(2) In the event that the ENGINEER's estimated Costs for the performance of services under a Task Order are forecasted by the COUNTY or ENGINEER to exceed the Cost Limitation indicated in the Task Order, the COUNTY and ENGINEER shall meet to review the forecast and, if necessary, to either increase the Cost Limitation for the Task Order to provide additional cost recovery to the ENGINEER or renegotiate the scope of the services of the Task Order so that the Cost Limitation will not be exceeded. The results of any such review requiring modification of this Contract will be detailed in a formal amendment to the Task Order.

(3) The COUNTY is not obligated to reimburse the ENGINEER for costs incurred in excess of the Cost Limitation indicated for the Task Order and the ENGINEER shall not continue performing the services and incur costs in excess of the Cost Limitation for the Task Order, unless the costs incurred are the results of error, omission or negligence on behalf of the ENGINEER and which shall be paid solely by ENGINEER. Any request by the ENGINEER or by the COUNTY for an adjustment of the Task Order Contract Price must be asserted in writing within forty-five (45) days from the date of receipt by the ENGINEER of the COUNTY'S notification of changed work unless the County grants more time to resolve such request.

5.3.11 PROGRESS PAYMENTS TO THE ENGINEER

(1) For a Task Order performed under the Lump Sum Method of compensation, the ENGINEER will prepare an invoice accompanied with a narrative statement from the ENGINEER describing the work accomplished by the ENGINEER during the period covered by the invoice.

(2) For a Task Order performed under the Hourly Rate Plus Direct Cost Method of compensation, the ENGINEER shall submit at the end of each monthly period, an invoice of Hourly Costs, based on the Total Hourly Rates and hours performed per Position Title, incurred in such period plus an increment of the Direct Costs incurred in such period. All invoices shall be itemized in an invoice format acceptable to the COUNTY. All Costs included on the invoices shall be taken from the books of the accounts kept by the ENGINEER and shall be supported by the ENGINEER's monthly "Billing Cost Detail Report". At the end of the thirty (30) day period, the COUNTY shall pay the ENGINEER the invoice amount less any unresolved questionable items. Invoices are to be forwarded directly to the initiating Hernando County Department.

5.5 PAYMENT IN THE EVENT OF CONTRACT TERMINATION OR SUSPENSION

The additional compensation shall be requested by the ENGINEER on a revised fee quotation proposal which must be submitted to the COUNTY for prior approval. The additional compensation, if any, shall be agreed upon before commencement of any such additional work and shall be incorporated into the Task Order by formal amendment to the Task Order or to this Contract.

6.1 TASK ORDER ISSUED

Within fifteen (15) business days of receipt of a request for a Scope and Schedule, ENGINEER shall submit to the COUNTY an initial response to same. ENGINEER will prepare a computation of fees to be charged for the services based on the approved hourly rates. These documents will be submitted to the COUNTY for review and approval.

Failure to submit the documentation within the above time shall cause the request for Scope and Schedule to be withdrawn from that ENGINEER and the Task Order will be assigned to the next ENGINEER in the rotation.

6.2 WORK COMMENCEMENT

If approved by the County, the ENGINEER shall commence work on each authorized Task Order within ten (10) days after receipt by the ENGINEER of a written Notice-to-Proceed from the COUNTY'S Designated Representative. If the ENGINEER fails to commence work within the ten (10) day period, then the COUNTY shall have the right to seek other firms for the Task Order, unless the delay is due to no fault of the ENGINEER. The effective date of the Task Order and the times for completing services or providing deliverables will be stated in each Task Order.

6.3 IMPLEMENTATION SCHEDULE

The ENGINEER and the COUNTY agree to make every effort to adhere to the schedule established for the various Task Orders described in the Contract.

It shall be the Engineer's responsibility to keep the schedule updated, request extensions when appropriate, and provide reasons for any extension(s). In the event the work of the ENGINEER is delayed due to no fault of the ENGINEER, which delays the completion of any Task Order, the County may approve the extension and the ENGINEER may be entitled to an appropriate extension of the contract time for the specific Task Order. The County shall not be required to approve any time extension requests.

6.4 FAILURE TO PERFORM

A performance evaluation may be performed by the County upon completion of the project.

Should the ENGINEER fail to commence, provide, perform and/or complete any of the services and work required pursuant to this Contract in a timely and diligent manner, the COUNTY may not consider the CONSULTANT for the next Task Order in the rotation, consider such failure as justifiable cause to terminate this Contract or may impact future assignments. As an alternative, the COUNTY at its option, may, upon written notice to the CONSULTANT, withhold any or all payments due and owing to the CONSULTANT, not to exceed the amount of the compensation for the work in dispute, until such time as the CONSULTANT resumes performance of his obligations in such a manner as to get back on schedule in accordance with the time and schedule of performance requirements set forth in this Contract, or any change orders or supplemental task authorizations issued thereto.

6.5 EXPIRATION

This Contract shall expire three (3) years after the date of execution of this Contract. This Contract may be extended for two (2) additional one (1) year periods; not to exceed five (5) years maximum, upon written mutual consent of the COUNTY and the ENGINEER.

SECTION 9 TERMINATION OF CONTRACT

9.1 TERMINATION BY COUNTY FOR CAUSE

The COUNTY may terminate this Contract for any one or more of the following reasons:

9.1.2 The quality of the services performed by the ENGINEER is not in conformance with commonly accepted design codes and standards, standards of the COUNTY and the requirements of Federal and/or State regulatory agencies in effect as of the date of this Contract, and the services involved are considered by the COUNTY to be essential to the proper completion of any Task Order.

9.1.3 The ENGINEER or any employee or agent of the ENGINEER is indicted or has a direct charge issued against him/her for any crime arising out of or in conjunction with any work that has been performed by the ENGINEER.

9.1.4 The ENGINEER becomes involved in either voluntary or involuntary bankruptcy proceedings or makes an assignment for the benefit of creditors.

9.1.5 The ENGINEER violates the Standards of Conduct provisions of Section 14 herein.

9.1.6 In the event of any of the causes described in Section 9.1, the COUNTY'S Designated Representative may send a certified letter to the ENGINEER requesting that the ENGINEER show cause why the Contract should not be terminated. If adequate assurances or acceptable reasons are not given to the COUNTY within fifteen (15) days of the receipt by the ENGINEER of said show cause notice, the COUNTY may consider the ENGINEER to be in default and may immediately terminate this Contract.

9.2 TERMINATION BY ENGINEER FOR CAUSE

The ENGINEER may cancel this Contract for the following reasons:

9.2.1 The COUNTY fails to meet its obligations and responsibilities as contained in Section 4 – COUNTY'S Rights and Responsibilities.

Notwithstanding any other provision of this Contract, the COUNTY shall have the right at any time to terminate this Contract in its entirety without cause, or terminate by specific Task Order without cause, provided that ten (10) days prior written notice is given to the ENGINEER of the COUNTY'S intent to terminate. In the event that a Task Order is terminated, the COUNTY shall identify the specific Task Order(s) being terminated and the specific Task Order to be continued to completion pursuant to the provisions of this Contract. Termination of any Task Order will not affect separate Task Orders, and such separate Task Orders shall remain in full force and effect.

9.4 PAYMENT IN THE EVENT OF TERMINATION

In the event this Contract or any Task Order is terminated without cause prior to final completion, payment for unpaid portion of the services provided by the ENGINEER to the date of termination and any additional services thereafter will be determined by negotiation between the COUNTY and the ENGINEER. No amount shall be allowed for anticipated profit on unperformed services or other work. In the event of termination for cause, the COUNTY may adjust any payment to take into account any additional costs to be incurred by the COUNTY due to such default.

9.5 ACTION FOLLOWING TERMINATION

9.5.1 Upon receipt of notice of termination, given by either party, the terminated party shall promptly discontinue all services and other work, unless the notice provides otherwise.

9.5.2 In the case of the COUNTY terminating the ENGINEER, the ENGINEER shall within ten (10) days, or any extension thereto as may be mutually agreed to, deliver or otherwise make available to the COUNTY all reports, drawings, plans, specifications and other data and documents that have been obtained or prepared by the ENGINEER in performing the services under this Contract, regardless of whether the work on such documents has been completed or is in progress and said documents shall remain the property of the COUNTY.

In the event the COUNTY suspends the performance of the ENGINEER's services hereunder, the COUNTY shall so notify the ENGINEER in writing, such suspension becoming effective upon the date of its receipt by the ENGINEER, and COUNTY shall promptly pay to the ENGINEER all fees which have become due and payable to the ENGINEER to the effective date of such suspension. The COUNTY shall thereafter have no further obligation for payment to the ENGINEER for the suspended services unless and until the COUNTY notifies the ENGINEER that the services of the ENGINEER called for hereunder are to be resumed.

Upon receipt of written notice from the COUNTY that the ENGINEER's services hereunder are to be resumed, the ENGINEER shall complete the services called for in this Contract and the ENGINEER shall, in that event, be entitled to payment of the remaining unpaid compensation which becomes payable to the ENGINEER under this Contract, same to be payable at the times and in the number specified herein.

In no event will the compensation or any part thereof become due or payable to the ENGINEER under this Contract unless and until the ENGINEER has attained that state of work where the same would be due and payable to the ENGINEER under the provisions of this Contract.

9.6.2 If the aggregate time of the COUNTY'S suspension(s) of the ENGINEER's services under any Task Order of this Contract exceeds sixty (60) days, then the ENGINEER and the COUNTY shall, upon request of the ENGINEER, meet to assess the services performed hereunder up to the time of such meeting, the services remaining to be performed and the total compensation paid to the ENGINEER hereunder and, during such meeting, shall have the option of negotiating a change in compensation to be paid to the ENGINEER for the balance of the services to be performed hereunder. No increase in compensation to the ENGINEER shall be allowed unless it is based upon clear and convincing evidence of an increase in the ENGINEER's costs attributable to the aforesaid suspension(s).

10.1 CLAIMS AND DISPUTES

Any claims, disputes and/or matters in question between the parties arising out of or relating to this Contract, including claims for extra compensation, shall be filed in writing by the aggrieved party to the other party within forty-five (45) days of its occurrence. 1. Race/Gender Neutral Means

- a. The requirements of 49 CFR part 26 apply to this contract. It is the policy of Hernando County to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The County encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

2. Prompt Payment (49 CFR § 26.29)

- a. The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contractor receives from Hernando County. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time

frame may occur only for good cause following written approval of the Hernando County. This clause applies to both DBE and non-DBE subcontractors.

3. Termination of DBE Subcontracts (49 CFR § 26.53(f); acceptable/sample text provided) –
- a. The prime contractor must not terminate a DBE subcontractor listed in response to 10.a, (or an approved substitute DBE firm) without prior written consent of Hernando County. This includes, but is not limited to, instances in which the prime contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.
 - b. The prime contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains written consent from Hernando County. Unless Hernando County consent is provided, the prime contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.
 - c. Hernando County may provide such written consent only if Hernando County agrees, for reasons stated in the concurrence document, that the prime contractor has good cause to terminate the DBE firm. For purposes of this paragraph, good cause includes the circumstances listed in 49 CFR §26.53.
 - d. Before transmitting to Hernando County its request to terminate and/or substitute a DBE subcontractor, the prime contractor must give notice in writing to the DBE subcontractor, with a copy to Hernando County, of its intent to request to terminate and/or substitute, and the reason for the request.
 - e. The prime contractor must give the DBE five days to respond to the prime contractor's notice and advise Hernando County and the contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why Hernando County should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), Hernando County may provide a response period shorter than five days.
 - f. In addition to post-award terminations, the provisions of this section apply to Pre-Award deletions of or substitutions for DBE firms put forward by offerors in negotiated procurements.

3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in

accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The Contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

- G. This certification is a material representation of fact upon which reliance was placed when making an award.
