

Memorandum

Date: Thursday, June 8, 2023

To: Alisa Pike

From: Erik van de Boogaard *EvdB*

RE: RFQ for Hernando County Public Safety Training Facility/23-R00030/PH

Based on the outcome of the short list scoring meeting for the above referenced project held on June 7, 2023, the committee would like to proceed to interviews with the top 4 firms as determined through the submittal scoring process.

The firms are identified and scored below:

Vendor	Total Score
Architects Design Group	92.57
HDR Architecture, Inc.	88.14
Wannemacher Jensen Architects, Inc.	85.29
KMF Architects	83.14
Florida Architects, Inc.	75.86
Forefront Architecture + Engineering	70.71

A list of questions for the committee and your review is being developed and will be distributed for consideration. It is suggested that a minimum time allotment for the interviews of 45 minutes be given to each team with 20 – 30 minutes to provide presentations and the balance for questions.

Feel free to contact me for any further clarification or concerns.
