NARRATIVE – KLMG Properties II LLC

Proposal

This application is to rezone two adjacent parcels on north side of State Road 50 east of Brooksville. One is a 2.2 acre parcel, and the other is a 1.6 acre parcel. Both are split zoned C-2 and AG. Petitioner is the owner of the property and desires to rezone the commercial portion of the property so the commercial zoning is aligned with the angle of the rear boundary line. The commercial is currently aligned with the highway.

Both properties are vacant. Access is from Cortez Blvd. (S.R. 50). Zoning to the north is AG and contains small lots for residential use. Zoning to the west and east is Commercial and Agricultural. Zoning to the south, across S.R. 50, is AG.

The Petitioner desires to align the commercial zoning to the rear boundary line. A copy of the survey/site plan is attached as Exhibit A.

Petitioner requests rezoning of a portion of its properties for the purpose stated above.

Site and Environmental Characteristics

The entire site is unimproved.

There are no known endangered or protected species on site.

Site Plan

There is no specific use contemplated. The existing roadway network is capable of accommodating this request, and there will not be upgrades to any signals or roadway network due to this request.

Water and sewer for this site is not available from a public provider.

Conclusion

This proposal will be consistent with existing zoning for the property, and this application is simply requesting a realignment. The properties on S.R. 50 are zoned commercial. The proposed use will not be adverse to the public. We request approval of this rezoning petition.
