OVERVIEW OF EXISTING MUNICIPAL SERVICE BENEFIT UNITS (MSBU)

Florida Statute Chapter 125.02 gives the Board of County Commissioners (BCC) the authority to create special taxing units within the unincorporated areas of Hernando County for the purpose of providing particular services for a specific geographic area. Florida Statute Chapter 197.3032 authorizes the uniform collection and levy of assessments to fund such special assessments to be placed on the tax bills and collected in the same manner as ad valorem taxes. In Hernando County, Municipal Service Benefit Units (MSBUs) have been created to provide street lighting, fire protection, solid waste disposal, road paving, maintenance of public parks and recreation facilities, and maintenance of public buildings and parks. MSBUs are created according to the procedures outlined in BCC Policy #16-1.

Assessments are calculated based upon the operations of the MSBU. Including Herd Co. is admitted to control are distributed equally among all units of the MSBU. Assessments are levied and collected in the same manner as ad valorem.

The following table is a summary of each of the existing MSBUs in Hernando County as of September 28, 2023.

EXHIBIT A

OVERVIEW OF EXISTING MUNICIPAL SERVICE BENEFIT UNITS (MSBU)

Florida Statute Chapter 125.02 gives the Board of County Commissioners (BCC) the authority to create special taxing units within the unincorporated areas of Hernando County for the purpose of providing particular services for a specific geographic area. Florida Statute Chapter 197.3632 authorizes the uniform collection and levy of assessments to enable non-ad valorem assessments to be placed on the tax bills and collected in the same manner as ad valorem taxes. In Hernando County, such Municipal Service Benefit Units (MSBUs) have been created to provide street lighting, fire protection, solid waste disposal, road paving, fire hydrants and maintenance of common areas such as subdivision entrances and park areas. The BCC creates MSBUs according to the procedures outlined in BCC Policy #16-1.

Assessments are calculated based upon the total operating cost for the MSBU, including Hernando County's administrative costs, and are divided equally Among all units of record. Assessments are levied and collected in the same manner as ad valorem taxes.

The following table is a summary of each of the existing MSBUs in Hernando County as of September 26, 2023.

**LEGAL NOTE**

The Board is authorized to act upon this matter pursuant to Ordinance 2021-16 and Chapters 125 and 197, Florida Statutes.

Re: Notice of Proposed Non-Ad Valorem Special Assessment

To Whom It May Concern:

Notice is hereby given that the Board of County Commissioners of Hernando County, Florida, will conduct a public hearing to consider the approval of the imposition and collection of a non-ad valorem special assessment against each private for-profit and not-for-profit hospital that provides inpatient hospital services and that holds a right of possession and right of use to real property in the County through an ownership or leasehold interest (each, an "Assessed Property").

### **Hearing details**

The hearing will be held on September 26, 2023, at 5:01 p.m., or as soon thereafter as the matter can be heard, at the Hernando County Government Center at 20 N. Main St. in Brooksville, FL. At that time, the Board will receive public comments on the proposed special assessment.

At that hearing, a Non-Ad Valorem Assessment Roll, which contains the names of the Assessed Properties and the assessment rate and amount of the special assessment to be imposed against each Assessed Property, will be considered for approval. The Non-Ad Valorem Assessment Roll is available for inspection at Hernando County Office of Management and Budget office during regular business hours from September 12, 2023 through September 26, 2023.

At the date and time set forth in this notice, the Board of County Commissioners may:  
(1) approve the Non-Ad Valorem Assessment Roll, with such amendments as it deems just and right; and (2) adopt a resolution (the "Assessment Resolution") that describes (a) the Medicaid payments proposed for funding from proceeds of the assessment, (b) the benefits to the Assessed Properties, (c) the methodology for computing the assessed amounts, and (d) the method of collection, including how and when the assessment is to be paid.

All affected or interested parties have a right to appear at the hearing and to file written objections with the Board in advance of the vote. All objections to the Non-Ad Valorem Assessment Roll being considered for approval must be made in writing, and filed with the Assessment Coordinator, at or before the adjourned time of the hearing. Written objections should be sent to the attention of the Hernando County Office of Management and Budget, 15470 Flight Path Drive, Brooksville, Florida 34604.

### **Purpose of assessment**

The assessment is intended to finance intergovernmental transfers provided consistent with federal guidelines that fund the non-federal share of certain Medicaid and/or Medicaid managed care payments, thus directly and specially benefitting Assessed Properties and supporting the provision of health care services to Medicaid, indigent, and uninsured members of the County's community.

### **Rate and unit of measurement**

The assessment rate set forth in the Non-Ad Valorem Assessment Roll to be levied against the net patient revenue of each Assessed Property, including your hospital, is 0.87%. Assessments for each Assessed Property will be derived from data contained in cost reports and/or the Florida Hospital Uniform Reporting System, as available from the Florida Agency for Health Care Administration.

### **Total revenue to be collected**

The Board shall set the assessment in amounts that, in the aggregate, will generate sufficient revenue to fund the non-federal share of Medicaid payments to be funded by the Assessment.

The amount of the assessment required of each Assessed Property may not exceed an amount that, when added to the amount of other required assessments, exceeds the maximum percent of the aggregate net patient revenue of all Assessed Properties in the County permitted by 42 C.F.R. § 433.68(f)(3)(i)(A).

The amount of the assessment is to be collected pursuant an additional and alternative method, as specified in § 197.3631, Fla Stat., for non-ad valorem special assessments. Details will be included in Assessment Resolution.

### **Failure to pay**

Failure to pay the Assessment will cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted, either of which may result in a loss of title to the property.

Sincerely,

Jeffrey W. Rogers, P.E.

Hernando County Local Provider Participation Fund Assessment

Dear Hospital Administrator:

As you may be aware, the County is collecting a non-ad valorem special assessment to fund the Local Provider Participation Fund ("LPPF"). The LPPF will be funded by an assessment against your hospital and non-public hospitals in Hernando County.

The non-ad valorem assessment rate for Fiscal Year 2024 will be set at 0.87% of your net patient revenue. Net patient revenue is based on the Hospital's most recently filed Medicare cost report, which is filed with the Centers of Medicare & Medicaid Services. The payments received from the hospitals will be deposited into the LPPF. These funds will be used for the nonfederal share of a Medicaid supplemental payment program. The LPPF is broad based; it applies to all non-public hospitals located in Hernando County, Florida that provide inpatient hospital services. The formula for calculating the mandatory payments is the same for each hospital. No qualifying hospitals are held harmless or exempt from paying the mandatory payments.

The mandatory payments are assessed annually and paid in accordance with the schedule below:

Table with 4 columns: Quarter, Provider Name, Mandatory Payment, Due Date. Row 1: 1 - 4, Bravera Health Brooksville (and on behalf of Bravera Health Spring Hill), \$1,157,690, Upon receipt

Attached is your sample invoice for the mandatory payment for the LPPF. Note this is not a bill. Once the resolution passes, you will receive an invoice for the amounts due.

The Board of County Commissioners will hold a public hearing on September 26, 2023, at 5:01 p.m., or as soon thereafter as the matter can be heard, at the John Law Ayers room located on the first floor of the Hernando County Government Center at 20 N. Main St. in Brooksville, FL. At the hearing, the Board will hear public comment on the proposed special assessment.

You are invited to attend and participate in the public hearing. If you are a person with disability who needs any accommodation to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact Jessica Wright at 352-754-4002 or, if hearing impaired, at 1-800-676-3777, at least three days prior to the public hearing. Questions regarding your assessment and the process for collection may be directed to the County at 352-754-4002.

Re: Notice of Proposed Non-Ad Valorem Special Assessment

To Whom It May Concern:

Notice is hereby given that the Board of County Commissioners of Hernando County, Florida, will conduct a public hearing to consider the approval of the imposition and collection of a non-ad valorem special assessment against each private for-profit and not-for-profit hospital that provides inpatient hospital services and that holds a right of possession and right of use to real property in the County through an ownership or leasehold interest (each, an "Assessed Property").

### **Hearing details**

The hearing will be held on September 26, 2023, at 5:01 p.m., or as soon thereafter as the matter can be heard, at the Hernando County Government Center at 20 N. Main St. in Brooksville, FL. At that time, the Board will receive public comments on the proposed special assessment.

At that hearing, a Non-Ad Valorem Assessment Roll, which contains the names of the Assessed Properties and the assessment rate and amount of the special assessment to be imposed against each Assessed Property, will be considered for approval. The Non-Ad Valorem Assessment Roll is available for inspection at Hernando County Office of Management and Budget office during regular business hours from September 12, 2023 through September 26, 2023.

At the date and time set forth in this notice, the Board of County Commissioners may:

- (1) approve the Non-Ad Valorem Assessment Roll, with such amendments as it deems just and right;
- and (2) adopt a resolution (the "Assessment Resolution") that describes (a) the Medicaid payments proposed for funding from proceeds of the assessment, (b) the benefits to the Assessed Properties, (c) the methodology for computing the assessed amounts, and (d) the method of collection, including how and when the assessment is to be paid.

All affected or interested parties have a right to appear at the hearing and to file written objections with the Board in advance of the vote. All objections to the Non-Ad Valorem Assessment Roll being considered for approval must be made in writing, and filed with the Assessment Coordinator, at or before the adjourned time of the hearing. Written objections should be sent to the attention of the Hernando County Office of Management and Budget, 15470 Flight Path Drive, Brooksville, Florida 34604.

### **Purpose of assessment**

The assessment is intended to finance intergovernmental transfers provided consistent with federal guidelines that fund the non-federal share of certain Medicaid and/or Medicaid managed care payments, thus directly and specially benefitting Assessed Properties and supporting the provision of health care services to Medicaid, indigent, and uninsured members of the County's community.

### **Rate and unit of measurement**

The assessment rate set forth in the Non-Ad Valorem Assessment Roll to be levied against the net patient revenue of each Assessed Property, including your hospital, is 0.87%. Assessments for each Assessed Property will be derived from data contained in cost reports and/or the Florida Hospital Uniform Reporting System, as available from the Florida Agency for Health Care Administration.

### **Total revenue to be collected**

The Board shall set the assessment in amounts that, in the aggregate, will generate sufficient revenue to fund the non-federal share of Medicaid payments to be funded by the Assessment.

The amount of the assessment required of each Assessed Property may not exceed an amount that, when added to the amount of other required assessments, exceeds the maximum percent of the aggregate net patient revenue of all Assessed Properties in the County permitted by 42 C.F.R. § 433.68(f)(3)(i)(A).

The amount of the assessment is to be collected pursuant an additional and alternative method, as specified in § 197.3631, Fla Stat., for non-ad valorem special assessments. Details will be included in Assessment Resolution.

### **Failure to pay**

Failure to pay the Assessment will cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted, either of which may result in a loss of title to the property.

Sincerely,

Jeffrey W. Rogers, P.E.  
Hernando County Administrator

Hernando County Local Provider Participation Fund Assessment

Dear Hospital Administrator:

As you may be aware, the County is collecting a non-ad valorem special assessment to fund the Local Provider Participation Fund (“LPPF”). The LPPF will be funded by an assessment against your hospital and non-public hospitals in Hernando County.

The non-ad valorem assessment rate for Fiscal Year 2024 will be set at 0.87% of your net patient revenue. Net patient revenue is based on the Hospital’s most recently filed Medicare cost report, which is filed with the Centers of Medicare & Medicaid Services. The payments received from the hospitals will be deposited into the LPPF. These funds will be used for the nonfederal share of a Medicaid supplemental payment program. The LPPF is broad based; it applies to all non-public hospitals located in Hernando County, Florida that provide inpatient hospital services. The formula for calculating the mandatory payments is the same for each hospital. No qualifying hospitals are held harmless or exempt from paying the mandatory payments.

The mandatory payments are assessed annually and paid in accordance with the schedule below:

Quarter	Provider Name	Mandatory Payment	Due Date
1 - 4	Encompass Health Rehabilitation Hospital of Spring Hill	\$276,732	Upon receipt

Attached is your sample invoice for the mandatory payment for the LPPF. Note this is not a bill. Once the resolution passes, you will receive an invoice for the amounts due.

The Board of County Commissioners will hold a public hearing on September 26, 2023, at 5:01 p.m., or as soon thereafter as the matter can be heard, at the John Law Ayers room located on the first floor of the Hernando County Government Center at 20 N. Main St. in Brooksville, FL. At the hearing, the Board will hear public comment on the proposed special assessment.

You are invited to attend and participate in the public hearing. If you are a person with disability who needs any accommodation to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact Jessica Wright, Hernando County Administration, at 352-754-4002, or if hearing impaired at 1-800-676-3777, at least three days prior to the public hearing.

Questions regarding your assessment and the process for collection may be directed to the County at 352-754-4002.

1           **(b)**    Pursuant to Article VIII, Section 1(F) of the Constitution of the State  
2           of Florida and Chapter 125 of the Florida Statutes, the Board is hereby authorized to  
3           impose a special assessment against private for-profit and not-for-profit hospitals  
4           located within the County to fund the non-federal share of Medicaid payments  
5           associated with Local Services.

6           **Sec. 15-17. - Findings.**

7           In enacting this Ordinance, the Hernando County Board of County  
8           Commissioners makes the following findings:

9           **(a)**    The hospitals in Hernando County's jurisdiction (the "Hospitals")  
10          annually provide millions of dollars of uncompensated care to uninsured persons and  
11          those who qualify for Medicaid because Medicaid, on average, covers only 60% of  
12          the costs of the health care services actually provided by Hospitals to  
13          Medicaid-eligible persons, leaving hospitals with significant uncompensated costs;  
14          and,

15          **(b)**    The State of Florida (the "State") received federal authority to  
16          establish the Statewide Medicaid Managed Care hospital directed payment program  
17          (the "DPP") to offset hospitals' uncompensated Medicaid costs and improve quality  
18          of care provided to Florida's Medicaid population; and,

1           (c)    Impacted Hospitals have asked Hernando County (the “County”) to  
2           impose an assessment upon certain real property owned by the Hospitals to help  
3           finance the non-federal share of the State's Medicaid program; and,

4           (d)    The only properties to be assessed are the real property sites of such  
5           Hospitals; and,

6           (e)    The County recognizes that one or more Hospitals within the County's  
7           boundaries may be located upon real property leased from governmental entities and  
8           that such Hospitals may be assessed, because courts do not make distinctions on the  
9           application of special assessments based on “property interests” but rather on the  
10          distinction of the classifications of real property being assessed; and,

11          (f)    The funding raised by the County assessment will, through  
12          intergovernmental transfers (“IGTs”) provided consistent with federal guidelines,  
13          support additional funding for Medicaid payments to Hospitals; and,

14          (g)    The County acknowledges that the assessed Hospital properties will  
15          benefit directly and especially from the assessment as a result of the above-described  
16          additional funding provided to said Hospitals; and,

17          (h)    The County has determined that a logical relationship exists between  
18          the services provided by the Hospitals, which will be supported by the assessment,  
19          and the special and particular benefit to the real property of the Hospitals; and,

1           (i) The County has an interest in promoting access to health care for its  
2           low-income and uninsured residents; and,

3           (j) Leveraging additional federal support through the above-described  
4           IGTs to fund Medicaid payments to the Hospitals for health care services persons  
5           directly and specifically benefits the Hospitals' properties and supports their  
6           continued ability to provide those services; and,

7           (k) Imposing an assessment limited to Hospital properties to help fund the  
8           provision of these services and the achievement of certain quality standards by the  
9           Hospitals to residents of the County is a valid public purpose that benefits the health,  
10           safety, and welfare of the citizens of the County; and,

11           (l) The assessment ensures the financial stability and viability of the  
12           Hospitals providing such services; and,

13           (m) The Hospitals are important contributors to the overall County's  
14           economy and the financial benefit to these Hospitals directly and specifically  
15           supports their mission, as well as their ability to grow, expand, and maintain their  
16           facilities in concert with the population growth in the jurisdiction of the County; and,

17           (n) The County finds the assessment will enhance the Hospitals' ability  
18           to grow, expand, maintain, improve, and increase the value of their facilities under  
19           all present circumstances and those of the foreseeable future; and,

1           (o) The County is proposing a properly apportioned assessment by which  
2           all Hospitals will be assessed a uniform amount that is compliant with 42 C.F.R. §  
3           433.68(d); and,

4           (p) This Ordinance enables the County to levy uniform non-ad valorem  
5           special assessments, which are fairly and reasonably apportioned among the  
6           Hospitals' properties within the County's jurisdictional limits, to establish and  
7           maintain a system of funding for IGTs to support the non-federal share of Medicaid  
8           payments, thus directly, and specially benefitting, Hospital properties.

9           **Sec. 15-18. - Purpose.**

10           The non-ad valorem special assessment authorized by this article shall be  
11           imposed, levied, collected, and enforced against Assessed Properties located within  
12           the County. Proceeds from the Assessment shall be used to benefit Assessed  
13           Properties through enhanced Medicaid payments for Local Services. When imposed,  
14           the Assessment shall constitute a lien upon the Assessed Properties equal in rank and  
15           dignity with the liens of all state, county, district, or municipal taxes and other non-ad  
16           valorem assessments. Failure to pay may cause foreclosure proceedings to  
17           commence, which could result in loss of title. The Assessment shall be computed and  
18           assessed only in the manner provided in this Ordinance.

1           **Sec. 15-19. - Alternative Method.**

2                   This Ordinance shall be deemed to provide an additional and alternative  
3                   method, as specified in § 197.3631, Fla. Stat., for the assessment and collection of  
4                   the non-ad valorem special assessment described herein. The Ordinance shall be  
5                   regarded as supplemental and additional to powers conferred by other laws and shall  
6                   not be regarded as in derogation of any powers now existing, or which may exist in  
7                   the future. This Ordinance, being necessary for the health, safety, and welfare of the  
8                   inhabitants of the County, shall be liberally construed to effect the purposes hereof.

18                  (a)       Pursuant to § 125.01, Fla. Stat., the Board is hereby authorized to  
19                  create a non-ad valorem special assessment that shall be imposed, levied, collected,  
20                  and enforced against Assessed Property to fund the non-federal share of Medicaid

2           Funds generated as a result of the Assessment shall be held in a separate account  
3           called the local provider participation fund and shall be available to be used only to

16           any additional pecuniary obligation on the County, Board, or County residents; the  
17           Assessment shall be imposed, levied, collected, and enforced against only Assessed  
18           Properties, and the Assessment Resolution shall provide that the County's

4 **Sec. 15-23. - Computation of Assessment.**

5 (a) The annual Assessment shall be specified for each Assessed Property.  
6 The Board shall set the Assessment in amounts that in the aggregate will generate  
7 sufficient revenue to fund the non-federal share of Medicaid payments associated  
8 with Local Services to be funded by the Assessment.

9 (b) The Assessment required of each Assessed Property may not exceed  
10 an amount that, when added to the amount of other hospital assessments levied by

12 patient revenue of all Assessed Hospitals in the County permitted by 42 C.F.R. §  
13 433.68(f)(3)(i)(A). Assessments for each Assessed Property will be derived from data  
14 contained in hospital cost reports and/or the Florida Hospital Uniform Reporting  
15 System, as available from the Florida Agency for Health Care Administration.

16 **Sec. 15-24. - Petition and Assessment Resolution.**

17 (a) The Board, subject to the provisions of this section and upon a petition  
18 requesting the imposition of the Assessment, signed by at least 51 percent of the

1                   (1)     For each fiscal year the Petition shall set forth: (1) the  
2                   boundaries or other description sufficient to identify the Properties; (2) a brief  
3                   description of the service requested to be provided; (3) a legal opinion, that is

7                   Owners and Institutional Health Care Providers state, among other things, that it  
8                   forever releases the County and its officers, employees, and agents from any and all  
9                   liability relating to the imposition of the Mandatory Payment. There shall be attached  
10                  to the petition and made a part thereof a brief description of the Property sufficient  
11                  to identify the property involved. There shall also be filed with the petition an  
12                  affidavit of corporate authority that establishes that those signing the petition are duly  
13                  authorized to sign the petition and to subject the Property to the levy and imposition  
14                  of the Mandatory Payment as provided in this article.

15                  (2)     Upon the County's receipt of a petition, the Assessment  
16                  Coordinator shall transmit one copy to the County Attorney's Office. If the County  
17                  Attorney's Office determines that the petition has been properly signed and complies  
18                  with the requirements of this section, the Assessment Coordinator shall prepare an  
19                  Assessment Resolution.

1                   (3)    The Assessment Resolution shall describe (a) the Medicaid  
2                   payments proposed for funding from proceeds of the Assessment; (b) the benefits to  
3                   the Assessment Properties associated with the Assessment; (c) the methodology for  
4                   computing the assessed amounts; and (d) the method of collection, including how  
5                   and when the Assessment is to be paid.

6                   **Sec. 15-25. - Non-Ad Valorem Assessment Roll.**

7                   The Assessment Coordinator shall prepare, or direct the preparation of, the  
8                   Non-Ad Valorem Assessment Roll, which shall contain the following: the names of  
9                   the Assessed Properties, the Assessment rate, and the amount of the Assessment to  
10                  be imposed against each Assessed Property based on the Assessment Resolution. The  
11                  Non-Ad Valorem Assessment Roll shall be retained by the Assessment Coordinator  
12                  and shall be open to public inspection.

13                  **Sec. 15-26. - Notice by Publication.**

14                  Upon completion of the Non-Ad Valorem Assessment Roll, the Assessment  
15                  Coordinator shall publish once in a newspaper of general circulation within the  
16                  County, a notice stating that the Board, at a regular, adjourned, or special meeting,  
17                  on a certain day and hour, not earlier than 20 calendar days from such publication,  
18                  will hear objections of all interested persons to approve the aforementioned Non-Ad

2           (c)    The method by which the Assessment will be collected; and

3           (d)    A statement that the Non-Ad Valorem Special Assessment Roll is  
4           available for inspection at the Office of the Assessment Coordinator.

5           **Sec. 15-27. - Notice by Mail.**

6           (a)    In addition to the published notice required by Section 15-26, but only  
7           for the first fiscal year in which an Assessment is imposed by the Board against  
8           Assessed Properties, the Assessment Coordinator shall provide notice of the  
9           proposed Assessment by first class mail to the Assessed Properties. Such notice shall  
10          include:

11                   (1)    The purpose of the Assessment; and,

12                   (2)    The Assessment rate to be levied against each Assessed  
13           Property; and,

14                   (3)    The unit of measurement applied to determine the Assessment;  
15           and,

16                   (4)    The total revenue to be collected by the County from the  
17           Assessment; and,

18                   (5)    A statement that failure to pay the Assessment will cause a tax  
19           certificate to be issued against the property or foreclosure proceedings, either of  
20           which may result in a loss of title to the property; and,

1                   (6)    A statement that all affected and/or interested parties have a  
2                   right to appear at the hearing and to file written objections with the Board within 20  
3                   days of the notice; and,

4                   (7)    The date, time, and place of the hearing.

5                   (b)    Notice shall be mailed at least 20 calendar days prior to the hearing  
6                   to each Assessed Property at such address as is shown on the Assessment Roll.  
7                   Notice shall be deemed mailed upon delivery thereof to the possession of the United  
8                   States Postal Service. The Assessment Coordinator may provide proof of such notice  
9                   by affidavit. Failure of the Assessed Property to receive such notice, because of  
10                  mistake or inadvertence, shall not affect the validity of the Assessment Roll or  
11                  release or discharge any obligation for payment of the Assessment imposed by the  
12                  Board pursuant to this Article.

13                  **Sec. 15-28. - Adoption of Assessment Resolution and Non-Ad Valorem**  
14                  **Assessment Roll.**

15                  At the time named in the notice, the Board shall receive and consider any  
16                  written objections of interested persons. All objections to the Assessment Resolution

19                  the date and time named in the notice, the Board may adopt the Assessment  
20                  Resolution and Non-Ad Valorem Assessment Roll which shall:

1           (a)    Set the rate of the Assessment to be imposed; and,

2           (b)    Approve the Non-Ad Valorem Assessment Roll, with such  
3 amendments as it deems just and right; and,

4           (c)    Affirm the method of collection.

5           **Sec. 15-29. - Revisions to the Assessment Roll.**

8 Assessment Resolution, following the procedures described in Sections 15-24  
9 through 15-28, inclusive.

10          **Sec. 15-30. - Effect of the Assessment Resolution.**

11          (a)    The adoption of an Assessment Resolution shall be the final  
12 adjudication of the issues presented (including, but not limited to, the method of  
13 apportionment and Assessment, the Assessment rate, the initial rate of Assessment,  
14 the Non-Ad Valorem Assessment Roll, and the levy and lien of the Assessments),  
15 unless proper steps shall be initiated in a court of competent jurisdiction to secure  
16 relief within 20 days from the date of Board action on the Assessment Resolution.

17          The Non-Ad Valorem Assessment Roll shall be delivered to the Tax Collector or  
18 such other official as the Board by resolution shall designate.

19          (b)    For each year in which the majority of the Board does not vote to use  
20 the uniform method to collect the Assessments;

1                   (1)     The resolutions and assessment rolls shall be recorded in the  
2                   Official Records of Hernando County, Florida, and shall constitute notice to the  
3                   owners of any affected property, and their successors in title, of the pendency of a  
4                   special assessment lien upon the affected property.

5                   (2)     The Assessments shall be payable at the time and in the  
6                   manner stated in the Assessment Resolution. The Assessments shall remain liens,  
7                   coequal with the lien of all state, county, district and municipal taxes, superior in  
8                   dignity to all other liens, title and claims, until paid. Any Assessment not paid when  
9                   due and payable shall have added thereto a penalty at the rate of one percent per  
10                  month until paid.

11                  (3)     Upon the failure of any assessment, or installment thereof, to  
12                  be paid within one year of the date due and payable, the Board shall cause the  
13                  necessary legal proceedings to be brought by the County Attorney's Office to  
14                  foreclose the entire balance of the special assessment lien including penalties, court  
15                  costs and reasonable attorney's fees assessed as part of the foreclosure proceeding.  
16                  The foreclosure proceeding shall be prosecuted to a sale and conveyance of the  
17                  property involved in such proceeding as now provided by law in suits to foreclose  
18                  mortgages.

1           **Sec. 15-31. - Method of Collection.**

2                   The amount of the Assessment is to be collected pursuant to the method that  
3           is specified in the Assessment Resolution.

4           **Sec. 15-32. - Refunds.**

5                   If, at the end of the Fiscal Year, additional amounts remain in the local  
6           provider participation fund, the Board is hereby authorized to make refund to  
7           Assessed Properties in proportion to amounts paid in during the Fiscal Year for all  
8           or a portion of the unutilized local provider participation fund.

9           **Sec. 15-33. - Responsibility for Enforcement.**

10                   The County and its agent, if any, shall maintain the duty to enforce the prompt  
11           collection of the Assessment by the means provided herein. The duties related to  
12           collection of assessments may be enforced at the suit of any holder of obligations in  
13           a court of competent jurisdiction by mandamus or other appropriate proceedings or  
14           actions.

15           **Sec. 15-34. - Correction of Errors and Omissions.**

16                   No act of error or omission on the part of the Comptroller, Property  
17           Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or  
18           employees shall operate to release or discharge any obligation for payment of the  
19           Assessment imposed by the Board under the provision of this Chapter.

1           **Sec. 15-35. - Limitations on Surcharges.**

2                   Payments made by Assessed Properties under this article may not be passed  
3                   along to patients of the Assessed Property as a surcharge or as any other form of  
4                   additional patient charge.

5           **Sec. 15-36. - Limitations on Assessments.**

6                   This Assessment is authorized only based on the approval by CMS, and  
7                   related authorization by Florida Legislature, of the directed payment program that  
8                   will benefit the Assessed Properties. If at any time, due to action at the federal, state  
9                   or local level, there is no longer an enhanced Medicaid payment benefitting the  
10                  Assessed Properties, the Board's authority to collect Assessments under this article  
11                  shall cease. If, at any time, the Assessments are no longer broad-based, the Board's  
12                  authority to collect Assessments under this article shall be ineffective. If at any time  
13                  one or more of the Property Owners and Institutional Health Care Providers objects  
14                  to the Assessment, the Board's authority to collect the Assessments under this article  
15                  shall cease.

16           **Sec. 15-37 - Hold Harmless and Indemnification.**

17                  The Property Owners and Institutional Health Care Providers that are the  
18                  subject of this Ordinance have requested adoption of this Ordinance and have given  
19                  assurances to the County that the objectives and procedures addressed in this  
20                  Ordinance are proper and lawful. Accordingly, the Property Owners and Institutional

1       Health Care Providers that are the subject of this Ordinance shall hold the County and  
2       its officers, employees, and agents harmless from any claim arising from the adoption  
3       and implementation of this article, and shall indemnify the County and its officers,  
4       employees and agents from any and all claims, suits, damages, disallowances, or other  
5       proceedings, including but not limited to original proceedings, appeals, or any  
6       proceeding before any administrative body or tribunal, and the costs and attorney or  
7       expert fees associated with the defense thereof, that may arise in the event that the  
8       objectives and procedures of this article are challenged by any person, entity, or  
9       government agency. A release of liability agreement shall be submitted, on a form  
10       approved by the Office of the County Attorney as to legal sufficiency, with the  
11       Petition pursuant to section 15-24(a).

16 that if any section, subsection, clause, sentence, phrase, or provision of this Ordinance is for any  
17 reason held unconstitutional or invalid, the invalidity thereof shall not affect the validity of the  
18 remaining portions of this Ordinance.

In situations where this Ordinance addresses a matter in a manner that is stricter than that of Florida law, the provisions of this Ordinance shall control.

**Section 5. Inclusion in the Code.** It is the intention of the Board of County Commissioners of Hernando County, Florida, and it is hereby provided, that the provisions of this Ordinance shall become and be made a part of the Code of Ordinances of Hernando County, Florida. To this end, the sections of this Ordinance may be renumbered or relettered to accomplish such intention, and that the word “ordinance” may be changed to “section,” “article,” or any other appropriate designation.

**RESOLUTION NO. #**

**AN ASSESSMENT RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AUTHORIZING AND ADOPTING A NON-AD VALOREM SPECIAL ASSESSMENT WITHIN THE COUNTY LIMITS FOR THE PURPOSE OF BENEFITING ASSESSED PROPERTIES THROUGH ENHANCED MEDICAID PAYMENTS FOR LOCAL SERVICES; FINDING AND DETERMINING THAT CERTAIN REAL PROPERTY IS SPECIALLY BENEFITED BY THE ASSESSMENT; COLLECTING THE ASSESSMENT AGAINST THE REAL PROPERTY; ESTABLISHING A PUBLIC HEARING TO CONSIDER IMPOSITION OF THE PROPOSED ASSESSMENT AND THE METHOD OF ITS COLLECTION; AUTHORIZING AND DIRECTING THE PUBLICATION OF NOTICES IN CONNECTION THEREWITH; PROVIDING FOR CERTAIN OTHER AUTHORIZATIONS AND DELEGATIONS OF AUTHORITY AS NECESSARY; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, hospitals in Hernando County's jurisdiction (the "Hospitals") annually provide millions of dollars of uncompensated care to uninsured persons and those who qualify for Medicaid because Medicaid, on average, covers only 60% of the costs of the health care services actually provided by Hospitals to Medicaid-eligible persons, leaving hospitals with significant uncompensated costs; and

**WHEREAS**, the State of Florida (the "State") received federal authority to establish the Statewide Medicaid Managed Care Hospital directed payment program (the "DPP") to offset hospitals' uncompensated Medicaid costs and improve quality of care provided to Florida's Medicaid population; and

**WHEREAS**, Hospitals have asked Hernando County (the "County") to impose a non-ad valorem special assessment upon certain real property interests held by the Hospitals to help finance the non-federal share of the State's Medicaid program; and

**WHEREAS**, the only real properties interests that will be subject to the non-ad valorem assessments authorized herein are those belonging to the Hospitals; and

**WHEREAS**, the County recognizes that one or more of the Hospitals within the County's boundaries may be located upon real property leased from governmental entities and that such Hospitals may be assessed because courts do not make distinctions on the application of special assessments based on "property interests" but rather on the distinction of the classifications of real property being assessed; and

**WHEREAS**, the funding raised by the County assessment will, through intergovernmental transfers (“IGTs”) provided consistent with federal guidelines, support additional funding for Medicaid payments to Hospitals; and

**WHEREAS**, the County acknowledges that the Hospital properties assessed will benefit directly and especially from the assessment as a result of the above-described additional funding provided to said Hospitals; and

**WHEREAS**, the County has determined that a logical relationship exists between the services provided by the Hospitals, which will be supported by the assessment, and the special and particular benefit to the real property of the Hospitals; and

**WHEREAS**, the County has an interest in promoting access to health care for its low-income and uninsured residents; and

**WHEREAS**, leveraging additional federal support through the above-described IGTs to fund Medicaid payments to the Hospitals for health care services directly and specifically benefits the Hospitals’ property interests and supports their continued ability to provide those services; and

**WHEREAS**, imposing an assessment limited to Hospital properties to help fund the provision of these services and the achievement of certain quality standards by the Hospitals to residents of the County is a valid public purpose that benefits the health, safety, and welfare of the citizens of the County; and

**WHEREAS**, the assessment ensures the financial stability and viability of the Hospitals providing such services; and

**WHEREAS**, the Hospitals are important contributors to the County’s economy, and the financial benefit to these Hospitals directly and specifically supports their mission, as well as their ability to grow, expand, and maintain their facilities in concert with the population growth in the jurisdiction of the County; and

**WHEREAS**, the Board finds the assessment will enhance the Hospitals’ ability to grow, expand, maintain, improve, and increase the value of their Hernando County properties and facilities under all present circumstances and those of the foreseeable future; and

**WHEREAS**, the County is proposing a properly apportioned assessment by which all Hospitals will be assessed at a uniform rate that is compliant with 42 C.F.R. § 433.68(d); and

**WHEREAS**, on August 24, 2021, the Board of County Commissioners adopted Ordinance 2021-16, enabling the County to levy a uniform non-ad valorem special assessment, which is fairly and reasonably apportioned among the Hospitals’ property interests within the County’s jurisdictional limits, to establish and maintain a system of funding for IGTs to support the non-federal share of Medicaid payments, thus directly and specially benefitting Hospital properties.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA:**

**Section 1. Definitions.** As used in this Resolution, the following capitalized terms, not otherwise defined herein or in the Ordinance, shall have the meanings below, unless the context otherwise requires.

*Assessed Property* means the real property in the County to which an Institutional Health Care Provider holds a right of possession and right of use through an ownership or leasehold interest, thus making the property subject to the Assessment.

*Assessment* means a non-ad valorem special assessment imposed by the County on Assessed Property to fund the non-federal share of Medicaid and Medicaid managed care payments that will benefit hospitals providing Local Services in the County.

*Assessment Coordinator* means the person appointed to administer the Assessment imposed pursuant to this Article, or such person's designee.

*Board* means the Board of County Commissioners of Hernando County, Florida.

*Comptroller* means the Hernando County Comptroller, ex officio Clerk to the Board, or other such person as may be duly authorized to act on such person's behalf.

*County* means Hernando County, Florida.

*Fiscal Year* means the period commencing on October 1 of each year and continuing through the next succeeding September 30, or such other period as may be prescribed by law as the fiscal year for the County.

*Institutional Health Care Provider* means a private for-profit or not-for-profit hospital that provides inpatient hospital services.

*Local Services* means the provision of health care services to Medicaid, indigent, and uninsured members of the Hernando County community.

*Non-Ad Valorem Assessment Roll* means the special assessment roll prepared by the County.

*Ordinance* means the Hernando County Local Provider Participation Fund Ordinance codified in Chapter 15, Article II of the Hernando County Code of Ordinances.

*Tax Collector* means the Hernando County Tax Collector.

**Section 2. Authority.** Pursuant to Article VIII, Section 1(f) of the Constitution of the State of Florida, Chapter 125 of the Florida Statutes, and the Hernando County Local Provider Participation Fund Ordinance, the Board is hereby authorized to impose a special assessment

against private for-profit and not-for-profit hospitals located within the County to fund the non-federal share of Medicaid payments associated with Local Services.

**Section 3. Special Assessment.** The non-ad valorem special assessment discussed herein shall be imposed, levied, collected, and enforced against Assessed Properties located within the County. Proceeds from the Assessment shall be used to benefit Assessed Properties through a directed payment program that will benefit the Assessed Properties for Local Services.

When imposed, the Assessment shall constitute a lien upon the Assessed Properties owned by Hospitals and/or a lien upon improvements on the Property made by Hospital leaseholders equal in rank and dignity with the liens of all state, county, district, or municipal taxes and other non-ad valorem assessments. Payments made by Assessed Properties may not be passed along to patients of the Assessed Property as a surcharge or as any other form of additional patient charge. Failure to pay may cause foreclosure proceedings, which could result in loss of title, to commence.

**Section 4. Assessment Scope, Basis, and Use.** Funds generated from the Assessment shall be used only to:

1. Provide to the Florida Agency for Health Care Administration the non-federal share for Medicaid managed care hospital directed payments to be made directly or indirectly in support of hospitals serving Medicaid beneficiaries; and
2. Reimburse the County for administrative costs associated with the implementation of the Assessment authorized by the Ordinance.

If, at the end of the Fiscal Year, additional amounts remain in the local provider participation fund, the Board is hereby authorized either (a) to retain such amounts in the fund to transfer to the Agency in the next fiscal year for use as the non-federal share of Medicaid hospital payments, or (b) if requested to do so by the Assessed Properties, to refund to Assessed Properties, in proportion to amounts paid in during the Fiscal Year, all or a portion of the unutilized local provider participation fund.

If, after the Assessment funds are transferred to the Agency, the Agency returns some or all of the transferred funding to the County (including, but not limited to, a return of the non-federal share after a disallowance of matching federal funds), the Board is hereby authorized to refund to Assessed Properties, in proportion to amounts paid in during the Fiscal Year, the amount of such returned funds.

**Section 5. Computation of Assessment.** The Assessment shall equal 0.87% of net patient revenue for each Assessed Property specified in the Non-Ad Valorem Assessment Roll that is attached hereto as Exhibit "A". The amount of the Assessment required of each Assessed Property may not exceed an amount that, when added to the amount of other hospital assessments levied by the state or local government, exceeds the maximum percent of the aggregate net patient revenue of all Assessed Hospitals in the County permitted by 42 C.F.R. § 433.68(f)(3)(i)(A). Assessments for each Assessed Property will be derived from data contained in cost reports and/or

in the Florida Hospital Uniform Reporting System, as available from the Florida Agency for Health Care Administration.

**Section 6. Timing and Method of Collection.** The amount of the assessment is to be collected pursuant to the Alternative Method outlined in §197.3631, Fla Stat.

The County shall provide Assessment bills by first class mail to the owner of each affected Hospital. The bill or accompanying explanatory material shall include: (1) a reference to this Resolution, (2) the total amount of the hospital's Assessment for the appropriate period, (3) the location at which payment will be accepted, (4) the date on which the Assessment is due, and (5) a statement that the Assessment constitutes a lien against assessed property and/or improvements equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments.

No act of error or omission on the part of the Comptroller, Property Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or employees shall operate to release or discharge any obligation for payment of the Assessment imposed by the Board under the Ordinance and this resolution.

**Section 7. Public Hearing.** The Board has heard and considered objections of all interested persons prior to rendering a decision on the Assessment and attached Non-Ad Valorem Assessment Roll that is attached hereto as Exhibit "A".

**Section 8. Responsibility for Enforcement.** The County and its agent, if any, shall maintain the duty to enforce the prompt collection of the Assessment by the means provided herein. The duties related to collection of assessments may be enforced at the suit of any holder of obligations in a court of competent jurisdiction by mandamus or other appropriate proceedings or actions.

**Section 9. Severability.** If any clause, section, or provision of this resolution is declared unconstitutional or invalid for any reason or cause, the remaining portion hereof shall be in full force and effect and shall be valid as if such invalid portion thereof had not been incorporated herein.

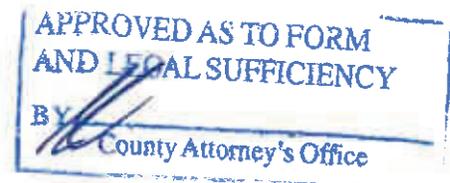

**Section 10. Effective Date.** This Resolution to be effective immediately upon adoption. This Resolution duly adopted this 26th day of September, 2023.
