EXTERNAL SENDER: Use caution with links and attachments.

Good morning.

After solicitation of the bid document, 4 responses and 2 bids were received for the Fort Dade Ave (Cobb to US98) Resurfacing SCOP project.

The solicitation was print advertised in two newspapers on April 12 and April 14 and posted to OpenGov, Hernando County's Procurement website on April 12, 2023. 2,375 OpenGov users were notified of the solicitation. Of those 2,375 vendors, 736 were classified business owners. 2 of the 4 responses were no bids. Reasons provided were "too busy" and "do not provide requested services".

We have reviewed the submitted bids and are requesting FDOT concurrence to award this contract to Superior Asphalt, Inc for a total award amount of \$693,325.67. The engineer's estimate of this project was \$894,127.60 after Addendums 1-4 were tabulated for revisions to the price sheet.

If any additional information is needed to provide concurrence to award this contract, please let us know.

Thank you and have a great day.
