Hello!

My name is Donna Tschantre, I am a retired corporate project manager and resident on the Weeki Wachee River since 2017. I am writing you in regards to the open position on our Waterways Advisory Committee and would like to recommend Maryann Johnson for this position.

Maryann is a very active volunteer in several organizations within our county. She is knowledgeable and dedicated to service over self to improve our community. I feel Maryann is ideal for this position as she brings ideas and action to everything she is involved in, and will help revitalize this advisory committee. Feel free to contact me regarding this matter at 727-277-0952 or by email.

Respectfully,

Donna Tschantre

Sir, good AM!! Hope all is well.

I would like to whole-heartedly endorse Mary Johnson for the open position on the Committee. We all know what an advocate she is for the Weeki Wachee River. She is tireless and enthusiastic and deeply cares about all Hernando County waterways. Please pass along my recommendation to the CC just in case they don't see my emails!!

Stay dry this weekend!

Sincerely,

Hello County Administrator Rogers:

As a resident of Weeki Wachee and property owner on Hernando Beach, I would like to recommend MaryAnn Johnson for the open position on the Waterways Advisory Committee. Maryann will be beneficial in helping identify the short and long term issues that impact water quality, safe boating and navigation of our waterways. I have seen MaryAnn work tirelessly for the community. MaryAnn does not have a business interest on the river and therefore will be a great asset in protecting the health of the river.

Thank you for your consideration.

Sincerely,

Lynne Herrick

Good morning,

I'm writing to you regarding the Water Ways Advisory Committee position opening. My name is Lucas Johns, I work as a senior inspector for Ozmatic engineering. We provide engineering to the state for infrastructure projects.

I have been a resident of Hernando County on and off since 1979. I am currently a resident of Weeki Wachee. I would like to recommend Maryann Johnson for the position. She has worked tirelessly to advocate for the river's

health. She has proven herself time and time again to place the river and the community's needs above her own. I feel her knowledge and fair balanced approach will be an asset to the county in this position.

Please feel free to contact me if you have any questions by phone or email.
