Honorable Chairperson and Members
Hernando County Board of County Commissioners
15470 Flight Path Dr.
Brooksville, FL 34604

Chairperson and Members:

We are pleased to present the Hernando County Recommended Budget for Fiscal Year 2025-26 to the Board of County Commissioners (BOCC) and the citizens of Hernando County. This budget was developed with input from County departments, senior staff, Constitutional Officers, and community feedback. It outlines funding for projects, programs, and policies established by the Board.

Budget Summary and Reserves

- **Total FY 2026 Budget:** \$956,338,363 (2.6% increase from FY 2025 Adopted Budget)
- **General Fund Reserves:** 23% (above policy minimum of 18.5%, under the 25% goal)
- **Ad-Valorem Rate:** Recommended to remain at **6.4490 mills**
- **Total Ad Valorem Property Tax Rate:** **14.8548 mills**

The capital expenditure and operating expenses decreased over the previous year's approved budget to minimize the overall budget increase.

I have included a chart of our neighboring Counties (Citrus, Pasco, Sumter) and two other counties (Clay and Charlotte) who are close in population and Taxable Value. Hernando is second lowest to Clay County at \$658 for Ad Valorem tax levied per citizen. In the table below, Hernando County is the 27th largest County and the 28th highest Ad-Valorem Tax rate per citizen.

Comparative data shows Hernando County maintains one of the lowest Total Ad Valorem tax rates among similar counties. Continued efficiencies and proper governance are necessary to maintain and improve this rate of taxation and level of service.

Revenue and Growth

The County is experiencing both residential and commercial development growth. This year saw a **taxable value increase of 11.31%**. While residential growth brings revenue, it also increases service demands. A balance with commercial growth is necessary to maintain the tax base in the county. We continue to see investment in apartments, retail, hospital expansions, and industrial facilities.

- Water and Wastewater plant improvements
- Roadway signals and sidewalks
- Technology and software upgrades

Capital Improvement Projects

The Capital Improvement plan for this year included a total of **\$195.6 million** in projects. The General fund portion of this is **\$6.4 million**.

These include a new Fire Station, maintenance of existing building (roofs, HVACs, parking lots), and various infrastructure improvements. Maintenance of existing assets remains a top priority for the capital improvement plan. Of the **\$6.4 million** in General Fund Capital Projects. **\$2,680,000** is from maintenance of facilities. Another **\$2,310,000** is for maintenance of the Jail funded from the Inmate Revenue that is generated by the Sheriff Office.

A Few of the new project that are included in this year's funding for capital improvements are:

- Kettering Road Widening (Gas Tax)
- Transit Facility for Bus (Federally funded)
- Ayers / Culbreath / Hayman Intersection Improvement (Gas Tax)
- Lockhart Road Resurfacing (Gas Tax)
- Landover Blvd Resurfacing (Gast Tax)

We also have multiple capital improvement projects that are nearing the completion of the design stage. These projects (Animal Shelter, Public Safety Training Center, Facilities Building, Weeki Wachee Preserve Park, Fire Station, Anderson Snow Recreation Fields, Inactive Runway resurfacing) have been discussed for a BOND with future payments from multi funding sources (Impact fees, Fire, EMS, Tourism Tax, General Fund). Using a long-term (30 years) Bond allows for future users of the improvement also to help fund the project, not just the citizens today.

Planning and Strategic Direction

The County is actively planning for future growth with several major planning initiatives underway or completed:

or increased. Rising property insurance costs also impact the budget due to added County assets and increased asset values.

Medical Examiner funding including equipment and facilities	\$ 781,935.00
Medicaid and Indigent Services (including burial)	\$ 4,102,381.00
Jail Medicals both adult and juvenile & Jail Operations	\$ 389,352.00
Department of Juvenile Justice	\$ 880,320.00
Emergency Operations Center (EOC)	\$ 843,733.00
Health Department	\$ 1,095,177.00
Jail Renovations	\$ 2,310,000.00
TOTAL	\$ 10,402,898.00

Staffing and Organizational Improvements

This budget recommends **55 new positions**. These position increases are to continue to meet the demand due to the growth in the community and the expected level of service.

- **General Fund (12.5)** – Library Services, Public Information, Code Enforcement, Procurement, Parks & Rec, Natural Resources, County Attorney, Facilities, Human Resources, Emergency Management and Housing Support Services
- **Building Division (2)**
- **Utilities (6)**
- **Fire & Emergency Services (31)** – staffing for additional station and succession plan for finance

Three Organizational improvements are requested:

This budget approves the combining of waterways and aquatic services, and sensitive lands into one division, the **Natural Resources Division**. This allows staff and resources to be used for all the activities and eliminate any divisional work silos.

Reclassification of the Chief Procurement Officer to the **Director of Procurement and Strategic Initiatives**, along with a new project manager position institute consistent project management Strategic Plan reporting across the County. This position will also manage the unfunded mandate of

Mission Statement

The mission of the Hernando County Department of Public Works is to provide safe transportation infrastructure for County citizens and visitors that promotes the efficient movement of people and goods, supports economic growth, and preserves the quality of life and connections to all communities within Hernando County.

Goals

County Engineering Department serves the people of Hernando County and the Board of County Commissioners by providing a transportation network that is well planned, supports economic growth, and has the goal of reducing congestion and accidents. Along with providing efficient services for Roadway Maintenance, Building Maintenance, Mass Transit, and Development Review.

Property Management will responsibly manage, acquire, lease and dispose of County owned real estate assets in a manner that ensures transparency, promotes efficiency, and protects the long-term interests of the County and its residents.

Administration Department provides the citizens of Hernando County with exceptional response regarding roadway, traffic and stormwater complaints. Efficiently support the Publics Works Department

Roads and Traffic Maintenance/Operations Department strives to provide positive response times and solutions to citizen concerns regarding asphalt repair and maintenance, Right of Way maintenance, drainage concerns, traffic signals, signs and markings.

Implementing cost saving measures while assessing the needs of Hernando County infrastructure to ensure essential services are provided at a level that aligns with the Public Works mission in the most efficient manner for the taxpayer.

Metrics & Performance

County Engineering Department provides Capital Improvement Projects, Road and Traffic Engineering design, watershed management, stormwater drainage, flood study data and Project Management for the Commission. There are currently 2,790 lane miles of roadway, ninety-three (93) operating traffic signals in the County. Sixty-two (62) intersections utilize camera detection, thirty (30) intersections utilize loops for detection and one (1) signal operates on a cycle. There are eighty-seven (87) school beacons that are wirelessly connected to the Traffic Control Center to optimize remote modifications to match the school calendar. The Department encompasses Stormwater Engineering, Pavement Management and Traffic Engineering and Engineering Development review.

Normal business hours are 7:30 a.m. – 4:30 p.m.

Property Management Department manages all acquisitions and dispositions of Hernando County owned real property, as well as overseeing leases for all non-airport related properties. Mapping services are provided to support stormwater, roadway projects and general property research. The Property Management Team regularly collaborates with multiple county departments to coordinate the procurement of Right of Entry documents, Easement Agreements and License Agreements.

Normal business hours are 7:30 a.m. – 4:30 p.m.

Administration Department addresses citizens communications, coordinates requests for service, and oversees all activities of the county engineering, facilities, roads and bridges, stormwater, traffic and mass transit departments. The Finance Division of the Administration department manages the financial aspects to fulfill the goals and objectives of the overall department including development and management of the annual operating and capital improvement

budgets within approved millage/tax rates, administration and compliance oversight of several State and Federal awarded grants for roads and sidewalks and the management and administration of Municipal Service Benefit Units that provide road paving, street lighting and other public maintenance/improvements requested by property owners beyond service levels provided by the County.

Normal business hours are 7:30 a.m. – 4:30 p.m.

Roads and Traffic Maintenance/Operations Department maintains more than 1,528 center line miles of paved roadways, 260 miles of unpaved roadways, 230 miles of concrete sidewalk, 40 miles of multi-use paths, signage, traffic control devices and streetscapes. Services are provided to maintain this infrastructure in a safe, economical and responsive manner.

Normal business hours are 7:00 a.m. – 3:30 p.m.

Mandates

- The Department of Public Works' revenue is funded through specific revenue fund sources that are legally restricted to transportation expenditures. Sources include Gas Taxes (regulated by State Statutes and County Ordinance), Ad Valorem and Non-Ad Valorem taxes (regulated by County Ordinance).
- The United States Environmental Protection Agency requires Owners/operators of regulated municipal separate storm sewer systems (MS4s) are required to develop, implement, and enforce a stormwater management program (SWMP). The focus of the stormwater management program is to reduce the discharge of pollutants from its Stormwater Infrastructure system and address program areas listed below.
 1. Public Education and Outreach
 2. Public Involvement/Participation
 3. Illicit Discharge Detection and Elimination (IDDE)
 4. Construction Site Stormwater Runoff Control Minimum Control
 5. Post-Construction Stormwater Management in New Development and Redevelopment.
 6. Pollution Prevention/Good Housekeeping
- Mass Transit is required to provide complementary ADA service with fixed routes per Federal Code of Federal Regulations (CFR) 49 CFR Part 37 Subpart F – Paratransit as a complement to fixed route service

Upcoming Needs

Additional funding, as Gas Tax Revenues are static and not adjusted for inflation. Additionally, electric vehicles do not pay gas tax therefore the county is working with less funding to provide maintenance on critical infrastructure.

As Hernando County continues to grow, there will be a need to expand the roadway infrastructure to accommodate this growth.

Gas Taxes

Constitutional Fuel Tax (2 Cents)

Article XII, Section 9(c), Florida Constitution

Sections 206.41(7)(a), 206.45, 206.47, 336.023, and 336.024, Florida Statutes

Pursuant to constitutional authorization and statutory implementation, a state tax of 2 cents per gallon on motor fuel is levied.¹ The first call on the tax proceeds is to meet the debt service requirements, if any, on local bond issues backed by the tax proceeds. The remaining balance, called the surplus funds, is also used, as necessary, to meet the debt service requirements on local bond issues backed by the surplus funds. Any remaining surplus funds are used for the acquisition, construction, and maintenance of roads.

County Fuel Tax (1 Cent)

Sections 206.41(1) and 206.60, Florida Statutes

The county fuel tax is levied on motor fuel at the rate of 1 cent per gallon. The proceeds are to be used by counties for transportation-related expenses, including the reduction of bonded indebtedness incurred for transportation purposes. It is the legislative intent that these proceeds be used for such purposes in order to reduce the burden of county ad valorem taxes. The proceeds are allocated to each county via the same formula used for distributing the Constitutional Fuel Tax.

Motor Fuel and Diesel Fuel Taxes

(Ninth-Cent and Local Option Fuel Taxes)

Sections 206.41(7)(d)-(e), 206.87(7)(b)-(c), 336.021, and 336.025, Florida Statutes

County governments are authorized to levy up to 12 cents of local option fuel taxes in the form of three separate levies. The first is a tax of 1 cent on every net gallon of motor and diesel fuel sold within a county. Known as the ninth-cent fuel tax, this tax may be authorized by an ordinance adopted by an extraordinary vote of the governing body or voter approval in a countywide referendum, and the proceeds are used to fund specified transportation expenditures. The second is a tax of 1 to 6 cents on every net gallon of motor and diesel fuel sold within a county. This tax may be authorized by an ordinance adopted by a majority vote of the governing body or voter approval in a countywide referendum, and the proceeds are used to fund specified transportation expenditures. The third tax is a 1 to 5 cents levy upon every net gallon of motor fuel sold within a county, and diesel fuel is not subject to this tax. This additional tax may be levied by an ordinance adopted by a majority plus one vote of the membership of the governing body or voter approval in a countywide referendum, and the proceeds are used for transportation expenditures needed to meet the requirements of the capital improvements element of an adopted local government comprehensive plan.

A countywide referendum to adopt, amend, or reenact any of these taxes must be held at a general election, as defined in s. 97.021, F.S. Furthermore, a referendum to reenact an expiring tax must be held at a general election occurring within the 48-month period immediately preceding the effective date of the reenacted tax, and the referendum may appear on the ballot only once within the 48-month period.

The Legislature has authorized the statewide equalization of local option tax rates on diesel fuel by requiring that the full 6 cents of the 1 to 6 cents fuel tax as well as the 1 cent ninth-cent fuel tax be levied on diesel fuel in every county even though the county government may not have imposed either tax on motor fuel or may not be levying the tax on motor fuel at the maximum rate.⁴ Consequently, 7 cents worth of local option tax revenue on diesel fuel are distributed to local governments, regardless of whether or not the county government is levying these two taxes on motor fuel at any rate.

Personnel services were all moved to Transportation Trust fund.

Operating Expense decreased due to movement of Utilities and Insurance to Transportation Trust Fund.

Capital Outlay and transfers decreased due to current projects requiring matches completing and newer projects being implemented in design phase.

Budget reserves increased as projects in design are scheduled to reach construction phase in the future.

Intergovernmental and Transfers decreased in revenue due to completion of grant projects.

Mass Transit

There are currently three types of public transportation services available to residents of Hernando County. The Hernando County Board of County Commissioners provides fixed-route and Americans with Disabilities Act (ADA) demand response service. Fixed-route service operates along a designated route with set stops on a predetermined schedule. ADA service provides curb-to-curb service (including a connection to the fixed route service) to eligible riders within 3/4 mile on either side of a fixed-route. ADA service is required when providing a fixed-route service. For additional information on the ADA service, eligibility requirements and/or how to apply for rider status, please visit the [ADA Service](#).

Transportation Disadvantaged Service is provided door-to-door for county residents that are unable to drive or do not have available transportation due to age, income or disability. The State's Commission for the Transportation Disadvantaged contracts with Mid-Florida Community Services Inc. d/b/a Trans-Hernando to provide this transportation service. To use this service, the rider will have to contact Trans-Hernando by calling (352) 799-1510.

Mission Statement

The mission of the Hernando County Department of Public Works is to provide safe transportation infrastructure for County citizens and visitors that promotes the efficient movement of people and goods, supports economic growth, and preserves the quality of life and connections to all communities within Hernando County. Mass Transit is part of achieving that mission.

Goal

The goal of Mass Transit is to provide safe and efficient public transportation to the citizens of Hernando County.

Performance & Metrics

Mass Transit operates TheBus providing targeted service delivery and efficient resource allocation enhancing accessibility and connectivity for all residents of Hernando County.

- Operates 6 current routes Monday through Saturday (Rt 1 – Red, Rt 2 – Blue, Rt 3 – Green, Rt – 4 Purple, Route 5 – Ridge Manor, and Route 6 – Micro Transit Brooksville Circulator).
 - We are adding Route 7 and 8 beginning June 2025, and Route 9 before September 2025. These additional 5 new routes will cover the major roadways in Hernando County and add additional ADA Service to each of them.
- Operated 201 days (to date)
- 5,433 ADA trips were provided, 51,626 total Miles
- 104,486 fixed route trips were provided, 441,167 total miles

Normal business hours are 8:00 a.m. – 4:00 p.m.

TheBus Operation hours are 6:00 a.m. – 8:00 p.m.

Standard Hours:

Normal business hours are 7:30 a.m. – 3:30 p.m.
Office hours are 7:30 a.m. – 4:00 p.m.

Mission

The mission of the Office of Floodplain Management is to protect lives, property, and the environment through proactive flood risk management, emergency preparedness, sustainable infrastructure development, and public education. We are committed to minimizing the impact of flooding by implementing innovative solutions, maintaining resilient drainage systems, and working collaboratively with communities and partners to enhance safety and resilience against flood-related hazards.

Metrics & Performance

The Office of Floodplain Management shall ensure timely and effective flood risk management through accurate hazard assessment, infrastructure maintenance, emergency response readiness, and community engagement. It is required to respond to flood events within defined timeframes, and coordinate recovery for citizens in a timely manner. The Office of Floodplain Management reviews and permits all homes in a special flood hazard area to ensure floodplain compliance as well as storm permitting after a major flooding event from a natural disaster.

Code Enforcement

Mission Statement

To ensure a safe, healthy, and desirable community by balancing the enforcement of codes and ordinances, while also considering the property rights of our residents.

What we do

We investigate a wide variety of potential Hernando County Code of Ordinance violations such as trash and debris, overgrown lots and improper watering. We utilize several different avenues to address code enforcement issues including: writing civil citations that are referred to a Special Magistrate, County Court intervention, and voluntary compliance. We seek voluntary compliance first, but, if necessary, will issue citations or take legal action.

Goals

The goal for our department is to increase compliance with code enforcement issues in the most efficient manner possible. Voluntary compliance by residents with our codes and ordinances is the fastest and most cost-effective method; therefore, it is prioritized.

Projects & Tasks Completed 24-25

In 2024 Hernando County Code Enforcement realized that they required a leadership change to ensure efficient operations, as a result a manager position was added with the new manager starting in January 2025. The new manager was tasked with identifying areas for improvement including operational efficiency.

Upcoming Projects of Interest to Citizens:

Beginning January 2025 Code Enforcement management evaluated all processes for efficiency. As a result of the evaluation leadership has determined that the Quasi-Judicial enforcement method utilized when violators are cited is extremely slow, manpower intensive and therefore expensive. After review it was determined that early compliance was the most efficient and least costly method to resolve code issues. At the request of Code Enforcement on June 24, 2025 the Board of County Commissioners approved a new compliance program that incentivizes voluntary compliance through waived or reduced fines. If compliance is not gained fines are proposed to rise to five hundred dollars (\$500) per violation from one hundred dollars (\$100). Revenue from the higher fine amount for non-compliance will offset the reductions offered to compliant offenders. Cases that gain early compliance will require significantly less staff time and eliminate salaries paid for the county attorney when cases go to court. Compliance will also eliminate payments Hernando County has to make to the Special Master (Quasi-Judicial official who hears code cases) to hear code cases.

Projects & Tasks Completed 25-26

- Revise, add, and update Standard operating procedures
- Add a second Special Magistrate

Mandates

Hernando County Code Enforcement is required to follow all mandates listed in Florida State Statute 162 regarding the manner and method in which code enforcement is carried out.

Upcoming needs

Hernando County Code Enforcement is in need of a more efficient records management system as well as supporting hardware and software to implement same. Hernando County is currently contracted with Tyler Technology to upgrade our records management system with a roll out date in early 2026. Hardware and software support for Tyler implementation is in the fiscal year 2026 budget.

HC Fire Rescue – Fire

Thank you in advance for your time in reviewing the following Hernando County Fire Rescue fiscal year 25/26 budget proposal. The recommendations outlined are some of the actions we can work on to realize our belief to provide the best service possible to residents of and visitors to the Hernando County.

The Hernando County Fire Rescue mission statement is *Hernando County Fire Rescue exists to provide high quality community-oriented fire, medical, and emergency services.* This statement truly shows the desire to take care of people, which is the ultimate mentality needed to be successful as a fire department.

Goals

We continue to empower those on our staff to analyze different components of training, operations, and equipment that has resulted in both increased financial responsibility in some areas and greater efficiency in others. We have assigned specific areas of responsibility to members of the department to ensure a continuous review and increased level of pride and ownership throughout the department. There is a vast amount of experience and knowledge within the fire department, and we are striving to use everyone's strengths as a strategic advantage to challenge the status quo in the fire service and empower those we serve to reduce fire and critical health risks.

We will be good stewards of allocated funds by regularly reviewing staffing needs, operational expenses, and planning for future capital purchases.

HC Fire Rescue – Rescue

Members of the Hernando County Board of County Commissioners,

Thank you in advance for your time in reviewing the following Hernando County Fire Rescue fiscal year 24/25 budget proposal. The recommendations outlined are some of the actions we can work on to realize our belief to provide the best service possible to residents of and visitors to the Hernando County.

The Hernando County Fire Rescue mission statement is *Hernando County Fire Rescue exists to provide high quality community-oriented fire, medical, and emergency services.* This statement truly shows the desire to take care of people, which is the ultimate mentality needed to be successful as a fire department.

Goals

We continue to empower those on our staff to analyze different components of training, operations, and equipment that has resulted in both increased financial responsibility in some areas and greater efficiency in others. We have assigned specific areas of responsibility to members of the department to ensure a continuous review and increased level of pride and ownership throughout the department. There is a vast amount of experience and knowledge within the fire department, and we are striving to use everyone’s strengths as a strategic advantage to challenge the status quo in the fire service and empower those we serve to reduce fire and critical health risks.

We will be good stewards of allocated funds by regularly reviewing staffing needs, operational expenses, and planning for future capital purchases.

HC Fire Rescue – Rescue line item increases are associated with allocation changes for expenses between the fire and rescue departments. This change aligns with applicable uses and better balances resource between the departments, when compared to the previous methodology. Reserves/Other sources have increased associated with setting aside funds for future capital projects/purchases and the need for additional fire/rescue locations.

Emergency Management

Thank you in advance for your time in reviewing the following Hernando County Fire Rescue fiscal year 24/25 budget proposal. The recommendations outlined are some of the actions we can work on to realize our belief to provide the best service possible to residents of and visitors to the Hernando County.

The Hernando County Fire Rescue mission statement is *Hernando County Fire Rescue exists to provide high quality community-oriented fire, medical, and emergency services*. This statement truly shows the desire to take care of people, which is the ultimate mentality needed to be successful as a fire department.

What we Do

- Maintain a public information function, including systems for public alert and warning (e.g., Alert Hernando).
- Promote awareness and preparedness for all hazards.
- Maintain operational readiness of the Emergency Operations Center.
- Facilitate disaster recovery and hazard mitigation programs for constituents and government stakeholders.
- Coordinate with municipalities, special districts, non-profits, private sector, and volunteer organizations.
- Integrate plans and support mutual aid agreements across jurisdictions.

Goals

We continue to empower those on our staff to analyze different components of training, operations, and equipment that has resulted in both increased financial responsibility in some areas and greater efficiency in others. We have assigned specific areas of responsibility to members of the department to ensure a continuous review and increased level of pride and ownership throughout the department. There is a vast amount of experience and knowledge within the fire department, and we are striving to use everyone's strengths as a strategic advantage to challenge the status quo in the fire service and empower those we serve to reduce fire and critical health risks.

- Enhance public outreach and education efforts
- Continue to refine emergency management planning initiatives
- Build a more resilient community through innovative mitigation strategies
- Maintain a comprehensive training and exercise program

We will be good stewards of allocated funds by regularly reviewing staffing needs, operational expenses, and planning for future capital purchases.

The following budget recommendations are respectfully submitted for your review and consideration.

Mosquito Control

What We Do

Our department uses a combination of methods to reduce mosquito nuisance and prevent disease. These include surveillance such as trapping, source reduction such as removing tires, biological and chemical control of breeding sites, and public outreach and education.

- **Integrated Mosquito Management**
 - Surveillance-trapping, landing rate counts, use chickens to surveil for disease, regular breeding site inspections
 - Control-biological and chemical control of all mosquito life stages
 - Source Reduction-remove or dump containers, tires and other breeding sources
 - Outreach/Education-regularly attend community events, speak at HOAs, schools, and community groups
- **Season is late April to Thanksgiving**
- **Off-season maintenance/repair of equipment, pre-treatments of stormwater structures, breeding site inspections**

Goals

1. Partnering with the school system, Scouts, 4-H club and others to be able to teach children about mosquitoes, what we do and career paths related to mosquito control.
2. Continue to respond to requests for service within 72 hours.

Metrics & Performance

As our department is primarily reactive to weather conditions and mosquito populations, the only metric that truly applies is our response time to service requests from the public, the goal is within 72 hours/three business days. For this calendar year, on average we are responding to requests in 1.3 days, in FY24 it was 2.1 days.

Accomplishments

We set 48 traps throughout the county and sample 35 sentinel chickens weekly during the season from April to November. Every winter we pre-treat thousands of stormwater structures to prevent breeding. So far this year we have treated 1,254, and 857 other sites. Pools of mosquitoes (maximum 50) are tested by our lab each week. Participated in a study with University of South Florida that resulted in a publication in the Journal of Medical Entomology.

Key Projects

While we do not have our own CIP plan, we're hoping to be part of the county's CIP in finding our own facility that better suites our needs. Purchase and deploy an outreach/education trailer for events and festivals.

Mission

To provide assistance and resources through state mandates, contracts, grants, direct services, collaborative efforts, and advocacy and coordination to help residents maintain or enhance their quality of life.

Metrics & Performance

Housing and Supportive Services is a multifaceted department that is responsible for unfunded mandates and contracts that serves as a safety net for access to necessary emergency physical and mental health services for uninsured or under insured residents, which include Medicaid Cost Sharing, activities of the Health Care Responsibility Act, Mental Health and Substance Abuse Crisis Stabilization, Initial costs of the physical examination of allegedly abused or neglected children and financial responsibility of arrested persons, and contracting with Florida Department of Health. Also as mandated we ensure a dignified disposition of human remains for those who are financially unable and provide financial support for secure juvenile detention.

The department also aids in the development of viable communities by creating and preserving decent attainable housing, a suitable living environment and expanding economic opportunities principally for low- and moderate-income persons through various grants and settlements, like the Community Development Block Grant, Home Investment Partnership, State Housing Initiative Partnership Program, Opioid Settlement funding.

We coordinate and advocate for additional or more effective services through networking, community partnership, collaborations, and research.

What we do

Counties are responsible for the final disposition of unclaimed or indigent bodies not accepted by the anatomical Board. By BOCC resolution or ordinance in accordance with applicable laws and rules, prescribe policies and procedures for the burial or cremation of the uncliams remain of an indigent person whose death occurred or who remains were found in the county. In addition, we determine identity, locate and contact any relatives or next of kin, determine whether the deceased person is eligible for burial in a national cemetery as a veteran of the armed forces and if eligible cause remains to be delivered to a national cemetery.

Goal

Provide for burial or cremation services in a safe and dignified manner. For cost effectiveness, Hernando provides Cremation services unless court ordered. We also provide information about alternative resources to reduce and recoup costs.

Affordable Housing

What we do

Administers state and federally funded housing programs, which consist of home repairs and improvements, provide subsidies through local non-profit developers to first time home buyers for down payments assistance, construction costs, coordinated grant awards to affordable housing developers for rehabilitation and/or new construction of homes for very low and special needs families as well as for affordable rental developments. We also provide assistance to households following a disaster as declared by Executive of the President of the United States or the Governor of Florida.

Goal: Dedicated to increasing and preserving the quantity and quality of housing for all Hernando County residents. It is our goal to provide citizens, particularly those with very low to moderate incomes, with strong, diverse, and viable housing options.

Accomplishments

- 28 Unit Homeownership Development (Habitat for Humanity Tampa Bay Gulfside)
- 69 individual households served with State Housing Initiative Partnership as January 2025
- Through Down payment Assistance, Emergency Repairs, and Owner-Occupied Rehabilitation.
- Provided funds to aid to leverage additional funding for the development of Summit Villas which will provide up to 76 rental units for Seniors
- 3 Homeownership Development Opportunities (U Thrive Florida)

Kass Circle Neighborhood CRA

What We Do

The Kass Circle Revitalization program was established to implement the Kass Circle Redevelopment Plan as adopted by the Board of County Commissioners in 2019. The plan allows the Kass Circle community to regain a sense of identity and restore community culture, while addressing critical community concerns such as economic development, housing and homelessness, community identity and community-oriented policing and completing key capital improvement projects to enhance the community.

Goals

The Kass Circle Redevelopment Area is to revitalize existing neighborhoods by redeveloping existing key capital improvement projects, existing buildings and properties that are blighted and/or under-utilized. Redevelopment activities create jobs and expand business opportunities, provide housing for families, help reduce crime, improve infrastructure and public works, and conduct clean-up on up environmentally threatened and rundown areas.

Key Projects

Spring Hill Drive Safety Improvements - Signage and Wayfinding - Landscape Enhancement - Residential Road Paving - Utilities Improvements - Community Park initiatives - Sidewalk improvements

Health Unit Trust Fund

County health departments are a state-local partnership. Florida Health General Provisions are covered by Chapter 381.F.S. The Role is to be the state's leading advocate for wellness and disease prevention. To enable Counties to provide public health services and maintain public health equipment and facilities, each county in the state with a population exceeding 100,000 may levy an annual tax not exceeding 0.5 mill.

Core Services include Infectious Disease Prevention and Control, Basic Family Health Care Services, Environmental Health Services. The County Health Departments are supported by a variety of revenues including state funds, county funds (through Health Unit Trust Funds), federal funds, fees, Medicaid, grants and contracts.

Goals

To protect, promote and improve the health of all people in Florida through integrated, state, county, and community efforts.

Indigent Care

What We Do

State Mandate – Medicaid Reimbursement F.S. 409.915

State Mandate – Health Care Responsibility Act F.S. 154-.301-.316

Accomplishments

Medicaid - Although the State is responsible for the full portion of the state share of matching funds required by Medicaid programs, the state charge the counties an annual contribution. The total annual contribution shall be the total contribution for prior FY adjusted by the percentage change in the State Medicaid expenditures determine by the Social services Estimating Conference.

HCRA - Counties are required to subsidize the cost of their indigent residents treated in participating out of county hospitals. Any hospital admitting or treating any out of county patient who may qualify as indigent shall within 30 days notify the county known or though to be the county of residency of such admission or forfeit their reimbursement.

Medical Examiner

What We Do

The Medical Examiners Act, [Chapter 406, Florida Statutes](#), was enacted by the 1970 Legislature in order to establish minimum and uniform standards of excellence in statewide medical examiner services.

The Districts 5 & 24 Medical Examiner's Office serves the people of six counties in Central Florida. District 5, which mirrors the Fifth Judicial Circuit, includes Citrus, Hernando, Lake, Marion, Seminole, and Sumter Counties. The District covers approximately 4,700 sq. miles in Central Florida and has a population of approximately 1,090,000 people. District 24 encompasses Seminole County, part of the 18th Judicial Circuit, has an additional population of approximately 460,000.

The Office is comprised of a staff of board-certified forensic pathologists, medicolegal death investigators, forensic autopsy technicians, an experienced forensic records coordinator and an in-house transport staff, as well as administrative and other support staff.

Florida's District Medical Examiners are appointed by the Governor based upon recommendations of the Florida Medical Examiner Commission. District Medical Examiners serve at the pleasure of the Governor and are appointed for three year terms. District Medical Examiners may be appointed to additional, consecutive terms.

A medical examiner is a physician trained in the specialty of forensic pathology. It is the Medical Examiner's duty to determine the cause and manner of death in those cases in which the Medical Examiner's Office accepts jurisdiction.

Key Projects

Construct a new facility that will be able to be utilized to serve the District's growing populations. Current Facility is located in Leesburg and was built in 1999.

Tourist Development Tax

Mission Statement

The Hernando County Tourist Development Department and Tourist Development Council will identify, create, support, and enhance activities, consistent with community assets that increase visitation and provide local economic impact.

What we Do

The Tourism Development Department markets Florida's Adventure Coast, Brooksville – Weeki Wachee as a destination for visitation and film to drive positive economic impact. We work to increase visitor spending, provide tax relief to residents as visitors generate and pay taxes, and to create an environment for local businesses to grow and add jobs.

Goals

- Increase visitation, while targeting the environmentally conscious consumer.
- Develop a sustainability program for partners and visitors to encourage responsible business practices and visitation, with an emphasis on preservation of our natural resources.
- Increase social media reach and engagement.
- Increase website engagement by developing additional content and creating special landing pages per media campaign.
- Continue to expand The Mermaid Tale Trail.

Performance & Metrics

Key performance metrics include Tourist Development Tax (TDT) collections, lodging KPIs which include Occupancy, Average Daily Rate (ADR), Revenue per Available Room (RevPAR) and Revenue.

Metric	FY 2025 Year-to-Date (as of 6/11/25)	Increase/Decrease
TDT Collections	\$2,270,571	45%
Hotel Occupancy	84%	8%
Hotel ADR	\$155	10%
Hotel RevPAR	\$129	19%
Hotel Revenue	\$14.1 M	18%
Short Term Rental Occupancy	36%	5%
Short Term Rental ADR	\$199	6%
Short Term Rental RevPAR	\$72	11%
Short Term Rental Revenue	\$21.3 M	16%

Projects & Tasks Completed 24-25

- Sold and unveiled 10 new mermaids on The Mermaid Tale Trail.
- Implemented a Partner Portal, allowing partners in the destination to access information on sales and marketing programs, co-op advertising opportunities, grant funding programs, FAM Tour participation guidelines, economic impact data, tax collections, social media sites and hashtags, and research and data to help with their individual marketing.
- Created a Hurricane Recovery Program highlighting local businesses as they recovered from the hurricanes and re-opened their businesses.

Supporting 13 events with Tourist Development Special Events Grants and Event Promotion Videos.

Created an award-winning 30 second commercial as part of sponsorship of Discraft Supreme Flight Open disc golf tournament.

Produced 82 videos highlighting our partners and special events in the destination, posted on YouTube, Facebook and Instagram, and distributed in our email newsletters.

Attended two consumer travel shows and one media meet-up event.

Hosted five FAM Tours with Influencers from the US and Germany.

Hosted four live remote television news broadcasts to promote specific businesses and events as well as hurricane recovery in Hernando Beach.

Added a current news feed to FloridasAdventureCoast.com, allowing for both additional content, improved SEO and enhanced listening ability for how the destination is performing in the marketplace.

Implemented a new social media posting tool, allowing for more efficient posting, enhanced listening within the social media space and comparisons and tracking of performance against competitors.

Currently engaged in an RFP for a marketing/advertising agency. Plans include a redesign of all collateral as well as a refined media plan.

Upcoming Projects of Interest to Citizens

Continued expansion of The Mermaid Tale Trail.

Development of additional website content on FloridasAdventureCoast.com to highlight and promote each neighborhood within the County. Content will include notable attractions, whether natural or man-made, business listings, and highlights of what to do in each community.

Operating expenses are down due to the projects we completed last year which are not recurring. We purchased two information kiosks, have been asked to purchase one this year for the Preserve project, all programming complete. Also, no scheduled batch of Mermaid Statues to be deployed. Transfers to other Funds is up due to increases in Insurance (Liability for Chinsegut)

Budget reserves are down due mainly to the CIP project in the Destination Development category, though I did reduce the M&O reserves slightly to balance the budget (all my county expenses and allocations will be up, personnel is up, insurance is up)

Mission Statement

The Parks and Recreation Department is responsible for providing safe, clean and functional Parks and recreation facilities, and to assist in the planning and development of new and improved facilities to meet continued growth within the County. We are committed to fulfilling our mission through visionary leadership, individual dedication, and the responsible use of our available resources.

What we do

The Parks & Recreation Department operates and maintains 26 parks, boat ramps and preserves. Our parks provide passive and active recreation opportunities for people of all ages and abilities. Hernando County parks feature facilities that support organized sports such as flag football, soccer, softball, and baseball. Other activities we provide facilities for are pickleball, handball, and basketball. Passive recreation opportunities include walking trails at parks as well as in our nature preserves. Our Recreation Department coordinates the use of athletic fields with local sports leagues, oversees the rentals at two community centers, and promotes community events such as the Father Daughter Dance and Camp Funshine.

Goals

Hernando County Parks & Recreation strives to enhance the quality of life for citizens and visitors by providing diverse recreational opportunities, and to continue to grow our park system to meet current and future needs.

Personnel Services increased due to wage allocation updates and applicable fringe. Operating expense increased due to CIP 107900 Pine Island Sea Wall (Design @ \$100k) and \$900k construction in FY26. There was also increased costs associated with mowing and temp labor. Capital Outlay has decreased due to reduced number of capital improvement projects for FY26. Charges for Services revenues are due to reallocation of where revenue is recognized for concessions and special events. Parks & Rec is allowing the County's partners to handle the special events such as Red, White and Brew. Other Sources decreased due to Purchase Orders carried over from FY24 to FY25. Purchase Orders will be carried over from FY25 to FY26 in FY26.

Natural Resources

Aquatic Services & Waterways and Environmental Sensitive Lands are being merged in FY26 to create Natural Resources.

The Natural Resources Department has two main set of responsibilities: Environmental Sensitive Lands and Aquatic Service & Waterways Management

Environmental Sensitive Lands -The management of five County-owned or managed preserves: Chinsegut Hill, Cypress Lakes, Fickett Hammock, Lake Townsen, and Peck Sink. Because many of the preserves adjoin or are in close proximity to other conservation lands, they additionally serve as important components of a regional and statewide network of conservation areas.

Aquatic Services & Waterways Management – The maintenance of the County’s network of aids-to-navigation, docks, boat ramps piers, lights, signage, and buoys consistent with state and federal regulations, aquatic plant harvesting, and artificial reef and marine habitat enhancement/restoration activities.

UF/IFAS County Extension

The University of Florida's Institute of Food and Agricultural Sciences (UF/IFAS) Extension Hernando County is a federal, state, and county partnership dedicated to developing knowledge in agriculture, human and natural resources, and the life sciences and to making that knowledge accessible to sustain and enhance the quality of human life.

There are Extension offices in all 67 counties of Florida. Here at UF/IFAS Extension Hernando County, we have five faculty members (or agents), two multi-county faculty, and two support staff. Each faculty member specializes in a different program area, suited for their clientele within Hernando. Faculty specialize in 4-H Youth Development, financial management, residential horticulture, commercial horticulture, marine science, natural resources, agriculture, urban pest management, livestock, and sustainable agriculture and food systems.

Mission Statement

The mission of UF/IFAS Extension is to partner with communities to provide quality, relevant education and research-based expertise to foster healthy people, a healthy environment, and a healthy economy.

Who We Are

Extension is a partnership between state, federal and county governments to provide scientific knowledge and expertise to the public. At the University of Florida, Extension is located in the Institute of Food and Agricultural Sciences (IFAS), along with the College of Agricultural and Life Sciences (CALs) and the Florida Agricultural Experiment Station and is called UF/IFAS Extension. UF/IFAS Extension encompasses thousands of Extension faculty members, scientists, educators, administrative staff, and volunteers, all working to provide solutions for your life.

What we Do

UF/IFAS Extension is the outreach arm of UF/IFAS, providing scientific research and teaching accessible and ready-to-use for everyone. UF/IFAS Extension offers services, such as classes, consultations, demonstrations, educational materials, field days, meetings, and workshops.

Goals

To provide science-based education and information to help individuals, families, and communities make informed decisions and improve their lives in areas such as agriculture, natural resources, youth development, and human well-being.

Restore Act Fund

Overview

On April 20, 2010, the Deepwater Horizon, an oil rig drilling in the Gulf of Mexico, exploded causing the largest offshore oil spill in the United States. Oil flowed unchecked for three months and millions of barrels of crude oil were released before the well was capped. The disaster led to thousands of square miles of federal waters closed to fishing and caused extensive damage to marine and wildlife habitats and tourism.

On July 6, 2012, the President signed into law the Federal Resources and Ecosystems Sustainability, Tourist Opportunities and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act). This act aims to hold the parties responsible for the Deepwater Horizon oil spill disaster accountable for restoring the Gulf of Mexico's environmental and economic recovery.

Goals

The RESTORE Act established the Gulf Coast Restoration Trust Fund to be held by the U.S. Treasury Department. Eighty percent of the administrative and civil penalties paid after July 6, 2012, under the Clean Water Act in connection with the Gulf oil spill will be deposited into the Trust Fund and invested in programs, projects and activities that restore and protect the environment and economy of the Gulf Coast region.

Board of County Commissioners

The Board of County Commissioners (BOCC) serves as the chief legislative body for Hernando County. The Board convenes on the first, second and fourth Tuesdays of each month at 9 a.m., with the first Tuesday set as Land Use Meetings. The Board meets in the John Law Ayers room located on the first floor of the Government Center at 20 North Main Street in Brooksville.

The five County Commissioners are elected to four-year terms by voters at large and represent the geographical district in which they reside. The Board is responsible for approving the county budget, adopting local ordinances and resolutions, and setting policies that ensure the health, safety, and welfare of Hernando County residents.

The specific duties of the Commissioners are outlined in Chapter 125, Florida Statutes. Additionally, the Board acts as the Governing Board for the Hernando County Water & Sewer District, which provides water and sewer services to residents in the unincorporated areas of the county.

Goals

Hernando County Government is dedicated to fostering a community known for its stability and excellence by:

- Managing public business in a responsive and efficient way.
- Protecting and enhancing public assets for future generations.
- Ensuring a safe and healthy environment for all residents.
- Encouraging continuous improvement through proactive communication and collaboration, both within the organization and with the community.

Personnel Services increased due to state mandated increase of elected official salaries and Florida Retirement Systems, along with temporary employees to assist with the ERP implementation. Operating Expenses decreased due to implementation of strategic plan and hardware replacement in FY25. Project designs completing in the prior year also impacted the reduction. Capital Outlay decreased due to the Tax Collector Annex Building and ERP Software implementation projects being completed & encumbered in FY25. Charges for Services revenues is cost allocation charged to all non-general fund departments for assistance from Central Services departments. Other Sources in FY25 was associated with consolidating the General Fund Projects fund into the BOCC department and that amount was the applicable project encumbrance.

County Attorney's Office

Mission Statement

To provide high-quality, timely, professional, and cost-effective legal representation to the Board of County Commissioners, and to other Officials of Hernando County as directed by the Board.

What We Do

The County Attorney is appointed by the Board of County Commissioners and is responsible for providing legal services, counsel, and representation to the Board of County Commissioners, County Departments and Staff, as well as various boards and committees organized under the Board of County Commissioners.

Legal services include drafting, preparing, and reviewing legal documents such as ordinances, resolutions, contracts, agreements, and memorandums. The County Attorney represents the Board of County Commissioners in outside litigation and manages the County's lobbying service providers.

When called upon, and where no conflict of interest exists, the County Attorney provides legal assistance to other Constitutional Officers of the County.

Goals

To continue providing high-quality, timely, professional, and cost-effective legal representation to the Board of County Commissioners and to other Officials of Hernando County as directed by the Board.

Metrics & Performance

The County Attorney's Office measures its productivity by three primary methods. First, the amount of time is tracked that attorneys spend when researching and then responding to the legal requests (LRs) that are submitted by county departments, Constitutional Officers, and the Board of County Commissioners. Second, the amount of time spent, and costs incurred, by our attorneys and paralegals when litigating cases, both those in court and those before administrative/quasi-judicial agencies (e.g., DOAH, Special Master, etc.). Third, the amount of time is tallied that attorneys and paralegals spend in meetings (e.g., public meetings, internal staff meetings, etc.).

Projects & Tasks Completed 24-25

Aside from legal requests, figures for other tasks have not yet been calculated for FY 24; however, the counts are not anticipated to greatly vary from totals in FY 23-24.

- Number of LRs completed thus far this fiscal year is 1,347 (2,367 when weighted for complexity for cost allocation purposes). The total in FY 23-24 was 1,994 (2,985 weighted).
- Represented the County and its Constitutional Officers in 139 court cases in FY 23-24.
- Represented the County and its Constitutional Officers in 3,832 quasi-judicial/administrative cases.
- Spent 896 hours attending meetings in FY 23-24.

Upcoming Projects of Interest to Citizens

The County Attorney's Office does not undertake projects, but instead, assists county departments, Constitutional Officers, and the Board of County Commissioners in completing their respective projects.

Mandates

There are no separate funding sources, per se, for the work that the County Attorney's Office performs.

Upcoming Needs

The County Attorney's Office needs an additional paralegal position to perform administrative tasks that support the enforcement activities undertaken by the Hernando County Sheriff's Office's Animal Enforcement Unit. These tasks used to be performed by County personnel working at the Animal Shelter. Also, given Administration's decision to move away from the LIONS programs, replacements will be needed for the LR database as well as BLDYSY for code violations

issued by those entities who will not be participating in the new Tyler program (e.g., HCSO parking tickets, Animal code offenses, and Fish & Wildlife citations).

Local Provider Participation Fund (LPPF)

The Local Providers Participation Fund (LPPF) rate that was established with Ordinance 2021-16. There is no direct budgetary impact to Hernando County, as the funds just pass through from the local hospitals to the County and then to the State. The State then coordinates the disbursement of those funds from there.

Hospitals in Hernando County’s jurisdiction, annually, provide millions of dollars of uncompensated care to uninsured persons and those who qualify for Medicaid. Medicaid, on average, covers only 60% of the costs of the health care services actually provided by Hospitals to Medicaid-eligible individuals, leaving hospitals with significant uncompensated costs.

The State of Florida received federal authority to establish the Statewide Medicaid Managed Care Hospital directed payment program (the “DPP”) to offset hospitals’ uncompensated Medicaid costs and improve quality of care provided to Florida’s Medicaid population. Hospitals have asked Hernando County to impose a non-ad valorem special assessment upon certain real property interests held by the Hospitals to help finance the non-federal share of the State’s Medicaid program. The only real properties that will be subject to the non-ad valorem assessments authorized herein are those belonging to the Hospitals.

American Rescue Plan

The American Rescue Plan provided \$350 billion dollars in emergency funding for state, local, territorial, and Tribal governments to remedy this mismatch between rising costs and falling revenues. This includes:

- \$195 billion for states, (a minimum of \$500 million for each State);
- \$130 billion for local governments (a minimum of \$1.25 billion per state is provided by the statute inclusive of the amounts allocated to local governments within the state);
- \$20 billion for tribal governments; and
- \$4.5 billion for territories

The Rescue Plan provided needed relief to state, local, and Tribal governments to enable them to continue to support the public health response and lay the foundation for a strong and equitable economic recovery. In addition to helping these governments address the revenue losses they have experienced as a result of the crisis, it helped them cover the costs incurred due responding to the public health emergency and provide support for a recovery – including through assistance to households, small businesses and nonprofits, aid to impacted industries, and support for essential workers. It also provided resources for state, local, and Tribal governments to invest in infrastructure, including water, sewer, and broadband services.

On March 11, 2021, the American Rescue Plan Act was signed into law and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Fund which together make up the Coronavirus State and Local Fiscal Recovery Funds (“SLFRF”) program. This program is intended to provide support to State, territorial, local, and Tribal governments in responding to the economic and public health impacts of COVID-19 and in their efforts to contain impacts on their communities, residents, and businesses.

On May 20, 2021, Hernando County received the first half of the allocation in the amount of \$18,833,344.00. May 2022, Hernando County received the second half of the allocation in the amount of \$18,833,344.00. In collaboration with the Balmoral Group, the County has created a list of projects using the following five statutory categories:

1. To respond to the COVID-19 public health emergency or its negative economic impacts.
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to such eligible workers of the recipient or by providing grants to eligible employers that have eligible workers who performed essential work.
3. For the provision of government services, to the extent of the reduction in revenue of such recipient due to the COVID-19 public health emergency, relative to revenues collected in the most recent full fiscal year of the recipient prior to the emergency.
4. To make necessary investments in water, sewer, or broadband infrastructure.
5. Provide Revenue Replacement for minimizing future debt service for citizens.

Chinsegut Hill

At its January 28, 2020 regular meeting, the Board of County Commissioners unanimously voted to approve public/private partnerships between Hernando County Government, the Tampa Bay History Center and Mid Florida Community Services, Inc. to enter into license agreements for the use and operation of specified portions of the historic Chinsegut Hill property located at 22495 Chinsegut Hill Road in Brooksville.

As part of this partnership, Mid Florida Community Services, Inc. (MFCS) will use and operate the conference center, dining hall, classroom, caretaker's house, cottages and related facilities for events and activities such as retreat lodging, weddings, trainings, conferences, retreats and community events. MFCS plans to utilize any and all profits to supplement services and activities administered to the low-income and/or vulnerable populations of Hernando County.

"As a sixth generation Floridian, I know how important it is to preserve the history of Chinsegut Hill for the residents of the state of Florida and Hernando County. Returning Chinsegut Hill to full operations will be a huge win – allowing the people of Hernando County to access, visit, and utilize this property is key to future success," said Mid Florida Community Services, Inc. CEO Michael Georgini. "I appreciate the Board of County Commissioners' support and appreciate their confidence in Mid Florida Community Services. I look forward to this partnership, and what it will do for Hernando County."

The Tampa Bay History Center (TBHC) will use and operate the Manor House for events and activities such as tours, weddings, trainings, conferences, photograph and artist events, interpretive and educational programs and community events. TBHC wishes to increase its geographic impact and expand its preservation efforts by providing curatorial and interpretive services to ensure Chinsegut Hill's history is preserved and shared with the public. TBHC will provide cataloging, condition assessments and care of the contents of the Manor House, operate the Manor House as a museum and host special events. TBHC will be developing and providing materials highlighting Chinsegut Hill's history, organizing and training of volunteer docents and working with the County in promoting and preserving the Chinsegut Hill Manor House.

"The Tampa Bay History Center's ability to tell the stories of this historic and beloved Hernando County landmark and Mid Florida Community Services' ability to showcase and share the property with the community is something we are most excited for," said Hernando County Administrator Jeff Rogers. "The expertise and available resources these two organizations can provide will help propel Chinsegut Hill into a positive a healthy future."

Dori Slosberg Driver Ed

Dori Slosberg Driver Education Safety Act. FS 318.1215—Notwithstanding the provisions of s. 318.121, a board of county commissioners may require, by ordinance, that the clerk of the court collect an additional \$5 with each civil traffic penalty, which shall be used to fund driver education programs in public and nonpublic schools. The ordinance shall provide for the board of county commissioners to administer the funds, which shall be used for enhancement, and not replacement, of driver education program funds. The funds shall be used for direct educational expenses and shall not be used for administration. Each driver education program receiving funds pursuant to this section shall require that a minimum of 30 percent of a student’s time in the program be behind-the-wheel training. This section may be cited as the “Dori Slosberg Driver Education Safety Act.”

Non-Ad Val Bond Series 2022

Hernando County has several infrastructure and capital projects planned in the near future to meet current demand and future growth. Approval of the Series 2022 Bond Resolution allowed the County to issue debt to acquire the funds needed for these projects. The initial estimated costs for the projects with this bond issuance was as follows:

<u>Project</u>	<u>Estimated Total Cost</u>
<u>Estimated Bond Proceeds</u>	
Judicial Center Renovation	\$ 22,000,000
\$ 9,000,000	
Fire Station No. 2	\$ 7,000,000
\$ 7,000,000	
SW Landfill Cell No. 4	\$ 29,000,000
\$ 21,000,000	
Tax Collector Westside Location	\$ 15,000,000
\$ 15,000,000	
Totals	\$ 73,000,000
\$ 52,000,000	

The project costs in excess of the amount borrowed are being funded with cash on hand. Per Debt Management Policy 41-01, the County Department, County Administration, Budget Director, the Clerk of Court's Financial Services Department, and the County's Financial Advisor have determined that the best instrument for these borrowings is the 30-year Non-Ad Valorem Revenue Bonds, Series 2022.

Non-Ad Valorem Bond Series 2022 (Fund 2083) is a debt-focused fund that exclusively tracks debt payments until the obligation is fully repaid.

The debt service amount decreases in FY26 because the solid waste portion of the payment will be made directly from the solid waste fund, rather than through Fund 2083. However, the full applicable payment amount is still reflected in the summary above.

Non-Ad Val Rev Note 2012

Non-Ad Val Rev Note 2012 (Fund 2081) is a debt related department that solely tracks the debt payments until the debt is paid in full. The debt schedule below shows that the payments end in calendar year 2028.

Public Information Office

Mission Statement

The Public Information Office uses a multimedia approach to provide accurate, relevant and timely information to the public about Hernando County events, news, programs and services. If threatening weather situations and other types of public emergencies arise, the Public Information Office works together with the appropriate agencies to ensure that up-to-date information is provided via our website, social and news media.

What we do

The Hernando County Public Information Office is committed to fostering transparency, open communication, and public trust by ensuring residents have easy access to accurate and timely information about their local government. This office manages a comprehensive multimedia communication strategy that includes operating the County's official website, engagement platforms, and various social media channels. Through these outlets, the Public Information Office keeps the public informed about County news, events, services, programs, and initiatives. It also plays a key role in facilitating citizen engagement by managing the County's engagement page and responding to public records requests in accordance with Florida's Sunshine Laws. In times of severe weather or other public emergencies, the office collaborates closely with emergency management and other agencies to disseminate critical updates through all available channels, including the website, social media, and local news outlets. By promoting open government and accessible communication, the Public Information Office serves as a vital link between Hernando County and its residents.

Goals

- Strengthen communication between residents and County departments to foster transparency, trust, and accessibility. Respond to public records request in an efficient and timely manner.
- Actively engage the community in County projects and initiatives by providing clear, consistent updates and inviting public input through multiple media platforms.
- Empower citizens with the information they need to participate in local government and stay informed about programs, services, and developments that impact their daily lives through programs such as EngageHernando.com and the Citizens' Academy.

- Veteran's Memorial Monument Ceremony
- New Bus Route Videos

Upcoming Needs

To strengthen public communication, enhance government transparency, and meet the growing expectations of our residents, the Office of Public Information is requesting the creation of a Director of Communications and Government Affairs position. This position would lead strategic messaging, oversee interdepartmental coordination, and serve as a key liaison between the County and government entities in the State of Florida. Additionally, a new mobile-responsive County website is essential to improve accessibility, ensure timely updates, and meet modern digital standards, especially during emergencies. Lastly, the public information office is launching a Citizens' Academy—a free educational program designed to foster civic engagement by providing residents with a behind-the-scenes look at how local government operates. Together, these initiatives will significantly expand our ability to serve the public with clarity, efficiency, and accountability.

Wellness Activities – 40 with 430 Participants

Accomplishments

Employee Benefits:

After review of the benefit carriers for the county we made the decision to change from Florida Blue to Cigna which brought a significant cost savings to the county and employees. In addition, we were provided two full time employees from Cigna to focus on assisting employees with claims and wellness initiatives. Cigna also provided discretionary funds to offset the costs of the programs which included. We have introduced over 40 activities for employees to engage in and promote a healthy lifestyle.

Workers' Compensation:

- Improved Safety Council program and participation related to safety training, concerns, and best practices.
- Provided ongoing education and training opportunities
- Continued reduction of workplace injuries by identifying and applying safe work practices.
- Ongoing improvements for Safety Council programming

Employment Coordination:

- Performed Recruiting, Placement and Onboarding 104 positions
- 100% Completion Rate of New Hire Trainings

Office of Management and Budget (OMB)

Mission Statement

The mission of the Office of Management and Budget (OMB) is to provide a financial plan and outline for the Board of County Commissioners and Management staff to ensure they make educated policy decisions and to verify financial decisions are implemented and followed to guarantee that the taxpayers of Hernando County receive the best possible services through the most effective and efficient methods.

Goals

1. Continue to receive the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award.
2. Implement the new Enterprise Resource Planning (ERP) System approved by the Hernando County Board of County Commissioners. The new ERP system will provide live budget data to citizens and internal users.
3. Align Strategic Plan with Budget.
4. Stay compliant with all Department of Revenue TRIM guidelines.

Metrics & Performance

1. Submit for the GFOA Distinguished Budget Presentation Award within 90 days of the adopted budget to receive the award.
2. Work towards go live date of February 2026 for the new ERP system.
3. Ensure Strategic Plan is moving, in process, and consolidate necessary information into the budget book, as it is completed and align budget items with strategic plan goals.
4. Meet TRIM deadlines to maintain timeliness and accuracy.
5. Utilize new budget book and CIP software to produce budget documents through the ERP system for FY 27 budget.

Key Future Projects

- Successfully complete the Budget Process for FY26
- Complete the TRIM process for FY 26
- Implement new ERP System

- Update the Budget Book Story and Website "live" information associated with the new ERP system (Patternstream & Open Finance) for the FY27 Budget

Projects & Tasks Completed 24-25

- Completed the budget process utilizing Open Gov software for the FY25 budget.
- Adopted the FY 25 budget while working through Hurricane's Helene and Milton.
- Connected the Budget Book & Stories through the website, which can be found through this URL:

<https://www.hernandocounty.us/departments/departments-f-m/management-and-budget>

- Added a CIP Workshop to the Budget Calendar and provided a preliminary review ahead of the formal budget presentation.
- Successfully completed the TRIM process, utilizing the new OASYS Electronic Truth in Millage program.
- Updated the Budget Calendar and aligned those dates within the budget software.
- Created a "Master Calendar" to plan start dates and capture things that were happening via institutional knowledge.
- Completed a Sales tax audit for a potential funding opportunity for CIP projects; however, the measure didn't pass during the voting process.
- OMB assisted the RFP process to select an ERP system. The Hernando County Board of County Commissioners subsequently approved the contract for the new ERP system and implementation has begun.
- Updated the Budget Policy

Standard Hours:

What is a budget?

Financial Plan – how much are we going to get, when are we going to get it, where are we getting it from and what are we allowed to spend it on. The plan of what is projected to be received in revenue, as well as how much will be spent over the next fiscal year.

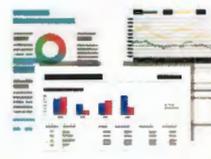

Operations Guide – using the amount we have, determining who is responsible for having work/services done. Ensuring those bills are paid on time and paid correct amounts.

Policy Document – what rules are in place that control what and how we spend the money. It provides information on goals, objectives, service levels, challenges, trends and policies.

Communications Device – transparency is key with the public giving them the ability to access information often helps alleviate misinformation. Communicates to the Board and public what is being done with revenue received, particularly taxes.

Financial Variances

Personnel Services declined in FY25, due to payroll allocation changes and some position vacancies that lasted several months; hence, the increase in FY26 when compared to FY25. Part of the OMB Director was previously allocated to Procurement, but the FY26 budget includes all OMB allocations 100% in the OMB department. The total FTE count has remained the same for OMB from FY25 to FY26.

Operating expenses decreased due to a reduction associated with Balmoral Group. In FY25, that expense was charged to OMB; however, it was not included in the FY26 budget. There was also a reduction in Repair & maintenance for software associated with Open Gov; however, the budget software, Open Gov, that was previously paid for via grant funds is still included the OMB department. That cost will reduce by approximately 50% upon transitioning to the new ERP budgeting software.

Charges for Services revenues is cost allocation charged to all non-general fund departments for assistance from Central Services departments.

Variance Explanations

Personnel services are due to the need to add 2 new positions. One for a Contracting Agent and the other for a Program Manager. These positions are necessary to timely, meet the demand for increased contractual services and to institute consistent project management and Strategic Plan reporting across the County. Much of the operating expense variance is explained by an error in the prior year's budget where the cost of the County's eProcurement system was inadvertently omitted (\$60,000); without this omission actual variance would have been reduced.

In addition, an e-sign option for contracts in the eProcurement system was added and the costs associated with computers and software for the 2 new positions is included.

Risk Management

Hernando County Risk Management identifies and analyzes risk to implement loss control measures and programs in order to minimize risk to the County, while maintaining a safe environment for employees and citizens.

Risk Management Overview

Scope of focus:

- ✓ Provides consultative services for departments to effectively manage risk.
- ✓ Evaluation of risk exposures.
- ✓ Coordination and assistance with employee safety initiatives.
- ✓ Management, tracking, and administration of property and liability claims.

What we do:

Hernando County Risk Management identifies and analyzes risk to implement loss control measures and programs in order to minimize risk to the county while maintaining a safe environment for employees and citizens.

- ✓ Review and coordination of certificates of insurance and requirements for agreements, contracts, and facilities usage.

Accomplishments and Goals: Overall prevention of risk by promotion of change. Improved risk management process improvements and enhanced programming for tracking of property and liability claims.

Mission

The mission of Risk Management is to apply generally accepted risk management principles and techniques, in partnership with all departments within the County, to protect the health, safety, and welfare of the County's employees and the citizens it serves, its property, assets, and other resources.

What we Do

The function of Risk Management is to administer the County's loss control program, transferring of risk, monitor claims for severity and frequency, and implement loss prevention or reduction methods for future improvement.

Goals

Achieve zero avoidable incidents, accidents, and injuries through safe work practices.
Embed safety practices and standards into the culture and operations.
Strive to improve work conditions and the safety culture.
Educate, train, and equip employees to be safe in every situation.

Projects & Tasks 24-25

Transitioned Risk to Procurement to better align services for internal and external stakeholders.
Processed 1,132 certificates of insurance.
Subrogated 27 claims for a total value of \$89,686.89.

Standard Hours:

of Risk Personnel: 1.
Normal business hours are 8:00 a.m. – 5:00 p.m Monday through Friday.

Key Projects:

Enterprise Resource Planning Implementation

Variance Explanations:

>9.99%: Increases are due to additional insurable assets being added to the County's inventory and to increases in the value of County assets and associated asset premiums.

Hernando County Utilities

Mission:

Provide affordable and uninterrupted high-quality water and wastewater services to the residents and businesses within Hernando County.

What we Do:

Deliver water and wastewater services to over 165,000 residents within the County. We pumped and delivered over 7.7 billion gallons of drinking water in calendar year 2024 averaging over 21 million gallons per day.

Goals:

- Water & Wastewater Revenue Sufficiency Analysis
- Compliance with Weeki Wachee and Chassahowitzka BMAP
- Update Water and Wastewater Master Plan
- Construct Capital Improvement Program to Meet Regulatory Deadlines
- Fill Staff Vacancies in Operations
- Reduce Back-billing Timeframes for Customers
- Implement New GIS Asset Management Organizational Structure and Processes
- Implement New Billing Software to Assist Customers More Efficiently
- Maintain per Capita Water Use to Comply with State Regulations and Maintain the Minimum Flows and Levels in our Lakes and Springs

Solid Waste & Recycling

Mission:

To provide disposal of commercial and residential garbage at the County Landfill along with customer service in an efficient manner to the Hernando County citizens that it proudly serves. Ensuring the safety of both its customers and employees, the Solid Waste & Recycling Department is committed to regulatory compliance and ensuring low rates to its customers.

What we Do:

The Hernando County Northwest Waste Management Facility (NWWMF) is a multi-function solid waste management facility, which includes Class I and construction and demolition (C&D) waste disposal, yard waste mulching, recyclables temporary storage before processing, household hazardous waste storage and processing, and storage of tires, white goods and other bulky waste materials for off-site processing by private firms. There are two Convenience Centers on opposite ends of the County that accept various items from the residents of the County.

Goals:

- 1. Convenience Center Pay**
 - Put out an RFP for Technology
 - Review and get Board approval
 - Put out PSA, signage, and update website a month before start
- 2. Completion of Cell 4**
 - Final grade completed
 - Liner installed
 - Electrical completed
 - Access road completed
 - Leachate tanks built and area completed
- 3. Concrete and Loading Ramp at West Convenience Center**
 - Metal chute replaced with concrete wall
 - Loading ramp built
 - Remaining floor concrete installed
- 4. Successful completion of Compost Grant**
 - Divert 4500 tons of yard waste to the compost program
 - Provide one class per month and distribute 85% of finished compost to end users
 - Perform pre and post soil tests.
- 5. Design for a Compost Facility and a Recycling Center**
 - Decide on location of Recycle Center
 - Final decision of Biosolids
 - Design layout & infrastructure
- 6. New Rates**
 - Public Hearing
 - BOCC Approval
- 7. Renewable Natural Gas**
 - Public Private Partnership to Convert Landfill Gas into Natural Gas
 - Request for Proposal

- Contract Execution and Board Approval

8. Leachate Treatment System using Reverse Osmosis

- Request for Proposal
- Contract Execution and Board Approval

Metrics & Performance:

Class I Garbage

FY24 174,425.46 tons
FY25 YTD 135,050.25 tons

Recycling

FY24 3,694.66 tons
FY25 YTD 2,378.76 tons

The Department through equipment installed on the heavy equipment measures the compaction rate of the garbage, which is consistently over 1300 pounds per cubic yard, which in the industry is above the norm.

Standard Hours:

Normal business hours:

Main Landfill Monday – Saturday 8:00 am – 4:30 pm

West Convenience Center – Tuesday – Friday 9 am – 5 pm, Saturday 8 am – 4:30 pm

East Convenience Center – Tuesday – Saturday 9 am – 5 pm

Area of Operations – Fleet

Central Fueling | Fleet Replacement Program | Vehicle Maintenance

Mission:

Fleet Management supports the County departments in their service to the citizens of this county by providing the necessary vehicles and equipment for them to efficiently and accurately do their jobs. This is accomplished in 3 phases: Purchasing, Service and Repair, and Surplus.

Fleet Management is also responsible for providing fuel for the county vehicles and equipment and manages 4 fuel sites across the county.

What we Do:

Provide Vehicles and Equipment for all County BOCC Departments along with the Repair and Maintenance and Fueling Services

Goals:

- Re-Evaluate Vendor Parts Contract
- Enhance Communication with the Departments we Serve
- Space Planning, Site selection, and Conceptual Design of New Maintenance Shop to Meet Increasing Demand
- Revise and Update Fleet Standard Operating Procedures
- Improve Functionality of our Existing Fleet Asset Management System through Training
- Perform EV Study for the County

Metrics & Performance:

Fleet Management measures success in terms of low vehicle downtime, preventative maintenance compliance, competitive pricing and department satisfaction.

Downtime is how long a vehicle is out of service and is measured and compared internally.

Preventative Maintenance compliance is how many vehicle services are performed within a certain window of when they are due.

Competitive pricing is how Fleet's labor rate compares to the vendors and dealerships and ensures the best value for the county.

Comparing Fleet Management nationally through competitions held by National Association of Fleet Administrators (NAFA) and Government Fleet Magazine.

Staff: 9 technicians, 4 support

- FY 25: Unleaded 163,843 Diesel 216,441 \$1,006,470.69

Standard Hours:

Normal hours: 7:00am-3:30pm. 1 Technician is on-call every day from 3:30pm-7:00am.

Projects & Tasks Completed 24-25:

- Upgraded fuel management software to improve tracking and billing.
- Upgraded fuel dispensers to a newer, more reliable style.
- Cleaned and re-painted fuel tanks to prolong their life.
- Changed Fleet Management Information Software to a less expensive option.
- Placed #88 in National Association of Fleet Administrators (NAFA) top 100 Fleet competition.
- Streamlined and corrected Preventative Maintenance program to ensure proper services are being done and decreased downtime for an annual service.
- Replaced the lifts in the maintenance shop

Upcoming Projects and Tasks for FY 25-26

- New Central Fueling Site to have 24hr access for departments and more fuel reserves
- Re-Evaluate Vendor Parts Contract
- Space Planning, Site selection, and Conceptual Design of New Maintenance Shop to Meet Increasing Demand
- Perform EV Study for the County

Youth Court

What We Do

The mission of the judicial branch is to protect rights and liberties, uphold and interpret the law, and provide for the peaceful resolution of disputes. Youth Court provides an opportunity for youth aged 10-17 years, a chance to resolve civil citations and other referrals from the state attorney.

Goals

The Fifth Judicial Circuit strives to be accessible, fair, effective, responsive, and accountable to the public. The Youth Court program continues to try and divert as many children from the Juvenile Justice System as possible, while providing them with the resources and skills to become productive adults.

Accomplishments

Youth Court process and provides services to over 200 youthful offenders per year.

Key Projects

The Youth Court program is currently engaged providing services through stakeholder partnerships and grant funding.

Guardian Ad Litem

What We Do

The Florida Statewide Guardian ad Litem Office is the best way to represent the legal interests of Florida's most vulnerable children, the abused, abandoned and neglected based on data and evidence. Florida law requires the Statewide Guardian ad Litem Office to represent Florida's children caught in the complex foster care system every day through no fault of their own. Every child appointed to the Florida Statewide Guardian ad Litem Office is assigned a Guardian ad Litem.

Goals

For each child to be placed in a safe, loving, and permanent home.

Accomplishments

The Statewide Guardian ad Litem Office stays with each child until their case is closed and they are placed in a safe, loving, and permanent home.

Honorable Amy Blackburn, CFC – Tax Collector

[Tax Collector Website](#)

About the Tax Collector

On October 30, 2024, Governor DeSantis appointed Amy Blackburn who was sworn in on November 1, 2024, as Hernando County's Tax Collector. She attended the University of Florida, graduating in Business Administration with a specialty in Marketing. For 18 years Ms. Blackburn worked in the field of respiratory care. It was during this time she met her husband and best friend, Freddy. They have two daughters, Sarah and Savannah. She and her husband are both softball coaches with the Hernando Youth League where their daughters play.

Ms. Blackburn made a career change in 2016 to public service with the Hernando Board of County Commissioners working in the budget department primarily regarding enterprise funds. In 2018 she became the Finance Director for the Hernando County Tax Collector and in 2023 promoted to Chief Deputy of Finance and Administration.

An advocate for technology, she contributed to several new initiatives, including the implementation of a new Tax Collection and Cashiering software, a CogBot to use artificial intelligence to answer basic questions, installing a motor vehicle express self-service kiosk in Publix, and other essential upgrades.

She is an active member of several professional organizations, including the Florida Tax Collectors Association, Hernando Chamber of Commerce, and Leadership Hernando. Ms. Blackburn has lived in Hernando County over 23 years and has witnessed the growth in population and business development. She is looking forward to advancing the office through efficient innovation, education, and community engagement.

Duties and Responsibilities

It is the responsibility of the Hernando County Tax Collector to collect the myriad of taxes and fees imposed by all governmental units. The nature of the office under Florida's constitution and statutory system is two-fold: independent election; and budgetary review by the state. The Tax Collector deals with many state agencies, all local governments and all taxpayers within the county.

The revenue funding the office of the Tax Collector comes from state agency licensure through the charge of basic fees; the contract-based charging of certain fees or commissions between the Tax Collector and various local governments regarding special services; and statutory based commissions for collecting property taxes and some non-property assessments.

In addition to ad valorem property taxes, the Tax Collector also bills and collects special assessments generated by almost 100 municipal service benefit units for improvements such as street lighting, road paving, fire protection, subdivision maintenance, etc.

Budget Regulations for Tax Collectors

Florida Statute 192.091 Commissions of property appraisers and tax collectors -

(2) The tax collectors of the several counties of the state shall be entitled to receive, upon the amount of all real and tangible personal property taxes and special assessments collected and remitted, the following commissions:

- (a) On the county tax:
1. Ten percent on the first \$100,000;
 2. Five percent on the next \$100,000;
 3. Three percent on the balance up to the amount of taxes collected and remitted on an assessed valuation of \$50 million; and
 4. Two percent on the balance.
- (b) On collections on behalf of each taxing district and special assessment district:
- 1.a. Three percent on the amount of taxes collected and remitted on an assessed valuation of \$50 million; and
 - b. Two percent on the balance; and
 2. Actual costs of collection, not to exceed 2 percent, on the amount of special assessments collected and remitted.
- (3) In computing the amount of taxes levied on an assessed valuation of \$50 million for the purposes of this section the valuation of nonexempt property and the taxes levied thereon shall be taken first.

195.087 Property appraisers and tax collectors to submit budgets to Department of Revenue.—

(2) On or before August 1 of each year, each tax collector, regardless of the form of county government, shall submit to the Department of Revenue a budget for the operation of the tax collector's office for the ensuing fiscal year, in the manner and form prescribed by the department. A copy of such budget shall be furnished at the same time to the board of county commissioners. The department shall examine the budget and, if it is found adequate to carry on the work of the tax collector, shall approve the budget and certify it back to the tax collector. If the department finds the budget inadequate or excessive, it shall return such budget to the tax collector, together with its ruling thereon. The tax collector shall revise the budget as required and resubmit it to the department. After the final approval of the budget by the department, there shall be no reduction or increase by any officer, board, or commission without the approval of the department. However, all moneys received by tax collectors in complying with chapter 119 shall be accounted for in the same manner as provided for in s. 218.36, for moneys received as county fees and commissions, and any such moneys may be used and expended in the same manner and to the same extent as funds budgeted for the office and no budget amendment shall be required.

Doug Chorvat, Jr. – Clerk of the Circuit Court & Comptroller

Clerk Website

Introduction

Born and raised in Hernando County, Doug graduated from Hernando High School in 1995 with High Honors, where he was a member of the BETA Club and the National Honor Society. After high school, he went on to attend the University of South Florida where he attained a Bachelor of Science in Management Information Systems in 1999. He was the first Certified Government Chief Information Officer in Hernando County, completing a two-year program through the Florida Institute of Government in 2011. He also was one of the first three Certified Public Managers in Hernando County, completing that program through the Florida Center for Public Management in 2017.

Prior to the voters overwhelmingly selecting Doug to represent the citizens of Hernando County as Clerk of Circuit Court and Comptroller in November 2018, Doug was brought into the Clerk's Office by Clerk Karen Nicolai in April 2000. He started in the service desk area of the Information Technology Department. Within six years, he was managing the Information Technology Department for the Clerk's Office and in 2009 he began managing both the Clerk and County technology departments. He did this successfully for four years and returned to the Clerk's Office full-time when Clerk Don Barbee, Jr., took office in 2013. For a period of two years, Doug also served as the Records Management Liaison Officer to the State of Florida for the Clerk and the County. Doug has been instrumental in the evolution and success of the Clerk's Office over the past two decades.

Duties & Responsibilities

It is the duty of the Office of the Clerk of Circuit Court to provide a wide range of services to the public, judicial system, County government, and other agencies.

The mission of the Clerk of Circuit Court's Office is to provide these services with pride, in an honest, professional, and efficient manner while fostering a spirit of friendliness and cooperation.

Our "Customer Vision" is to see our services through the customer's eyes and respond to their needs as a team. It is the duty of the Office of the Clerk of Circuit Court to provide a wide range of services to the public, judicial system, county government, and other agencies.

Budget Regulations for Clerk of the Circuit Court & Comptroller

Florida Statute 218.35 County fee officers; financial matters.—(1) Each county fee officer shall establish an annual budget for carrying out the powers, duties, and operations of his or her office for the next county fiscal year. The budget must be balanced so that the total of estimated receipts, including balances brought forward, equals the total of estimated expenditures and reserves. The budgeting of segregated funds must be made in a manner that retains the relation between program and revenue source, as provided by law.

(2) The clerk of the circuit court, functioning in his or her capacity as clerk of the circuit and county courts and as clerk of the board of county commissioners, shall prepare his or her budget in two parts:

(a) The budget for funds necessary to perform court-related functions as provided in s. 28.36.

(b) The budget relating to the requirements of the clerk as clerk of the board of county commissioners, county auditor, and custodian or treasurer of all county funds and other county-related duties, which shall be annually prepared and submitted to the board of county commissioners pursuant to s. 129.03(2), for each fiscal year. Expenditures must be itemized in accordance with the uniform accounting system prescribed by the Department of Financial Services as follows:

1. Personnel services.
2. Operating expenses.
3. Capital outlay.
4. Debt service.
5. Grants and aids.
6. Other uses.

(3) The clerk of the circuit court shall furnish to the board of county commissioners or the county budget commission all relevant and pertinent information that the board or commission deems necessary, including expenditures at the subobject code level in accordance with the uniform accounting system prescribed by the Department of Financial Services.

Dear Honorable Commissioners:

The Office of the Clerk of Circuit Court and County Comptroller respectfully requests a total budget authority of \$14,469,830.00 for fiscal year 2025-26. This budget request includes the placement of the GIS set up and maintenance, should the County decide to add this to the Clerk's IT Department for the 2026 Fiscal year. The GIS portion of the budget would be for 11 positions at an estimated personnel cost of \$1,080,846 and operational cost of \$240,000, totaling \$1,320,846.

The budget request *without* the GIS addition for the Clerk's Office would be \$13,148,984. Also, we have not been apprised of the new health care costs for FY 2026, therefore a second request may be forthcoming should we be notified by the County of changes to the health care rates.

The budget includes funding based upon the following statutory object codes:

Personal Services	\$ 7,877,546
Operating Expenses	6,112,884
Capital Outlay	300,000
Debt Service	0
Grants and Aids	0
Other Uses (Article V - Court Communications)	5,000
CARE ATC	174,400

Pursuant to Florida Statute 218.35(2), I hereby certify that the amounts requested are reasonable and necessary for the statutory and constitutional functions that my office performs on behalf of county government. My staff and I have worked diligently to ensure that we are operating at the most efficient levels possible while continuing to provide the excellent service our constituents have come to expect.

Respectfully submitted,

Doug Chorvat, Jr.

Supervisor of Elections Website

Duties & Responsibilities

It is the mission of the Supervisor of Elections office to ensure the integrity of the electoral process and empower each voter through continuous education.

Budget Regulations for Supervisor of Elections

Florida Statute 129.201 Budget of supervisor of elections; manner and time of preparation and presentation.—

- (1) Pursuant to ss. 129.01 and 129.03(2), each supervisor of elections shall annually prepare and submit to the board of county commissioners, or county budget commission if there is one in the county, a proposed budget for carrying out the powers, duties, and operations of the office of the supervisor of elections for the next fiscal year. The fiscal year of the supervisor of elections commences on October 1 of each year and ends on September 30 of the following year.
- (2) Expenditures must be itemized in accordance with the uniform accounting system prescribed by the Department of Financial Services as follows:
 - (a) Personnel services.
 - (b) Operating expenses.
 - (c) Capital outlay.
 - (d) Debt service.
 - (e) Grants and aids.
 - (f) Other uses.
- (3) The supervisor of elections shall furnish to the board of county commissioners or the county budget commission all relevant and pertinent information that the board or commission deems necessary, including expenditures at the subobject code level in accordance with the uniform accounting system prescribed by the Department of Financial Services. The board or commission may not amend, modify, increase, or reduce any expenditure at the subobject code level.
- (4) The board or commission, as appropriate, may require the supervisor of elections to correct mathematical, mechanical, factual, and clerical errors and errors of form in the proposed budget. At the hearings held pursuant to s. 200.065, the board or commission may amend, modify, increase, or reduce any or all items of expenditure in the proposed budget as submitted under subsections (1) and (2); and, as amended, modified, increased, or reduced, such budget shall be approved by the board or commission, which must provide written notice of its action to specific items amended, modified, increased, or reduced.
- (5) The board or commission shall include in the county budget the items of proposed expenditures set forth in the budget which are required by this section to be submitted, after the budget has been reviewed and approved. The board or commission shall include the supervisor of elections' reserve for contingencies in the general county budget's reserve for contingencies account.
- (6) The supervisor of elections' reserve for contingencies is governed by the same provisions governing the amount and use of the reserve for contingencies appropriated in the county budget.

(7) The proposed budget shall be submitted to the board of county commissioners or county budget commission pursuant to s. 129.03(2) and included by the board or commission in the general county budget.

(8) The items placed in the budget of the board are subject to the same provisions of law as the county annual budget; however, an amendment to the appropriations of the office of the supervisor of elections may not be made without due notice of the change to the supervisor of elections.

(9) The budget of the supervisor of elections may be increased by the board of county commissioners to cover expenses for emergencies and unanticipated expenses as are recommended and justified by the supervisor of elections.

Budget Regulations for Property Appraiser

Florida Statute 192.091 Commissions of property appraisers and tax collectors —

(1)(a) The budget of the property appraiser's office, as approved by the Department of Revenue, shall be the basis upon which the several tax authorities of each county, except municipalities and the district school board, shall be billed by the property appraiser for services rendered. Each such taxing authority shall be billed an amount that bears the same proportion to the total amount of the budget as its share of ad valorem taxes bore to the total levied for the preceding year. All municipal and school district taxes shall be considered as taxes levied by the county for purposes of this computation.

(b) Payments shall be made quarterly by each such taxing authority. The property appraiser shall notify the various taxing authorities of his or her estimated budget requirements and billings thereon at the same time as his or her budget request is submitted to the Department of Revenue pursuant to s. 195.087 and at the time the property appraiser receives final approval of the budget by the department.

Duties & Responsibilities

The Hernando County Property Appraiser is an elected official charged with the duty and responsibility to appraise all of the property in the County. This includes real estate and tangible personal property (the equipment, machinery and fixtures) of businesses. The Property Appraiser is required by law to assess all property within the county each January 1st. In Hernando County, this means the Property Appraiser determines the market value for thousands of individual parcels, including residential, agricultural, multifamily, commercial and industrial, as well as thousands of personal property accounts.

In addition to appraising property, the Property Appraiser must administer homestead exemptions, agricultural classification, determine the eligibility of certain religious, charitable, educational and municipal property for tax exemption, as well as administer widow, widower's and disability exemptions. The Property Appraiser also maintains current and up-to-date legal descriptions and ownership tax maps of all the real property in Hernando County. The Property Appraisers office is also the lead agency which manages Hernando County Central GIS and the Central Addressing Office.

Florida Statute 195.087 Property appraisers and tax collectors to submit budgets to Department of Revenue.—

(1)(a) On or before June 1 of each year, every property appraiser, regardless of the form of county government, shall submit to the Department of Revenue a budget for the operation of the property appraiser's office for the ensuing fiscal year beginning October 1. The property appraiser shall submit his or her budget in the manner and form required by the department. A copy of such budget shall be furnished at the same time to the board of county commissioners. The department shall, upon proper notice to the county commission and property appraiser, review the budget request and may amend or change the budget request as it deems necessary, in order that the budget be neither inadequate nor excessive. On or before July 15, the department shall notify the property appraiser and the board of county commissioners of its tentative budget amendments and changes. Before August 15, the property appraiser and the board of county commissioners may submit additional information or testimony to the department respecting the budget. On or before August 15, the department shall make its final budget amendments or changes to the budget and shall provide notice thereof to the property appraiser and board of county commissioners. Once the department makes its final budget amendments, the budget is final and shall be funded by the county commission pursuant to s. 192.091.

Duties & Responsibilities

The Hernando County Sheriff's Office is committed to responding to the needs of the citizens of Hernando County. Our mission is to maintain peace and order, safeguard life and property, and protect individual rights through the delivery of professional services. The measure of our service will be judged by the community.

Budget Regulations for Sheriff

Florida Statute 30.49 Budgets.—(1) Pursuant to s. 129.03(2), each sheriff shall annually prepare and submit to the board of county commissioners a proposed budget for carrying out the powers, duties, and operations of the office for the next fiscal year. The fiscal year of the sheriff commences on October 1 and ends September 30 of each year.

(2) (a) The proposed budget must show the estimated amounts of all proposed expenditures for operating and equipping the sheriff's office and jail, excluding the cost of construction, repair, or capital improvement of county buildings during the fiscal year. The expenditures must be categorized at the appropriate fund level in accordance with the following functional categories:

1. General law enforcement.
2. Corrections and detention alternative facilities.
3. Court services, excluding service of process.

(b) The sheriff shall submit a sworn certificate along with the proposed budget stating that the proposed expenditures are reasonable and necessary for the proper and efficient operation of the office for the next fiscal year.

(c) Within the appropriate fund and functional category, expenditures must be itemized in accordance with the uniform accounting system prescribed by the Department of Financial Services, as follows:

1. Personnel services.
2. Operating expenses.
3. Capital outlay.
4. Debt service.
5. Grants and aids.
6. Other uses.

(d) The sheriff shall submit to the board of county commissioners for consideration and inclusion in the county budget, as deemed appropriate by the county, requests for construction, repair, or capital improvement of county buildings operated or occupied by the sheriff.

(3) The sheriff shall furnish to the board of county commissioners or the budget commission, if there is a budget commission in the county, all relevant and pertinent information concerning expenditures made in previous fiscal years and proposed expenditures which the board or commission deems necessary, including expenditures at the subject code level in accordance

with the uniform accounting system prescribed by the Department of Financial Services. The board or commission may not amend, modify, increase, or reduce any expenditure at the subobject code level. The board or commission may not require confidential information concerning details of investigations which is exempt from s. 119.07(1).

(4) The board of county commissioners or the budget commission, as appropriate, may require the sheriff to correct mathematical, mechanical, factual, and clerical errors and errors as to form in the proposed budget. At the hearings held pursuant to s. 200.065, the board or commission may amend, modify, increase, or reduce any or all items of expenditure in the proposed budget, as certified by the sheriff pursuant to paragraphs

(2)(a)-(c), and shall approve such budget, as amended, modified, increased, or reduced. The board or commission must give written notice of its action to the sheriff and specify in such notice the specific items amended, modified, increased, or reduced. The budget must include the salaries and expenses of the sheriff's office, cost of operation of the county jail, purchase, maintenance and operation of equipment, including patrol cars, radio systems, transporting prisoners, court duties, and all other salaries, expenses, equipment, and investigation expenditures of the entire sheriff's office for the previous year.

(a) The sheriff, within 30 days after receiving written notice of such action by the board or commission, in person or in his or her office, may file an appeal by petition to the Administration Commission. The petition must set forth the budget proposed by the sheriff, in the form and manner prescribed by the Executive Office of the Governor and approved by the Administration Commission, and the budget as approved by the board of county commissioners or the budget commission and shall contain the reasons or grounds for the appeal. Such petition shall be filed with the Executive Office of the Governor, and a copy served upon the board or commission from the decision of which appeal is taken by delivering the same to the chair or president thereof or to the clerk of the circuit court.

(b) The board or commission shall have 5 days following delivery of a copy of such petition to file a reply with the Executive Office of the Governor, and shall deliver a copy of such reply to the sheriff.

(5) Upon receipt of the petition, the Executive Office of the Governor shall provide for a budget hearing at which the matters presented in the petition and the reply shall be considered. A report of the findings and recommendations of the Executive Office of the Governor thereon shall be promptly submitted to the Administration Commission, which, within 30 days, shall either approve the action of the board or commission as to each separate item, or approve the budget as proposed by the sheriff as to each separate item, or amend or modify the budget as to each separate item within the limits of the proposed board of expenditures and the expenditures as approved by the board of county commissioners or the budget commission, as the case may be. The budget as approved, amended, or modified by the Administration Commission shall be final.

(6) The board of county commissioners and the budget commission, if there is a budget commission within the county, shall include in the county budget the items of proposed expenditures as set forth in the budget required by this section to be submitted, after the budget has been reviewed and approved as provided herein; and the board or commission, as the case may be, shall include the reserve for contingencies provided herein for each budget of the sheriff in the reserve for contingencies in the budget of the appropriate county fund.

(7) The reserve for contingencies in the budget of a sheriff shall be governed by the same provisions governing the amount and use of the reserve for contingencies appropriated in the county budget, except that the reserve for contingency in the budget of the sheriff shall be appropriated upon written request of the sheriff.

(8) The items placed in the budget of the board of county commissioners pursuant to this law shall be subject to the same provisions of law as the county annual budget; except that no amendments may be made to the appropriations for the sheriff's office except as requested by the sheriff. (9) The proposed expenditures in the budget shall be submitted to the board of county commissioners or budget commission, if there is a budget commission within the county, by June 1 each year; and the budget shall be included by the board or commission, as the case may be, in the budget of either the general fund or the fine and forfeiture fund, or in part of each.

(10) If in the judgment of the sheriff an emergency should arise by reason of which the sheriff would be unable to perform his or her duties without the expenditure of larger amounts than those provided in the budget, he or she may apply to the board of county commissioners for the

appropriation of additional amounts. If the board of county commissioners approves the sheriff's request, no further action is required on either party. If the board of county commissioners disapproves a portion or all of the sheriff's request, the sheriff may apply to the Administration Commission for the appropriation of additional amounts. The sheriff shall at the same time deliver a copy of the application to the Administration Commission, the board of county commissioners, and the budget commission, if there is a budget commission within the county. The Administration Commission may require a budget hearing on the application, after due notice to the sheriff and to the boards, and may grant or deny an increase or increases in the appropriations for the sheriff's offices. If any increase is granted, the board of county commissioners, and the budget commission, if there is a budget commission in the county, shall amend accordingly the budget of the appropriate county fund or funds. Such budget shall be brought into balance, if possible, by application of excess receipts in such county fund or funds. If such excess receipts are not available in sufficient amount, the county fund budget or budgets shall be brought into balance by adding an item of "Vouchers unpaid" in the appropriate amount to the receipts side of the budget, and provision for paying such vouchers shall be made in the budget of the county fund for the next fiscal year.

(11) Notwithstanding any provision of law to the contrary, a sheriff may include a clothing and maintenance allowance for plainclothes deputies within his or her budget.

(12) Notwithstanding any other law, and in order to effectuate, fulfill, and preserve the independence of sheriffs as specified in s. 30.53, a sheriff may transfer funds between the fund and functional categories and object and subobject code levels after his or her budget has been approved by the board of county commissioners or budget commission.
