and quantities such that a substantial reduction therein may cause him damage.

70.5.5. Median: The landscaped median at the intersection of Shoal Line Boulevard and Osowaw Boulevard is to be mowed or weed whacked where there is turf present to a three (3) inch height +/- 1/2 inch. Weeding of unwanted vegetation is required. Mulching, planting, or plant care is not required.
