Dear April Oberry, Michael Hanlon, Luigi Campanaro, Dielmus Jones, Edward Winters, Kevin Karr,

This letter is to recognize your efforts to repair washout in the swale & remove the sediment build-up for sod preparation @ the south side of Antelope St & Maximillian Ave. MaryAnn called stating “I called in a couple of weeks ago & spoke with Becky Hines about an issue on the corner of Maximillian St & Antelope Ave to report a lot of mud in the street and it had been accumulating for quite a while it has been fixed the dirt & mud is gone, they cleared out the whole easement and put down new sod & I just wanted to thank you for getting it to the right people & getting the job done. Thank you, you did well”, with your service and went out of their way to contact the County and compliment your efforts.

Your exemplary efforts demonstrated outstanding customer service. Thank you for representing Public Works proudly and leaving a lasting positive impression with our resident. Job well done!

Thank you again for handling the situation and for your hard work, contributions, and efforts to assist our customer. A copy of this memorandum will be placed in your personnel file for future reference.

With Sincere Appreciation,
