ORDINANCE NO.: 2021-116

1  
2 AN ORDINANCE AUTHORIZING THE CREATION OF THE HERNANDO  
3 COUNTY LOCAL PROVIDER PARTICIPATION FUND UNDER THE  
4 AUTHORITY OF ARTICLE VIII, SECTION 1(F) OF THE CONSTITUTION OF  
5 THE STATE OF FLORIDA AND SPECIFYING THE METHOD OF SETTING  
6 AND COMPUTING ANNUAL NON-AD VALOREM SPECIAL ASSESSMENTS  
7 TO BE DEPOSITED INTO THE FUND AND SPECIFYING AUTHORIZED USES  
8 FOR THE FUND PROCEEDS; PROVIDING FOR APPLICABILITY; PROVIDING  
9 FOR SEVERABILITY; PROVIDING FOR THE RESOLUTION OF CONFLICT OF  
10 LAWS; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR THE  
11 REPEAL OF CONFLICTING PROVISIONS; AND PROVIDING FOR AN  
12 EFFECTIVE DATE.

13 NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY  
14 COMMISSIONERS OF HERNANDO COUNTY:

15 **Section 1. Creation of the Hernando County Local Provider Participation Fund**  
16 **Ordinance.** A new Article II of Chapter 15 of the Hernando County Code, to be entitled “Hernando  
17 County Local Provider Participation Fund,” is hereby enacted to read as follows:

18 **Sec. 15-16. - Title and Authority.**

19 (a) This Article shall be known and may be cited as the “Hernando  
20 County Local Provider Participation Fund Ordinance.”

1           (b) Pursuant to Article VIII, Section 1(F) of the Constitution of the State  
2           of Florida and Chapter 125 of the Florida Statutes, the Board is hereby authorized to  
3           impose a special assessment against private for-profit and not-for-profit hospitals  
4           located within the County to fund the non-federal share of Medicaid payments  
5           associated with Local Services.

6           **Sec. 15-17. - Findings.**

7           In enacting this Ordinance, the Hernando County Board of County  
8           Commissioners makes the following findings:

9           (a) The hospitals in Hernando County's jurisdiction (the "Hospitals")  
10           annually provide millions of dollars of uncompensated care to uninsured persons and  
11           those who qualify for Medicaid because Medicaid, on average, covers only 60% of  
12           the costs of the health care services actually provided by Hospitals to  
13           Medicaid-eligible persons, leaving hospitals with significant uncompensated costs;  
14           and,

15           (b) The State of Florida (the "State") received federal authority to  
16           establish the Statewide Medicaid Managed Care hospital directed payment program  
17           (the "DPP") to offset hospitals' uncompensated Medicaid costs and improve quality  
18           of care provided to Florida's Medicaid population; and,

1           (c)    Impacted Hospitals have asked Hernando County (the “County”) to  
2           impose an assessment upon certain real property owned by the Hospitals to help  
3           finance the non-federal share of the State's Medicaid program; and,

4           (d)    The only properties to be assessed are the real property sites of such  
5           Hospitals; and,

6           (e)    The County recognizes that one or more Hospitals within the County's  
7           boundaries may be located upon real property leased from governmental entities and  
8           that such Hospitals may be assessed, because courts do not make distinctions on the  
9           application of special assessments based on “property interests” but rather on the  
10          distinction of the classifications of real property being assessed; and,

11          (f)    The funding raised by the County assessment will, through  
12          intergovernmental transfers (“IGTs”) provided consistent with federal guidelines,  
13          support additional funding for Medicaid payments to Hospitals; and,

14          (g)    The County acknowledges that the assessed Hospital properties will  
15          benefit directly and especially from the assessment as a result of the above-described  
16          additional funding provided to said Hospitals; and,

17          (h)    The County has determined that a logical relationship exists between  
18          the services provided by the Hospitals, which will be supported by the assessment,  
19          and the special and particular benefit to the real property of the Hospitals; and,

1           (i) The County has an interest in promoting access to health care for its  
2           low-income and uninsured residents; and,

3           (j) Leveraging additional federal support through the above-described  
4           IGTs to fund Medicaid payments to the Hospitals for health care services persons  
5           directly and specifically benefits the Hospitals' properties and supports their  
6           continued ability to provide those services; and,

7           (k) Imposing an assessment limited to Hospital properties to help fund the  
8           provision of these services and the achievement of certain quality standards by the  
9           Hospitals to residents of the County is a valid public purpose that benefits the health,  
10           safety, and welfare of the citizens of the County; and,

11           (l) The assessment ensures the financial stability and viability of the  
12           Hospitals providing such services; and,

13           (m) The Hospitals are important contributors to the overall County's  
14           economy and the financial benefit to these Hospitals directly and specifically  
15           supports their mission, as well as their ability to grow, expand, and maintain their  
16           facilities in concert with the population growth in the jurisdiction of the County; and,

17           (n) The County finds the assessment will enhance the Hospitals' ability  
18           to grow, expand, maintain, improve, and increase the value of their facilities under  
19           all present circumstances and those of the foreseeable future; and,

1           (o) The County is proposing a properly apportioned assessment by which  
2           all Hospitals will be assessed a uniform amount that is compliant with 42 C.F.R. §  
3           433.68(d); and,

4           (p) This Ordinance enables the County to levy uniform non-ad valorem  
5           special assessments, which are fairly and reasonably apportioned among the  
6           Hospitals' properties within the County's jurisdictional limits, to establish and  
7           maintain a system of funding for IGTs to support the non-federal share of Medicaid  
8           payments, thus directly, and specially benefitting, Hospital properties.

9           **Sec. 15-18. - Purpose.**

10           The non-ad valorem special assessment authorized by this article shall be  
11           imposed, levied, collected, and enforced against Assessed Properties located within  
12           the County. Proceeds from the Assessment shall be used to benefit Assessed  
13           Properties through enhanced Medicaid payments for Local Services. When imposed,  
14           the Assessment shall constitute a lien upon the Assessed Properties equal in rank and  
15           dignity with the liens of all state, county, district, or municipal taxes and other non-ad  
16           valorem assessments. Failure to pay may cause foreclosure proceedings to  
17           commence, which could result in loss of title. The Assessment shall be computed and  
18           assessed only in the manner provided in this Ordinance.

1           **Sec. 15-19. - Alternative Method.**

2                   This Ordinance shall be deemed to provide an additional and alternative  
3                   method, as specified in § 197.3631, Fla. Stat., for the assessment and collection of  
4                   the non-ad valorem special assessment described herein. The Ordinance shall be  
5                   regarded as supplemental and additional to powers conferred by other laws and shall  
6                   not be regarded as in derogation of any powers now existing, or which may exist in  
7                   the future. This Ordinance, being necessary for the health, safety, and welfare of the  
8                   inhabitants of the County, shall be liberally construed to effect the purposes hereof.

17                  **Sec. 15-22. - Scope of Assessment.**

18                  (a)       Pursuant to § 125.01, Fla. Stat., the Board is hereby authorized to  
19                  create a non-ad valorem special assessment that shall be imposed, levied, collected,  
20                  and enforced against Assessed Property to fund the non-federal share of Medicaid

1 payments benefitting Assessed Properties providing Local Services in the County.  
2 Funds generated as a result of the Assessment shall be held in a separate account  
3 called the local provider participation fund and shall be available to be used only to  
4 (1) provide to the Florida Agency for Health Care Administration the non-federal  
5 share for Medicaid payments to be made directly or indirectly in support of hospitals  
6 serving Medicaid and low income patients and (2) reimburse the County for  
7 administrative costs associated with the implementation of the Assessment  
8 authorized by this Ordinance, as further specified in the Assessment Resolution.

9 (b) The Assessment must be broad based, and the amount of the  
10 Assessment must be uniformly imposed on each Assessed Property. The Assessment  
11 may not hold harmless any Institutional Health Care Provider, as required under 42  
12 U.S.C. § 1396b(w). The Assessment shall constitute a lien upon the Assessed  
13 Properties equal in rank and dignity with the liens of all state, county, district, or  
14 municipal taxes and other non-ad valorem assessments.

15 (c) The creation and implementation of the Assessment will not result in  
16 any additional pecuniary obligation on the County, Board, or County residents; the  
17 Assessment shall be imposed, levied, collected, and enforced against only Assessed  
18 Properties, and the Assessment Resolution shall provide that the County's  
19 administrative costs shall be reimbursed from the collected amounts. The County's  
20 administrative costs shall not exceed \$150,000. Any reasonable expenses the County

1 incurs to collect delinquent assessments, including any attorney's fees incurred by the  
2 County in seeking and enforcing the collection of delinquent assessments, are not  
3 subject to the limitation on administrative costs.

4 **Sec. 15-23. - Computation of Assessment.**

5 (a) The annual Assessment shall be specified for each Assessed Property.  
6 The Board shall set the Assessment in amounts that in the aggregate will generate  
7 sufficient revenue to fund the non-federal share of Medicaid payments associated  
8 with Local Services to be funded by the Assessment.

9 (b) The Assessment required of each Assessed Property may not exceed  
10 an amount that, when added to the amount of other hospital assessments levied by  
11 the state or local government, exceed the maximum percent of the aggregate net  
12 patient revenue of all Assessed Hospitals in the County permitted by 42 C.F.R. §  
13 433.68(f)(3)(i)(A). Assessments for each Assessed Property will be derived from data  
14 contained in hospital cost reports and/or the Florida Hospital Uniform Reporting  
15 System, as available from the Florida Agency for Health Care Administration.

16 **Sec. 15-24. - Petition and Assessment Resolution.**

17 (a) The Board, subject to the provisions of this section and upon a petition  
18 requesting the imposition of the Assessment, signed by at least 51 percent of the  
19 Property Owners and Institutional Health Care Providers within the County, may levy  
20 Assessments pursuant to this Ordinance.

1                   (1)     For each fiscal year the Petition shall set forth: (1) the  
2                   boundaries or other description sufficient to identify the Properties; (2) a brief  
3                   description of the service requested to be provided; (3) a legal opinion, that is  
4                   acceptable to the County Attorney's Office, from a duly licensed Florida attorney  
5                   stating that the imposition of the Mandatory Payment is lawful; and (4) an executed  
6                   release, in a form acceptable to the County Attorney's Office, wherein the Property  
7                   Owners and Institutional Health Care Providers state, among other things, that it  
8                   forever releases the County and its officers, employees, and agents from any and all  
9                   liability relating to the imposition of the Mandatory Payment. There shall be attached  
10                  to the petition and made a part thereof a brief description of the Property sufficient  
11                  to identify the property involved. There shall also be filed with the petition an  
12                  affidavit of corporate authority that establishes that those signing the petition are duly  
13                  authorized to sign the petition and to subject the Property to the levy and imposition  
14                  of the Mandatory Payment as provided in this article.

15                  (2)     Upon the County's receipt of a petition, the Assessment  
16                  Coordinator shall transmit one copy to the County Attorney's Office. If the County  
17                  Attorney's Office determines that the petition has been properly signed and complies  
18                  with the requirements of this section, the Assessment Coordinator shall prepare an  
19                  Assessment Resolution.

1                   (3)     The Assessment Resolution shall describe (a) the Medicaid  
2                   payments proposed for funding from proceeds of the Assessment; (b) the benefits to  
3                   the Assessment Properties associated with the Assessment; (c) the methodology for  
4                   computing the assessed amounts; and (d) the method of collection, including how  
5                   and when the Assessment is to be paid.

6                   **Sec. 15-25. - Non-Ad Valorem Assessment Roll.**

7                   The Assessment Coordinator shall prepare, or direct the preparation of, the  
8                   Non-Ad Valorem Assessment Roll, which shall contain the following: the names of  
9                   the Assessed Properties, the Assessment rate, and the amount of the Assessment to  
10                  be imposed against each Assessed Property based on the Assessment Resolution. The  
11                  Non-Ad Valorem Assessment Roll shall be retained by the Assessment Coordinator  
12                  and shall be open to public inspection.

13                  **Sec. 15-26. - Notice by Publication.**

14                  Upon completion of the Non-Ad Valorem Assessment Roll, the Assessment  
15                  Coordinator shall publish once in a newspaper of general circulation within the  
16                  County, a notice stating that the Board, at a regular, adjourned, or special meeting,  
17                  on a certain day and hour, not earlier than 20 calendar days from such publication,  
18                  will hear objections of all interested persons to approve the aforementioned Non-Ad  
19                  Valorem Assessment Roll. Such notice shall include:

20                  (a)     The Assessment rate;

1           (b)    The procedure for objecting to the Assessment rate;

2           (c)    The method by which the Assessment will be collected; and

3           (d)    A statement that the Non-Ad Valorem Special Assessment Roll is  
4           available for inspection at the Office of the Assessment Coordinator.

5           **Sec. 15-27. - Notice by Mail.**

6           (a)    In addition to the published notice required by Section 15-26, but only  
7           for the first fiscal year in which an Assessment is imposed by the Board against  
8           Assessed Properties, the Assessment Coordinator shall provide notice of the  
9           proposed Assessment by first class mail to the Assessed Properties. Such notice shall  
10          include:

11                   (1)    The purpose of the Assessment; and,

12                   (2)    The Assessment rate to be levied against each Assessed  
13           Property; and,

14                   (3)    The unit of measurement applied to determine the Assessment;  
15           and,

16                   (4)    The total revenue to be collected by the County from the  
17           Assessment; and,

18                   (5)    A statement that failure to pay the Assessment will cause a tax  
19           certificate to be issued against the property or foreclosure proceedings, either of  
20           which may result in a loss of title to the property; and,

1                   (6)    A statement that all affected and/or interested parties have a  
2                   right to appear at the hearing and to file written objections with the Board within 20  
3                   days of the notice; and,

4                   (7)    The date, time, and place of the hearing.

5                   (b)    Notice shall be mailed at least 20 calendar days prior to the hearing  
6                   to each Assessed Property at such address as is shown on the Assessment Roll.  
7                   Notice shall be deemed mailed upon delivery thereof to the possession of the United  
8                   States Postal Service. The Assessment Coordinator may provide proof of such notice  
9                   by affidavit. Failure of the Assessed Property to receive such notice, because of  
10                  mistake or inadvertence, shall not affect the validity of the Assessment Roll or  
11                  release or discharge any obligation for payment of the Assessment imposed by the  
12                  Board pursuant to this Article.

13                  **Sec. 15-28. - Adoption of Assessment Resolution and Non-Ad Valorem**  
14                  **Assessment Roll.**

15                  At the time named in the notice, the Board shall receive and consider any  
16                  written objections of interested persons. All objections to the Assessment Resolution  
17                  and Non-Ad Valorem Assessment Roll shall be made in writing and filed with the  
18                  Assessment Coordinator at or before the time or adjourned time of such hearing. At  
19                  the date and time named in the notice, the Board may adopt the Assessment  
20                  Resolution and Non-Ad Valorem Assessment Roll which shall:

1           (a)    Set the rate of the Assessment to be imposed; and,

2           (b)    Approve the Non-Ad Valorem Assessment Roll, with such  
3           amendments as it deems just and right; and,

4           (c)    Affirm the method of collection.

5           **Sec. 15-29. - Revisions to the Assessment Roll.**

6           The Board may revise the Non-Ad Valorem Assessment Roll during the  
7           Fiscal Year to modify the Assessment rate through the adoption of an additional  
8           Assessment Resolution, following the procedures described in Sections 15-24  
9           through 15-28, inclusive.

10          **Sec. 15-30. - Effect of the Assessment Resolution.**

11          (a)    The adoption of an Assessment Resolution shall be the final  
12          adjudication of the issues presented (including, but not limited to, the method of  
13          apportionment and Assessment, the Assessment rate, the initial rate of Assessment,  
14          the Non-Ad Valorem Assessment Roll, and the levy and lien of the Assessments),  
15          unless proper steps shall be initiated in a court of competent jurisdiction to secure  
16          relief within 20 days from the date of Board action on the Assessment Resolution.

17          The Non-Ad Valorem Assessment Roll shall be delivered to the Tax Collector or  
18          such other official as the Board by resolution shall designate.

19          (b)    For each year in which the majority of the Board does not vote to use  
20          the uniform method to collect the Assessments;

1                   (1)     The resolutions and assessment rolls shall be recorded in the  
2                   Official Records of Hernando County, Florida, and shall constitute notice to the  
3                   owners of any affected property, and their successors in title, of the pendency of a  
4                   special assessment lien upon the affected property.

5                   (2)     The Assessments shall be payable at the time and in the  
6                   manner stated in the Assessment Resolution. The Assessments shall remain liens,  
7                   coequal with the lien of all state, county, district and municipal taxes, superior in  
8                   dignity to all other liens, title and claims, until paid. Any Assessment not paid when  
9                   due and payable shall have added thereto a penalty at the rate of one percent per  
10                  month until paid.

11                  (3)     Upon the failure of any assessment, or installment thereof, to  
12                  be paid within one year of the date due and payable, the Board shall cause the  
13                  necessary legal proceedings to be brought by the County Attorney's Office to  
14                  foreclose the entire balance of the special assessment lien including penalties, court  
15                  costs and reasonable attorney's fees assessed as part of the foreclosure proceeding.  
16                  The foreclosure proceeding shall be prosecuted to a sale and conveyance of the  
17                  property involved in such proceeding as now provided by law in suits to foreclose  
18                  mortgages.

1           **Sec. 15-31. - Method of Collection.**

2                   The amount of the Assessment is to be collected pursuant to the method that  
3           is specified in the Assessment Resolution.

4           **Sec. 15-32. - Refunds.**

5                   If, at the end of the Fiscal Year, additional amounts remain in the local  
6           provider participation fund, the Board is hereby authorized to make refund to  
7           Assessed Properties in proportion to amounts paid in during the Fiscal Year for all  
8           or a portion of the unutilized local provider participation fund.

9           **Sec. 15-33. - Responsibility for Enforcement.**

10                   The County and its agent, if any, shall maintain the duty to enforce the prompt  
11           collection of the Assessment by the means provided herein. The duties related to  
12           collection of assessments may be enforced at the suit of any holder of obligations in  
13           a court of competent jurisdiction by mandamus or other appropriate proceedings or  
14           actions.

15           **Sec. 15-34. - Correction of Errors and Omissions.**

16                   No act of error or omission on the part of the Comptroller, Property  
17           Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or  
18           employees shall operate to release or discharge any obligation for payment of the  
19           Assessment imposed by the Board under the provision of this Chapter.

1           **Sec. 15-35. - Limitations on Surcharges.**

2                   Payments made by Assessed Properties under this article may not be passed  
3                   along to patients of the Assessed Property as a surcharge or as any other form of  
4                   additional patient charge.

5           **Sec. 15-36. - Limitations on Assessments.**

6                   This Assessment is authorized only based on the approval by CMS, and
