## RFQ Addendum # 2

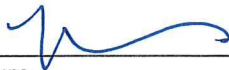

RFQ Number: 99999-SPD0000212	RFX Title: Public Mass Transit Vehicles and Related Options, Equipment, and Accessories
Requesting State Entity: State Purchasing Division, Georgia	
Issuing Officer: Billy R. Gilbert	RFX Initially Posted to Internet: See GPR
eMail Address: <a href="mailto:billy.gilbert@doas.ga.gov">billy.gilbert@doas.ga.gov</a>	Telephone: 404-657-4277
Addendum Number: 2	Date: 2/14/2023

Note: In the event of a conflict between previously released information and the information contained herein, the latter shall control.

1. Answers # 2 to Questions received as of 2/14/2023 have been posted with this Addendum #2 except the questions related to the GDOT Specifications for the Shuttle Bus and Shuttle Vans in which the answers will be forthcoming..
2. Bidders are reminded that there is no process for requesting of approved equals.  
The specifications are NOT intended to restrict competition. Manufacturers/Dealer's may bid their bus(es) in accordance with their standard manufacturing process. In the case where that process varies for the specification, Deviations must be submitted on Attachment N: Supplier Specification Deviations Document and certified on Attachment O: Certification of Specification Deviation Compliance. All deviations submitted shall be "brand name, equivalent, or equal in performance" and must meet or exceed all FTA requirements (for FTA compliant vehicles). The state may, at any time during the evaluation and/or contract period, require the bidders to provide proof that the deviation meets the "brand name, equivalent or equal" in performance.
3. Bidders are reminded that technical assistance is available from the eProcurement Help Desk at 404-657-6000.

## RFQ Addendum # 4

RFQ Number: 99999-SPD0000212	RFQ Title: Public Mass Transit Vehicles and Related Options, Equipment, and Accessories
Requesting State Entity: State Purchasing Division, Georgia	
Issuing Officer: Billy R. Gilbert	RFX Initially Posted to Internet: See GPR
eMail Address: <a href="mailto:billy.gilbert@doas.ga.gov">billy.gilbert@doas.ga.gov</a>	Telephone: 404-657-4277
Addendum Number: 4	Date: 3/02/2023

Note: In the event of a conflict between previously released information and the information contained herein, the latter shall control.

1. Addendum # 4 is posted on 3/02/2023. Answers #3, #4, and #5 are posted with Addendum # 4.
2. The close date of the solicitation has been changed to 5:00 PM EST on March 20, 2023.
3. The following documents are posted with Addendum 4 with the following changes:
  - a. Version 2 of the eRFQ: Version 2, eRFQ further defines the scope of the solicitation in paragraph 1.1.1. and addresses in Paragraph 4.5.2. Specifications Deviations that would not be acceptable as being those deviations that are not within the scope of the solicitation.
  - b. Version 2 of Attachment B: Mass Transit Program Requirements document. The charges include guidance on Specification Deviations or changes that are within the scope of the solicitation. "The substitution through the Specification Devastation process of major end items with the same "form, fit, and function" are within the scope of the solicitation and ensuing contract awards. and the State would not consider that a "cardinal change". The purpose of the Deviation process it to promote more competition by giving bidders an opportunity to compete their product without having to change their manufacturing process. See Attachment S: FTA Circular 4220.1F Third Party Contracting Guidance, Chapter V 7.b. "Impermissible Actions" for FTA guidance on this issue.
  - c. Versions 3 of Cost Worksheet E-6 (OEM Vans) and Version 2 of Cost Worksheet E-7 (Other Mobility Vans) are posted, and the following items have been removed from the "Mandatory Priced Options" on both Cost Workbooks: Seating, Flip Seats, Grab Handles, Rear AC, and Back-up

Warning System. Please note that these changes in these documents are for pricing only and do not change the Specifications.

- d. Version 2 of Cost Worksheet E-4 has been posted and it adds the following line items:
  - i. 4-8A 33 Ft Light Transit Vehicle- 19,500 GVWR Min
  - ii. 4-8B 33 Ft Light Transit Vehicle- 19,500 GVWR Min
  - iii. 4-8C 33 Ft Light Transit Vehicle- 19,500 GVWR Min ELECTRIC

Note: The 36 foot and the 38 Foot vehicles are medium duty and can be bid on Cost Workbook E-5. If the vehicle is not an engine rail vehicle document that in the description cell on the Cost Worksheet(s).

4. Warranty Clarification:

Warranty Language in section 3.5 a) through h) Attachment B Mass Transit Program Requirements Document and Attachment F: Statewide Contract Terms and Conditions take precedence over any warranty language in any of the specifications. "Supplier agrees that the warranty for all vehicles sold to Authorized Users for this solicitation and resulting contracts is the Original Equipment Manufacturer (OEM) standard warranty." .....

5. Version 3 GDOT Shuttle Van Specification:

Version 3 has been posted. The only change is the change to the correct floor plans for Shuttle Vans on page 41.

- 6. Bidders are reminded that technical assistance is available from the eProcurement Help Desk at 404-657-6000.
