Dear Mike, Walter, Kyle, Wilburn, and Alvaro

Hernando County Department of Public Works received a thank you call from Karen Wise for your work on Deltona Boulevard and Gallup Road. Mrs. Wise called with a concern about visibility due to low hanging tree branches and is incredibly grateful for your actions to ease her fear.

It is always an honor to express my sincere appreciation for a job well done, and I am additionally thankful when customers also recognize a staff member's attention to the safety of customers.

Thank you again for handling the situation and for all your hard work, contributions, and efforts to assist our customers. A copy of this memorandum will be placed in your personnel file for future reference.

With sincere appreciation,
