Dear Property Owner/Tenant or Interested Party:

The Florida Department of Transportation (FDOT), District Seven, is currently designing safety and operational improvements along U.S. 98 (S.R. 50A/E Jefferson Street) near E Dr. Martin Luther King Jr. Boulevard. The project includes closing the eastbound E Dr. Martin Luther King Jr. Boulevard to eastbound U.S. 98 merge condition. The southeast quadrant of the intersection at U.S. 98 and Muhammad Ali Way will be modified to allow commercial trucks to access eastbound U.S. 98 as an alternate route. In addition, northbound Easy Street will be modified to only allow left turns on to E. Dr. Martin Luther King Jr. Boulevard. All other turning movements within the limits of these improvements will be maintained. This access modification is expected to reduce conflict points and improve overall safety.

Please see the attached graphic for proposed access information and location.

A public meeting will be held pursuant to Chapter 335.199, Paragraph (3), Florida Statutes, on July 28, 2026. A notification will be sent with details about the meeting, including the date, time, location, and other relevant information.

If you have any questions, comments or concerns about how this access change will affect you, please contact the Project Manager, Bronoris Pye, E.I., at the contact information below.
