**WHEREAS**, the City has agreed to collect and remunerate impact fees for capital improvements associated with the above services to the County; and

**WHEREAS**, the County provides capital improvements to collector roads located within the City; and

**WHEREAS**, the City has adopted, and collects, impact fees for capital improvements associated with roads, which includes a percentage calculation associated with impacts to County roads located within the City; and

**WHEREAS**, the City has agreed to collect and remunerate a portion of roads impact fees for capital improvements associated with County roads to the County; and

**WHEREAS**, the County provides Emergency Medical Services (EMS) to the City by separate agreement(s); and

**WHEREAS**, the County has adopted a separate EMS fee governing capital improvements associated with EMS service to the City; and

**WHEREAS**, the City has agreed to collect and remunerate impact fees for capital improvements associated with EMS services to the County;

**NOW, THEREFORE**, in consideration of the foregoing and the other mutual obligations and benefits described herein, the Parties agree as follows:

**Section 1. Incorporation of Recitals.** The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference.

**Section 2. Purpose and Scope of this Agreement.** The purpose of this Agreement is limited to setting the terms and conditions applicable to the imposition, collection and remuneration of impact fees by the County and City, as governed by Section 163.31801, *Florida Statutes* (Florida Impact Fee Act).

**Section 3. Obligations of the County and the City.** With regard to impact fees imposed and collected for development within the City, the Parties agree that:

(a) The County shall adopt and implement impact fees associated with Library Services, Law Enforcement and Correctional Facilities; and provide those services on a countywide basis. The City agrees to collect the impact fees adopted by the County and remunerate impact fees for capital improvements associated with these services to the County.

(b) The County agrees to provide EMS services to the City of Brooksville pursuant to separate agreement(s) and shall adopt and implement impact fees for EMS, with the sole purpose of providing for capital improvements for EMS service to the City. The City agrees to collect the fees adopted by the County and remunerate impact fees for capital improvements associated with these services to the County.

(c) In the event the City adopts a roads impact fee which is based upon an assessment of the impacts to City roads the City agrees to collect the total fee adopted by the County and remunerate the difference between its adopted roads impact fees and the adopted County roads impact fee to the County for capital improvements associated with impacts to County roads within the City.

(d) Pursuant to, and in accordance with the procedures and requirements set forth in Section 163.31801, *Florida Statutes* (Florida Impact Fee Act), the City and the County shall each be responsible for the adoption and imposition of impact fees within their jurisdictional limits in accordance with the terms of the Act.

(e) Impact fees shall be remitted quarterly by the City to the County.

(f) The City shall limit administrative charges for the collection of impact fees to actual costs, which the city expects to be approximately 3% of the amount collected. Both parties agree that a 3% administrative charge is presumptively valid and reflective of the city's actual cost of collection.

**Section 4. Effective Date; Term.** In accordance with Section 163.01(11), *Florida Statutes*, the Effective Date of this Agreement shall be the date the Agreement is filed with the Clerk of the Circuit Court of the County.
