Maintenance Agreement

All applicants whose proposed project involves the retrofit or modification of existing public property or whose proposed project would result in the public ownership or management of property, structures, or facilities, must first sign the following agreement prior to submitting the application to FEMA.

(NOTE: Those applicants whose project only involves the retrofitting, elevation, or other modification to private property where the ownership will remain private after project completion DO NOT have to complete this form.)

The County	_{of} Hernando
project application, it will routine maintenance of a as a result of such Federa such responsibilities as ke stream channels, culverts,	rees that if it receives any Federal aid as a result of the attached accept responsibility, at its own expense if necessary, for the y real property, structures, or facilities acquired or constructed aid. Routine maintenance shall include, but not be limited to, eping vacant land clear of debris, garbage, and vermin; keeping and storm drains clear of obstructions and debris; and keeping oris, trees, and woody growth.
	eement is to make clear the Sub-recipient's maintenance oject award and to show the Sub-recipients acceptance of these

The purpose of this agreement is to make clear the Sub-recipient's maintenance responsibilities following project award and to show the Sub-recipients acceptance of these responsibilities. It does not replace, supersede, or add to any other maintenance responsibilities imposed by Federal law or regulation and which are in force on the date of project award.

Signed by	the
duly authorized representative (printed or typed name of signing official)	
County Administrator	
(title)	
This 24 (day) of July (month), 2025 (ye	ar).
Signature*	

*Please Note: The above signature must be by an individual with legal signing authority for the respective local government or county (e.g., the Chairperson, Board of County Commissioners or the County Manager, etc.)

For those entities applying for the Hazard Mitigation Grant Program (HMGP), assurance is needed to ensure that non-federal funds are, or will be, secured for the proposed action by the project start date. An Authorizing Agent's signature is needed to provide this. An Authorizing Agent is the chief elected official of a local government who has signature authority, such as a Chairperson of the Board of County Commissioners for a County, the Mayor of a municipality, or an elected Board Member for a private non-profit. Any entity may delegate this authority to a subordinate official by resolution of the governing body. If this is the case, Proof of Authorization must be provided as a separate attachment in Section VI of the relevant HMGP application in DEMES. This form must be fully completed, signed, and submitted into DEMES for an application to be received by FDEM. Applicants will be prompted for this form in the final step of the DEMES HMGP application. Ensure that the information provided here matches the relevant DEMES application. For questions, please email DEM HazardMitigationGrantProgram@em.myflorida.com.
