Internet Publishing / Blog Content Digitizing & Distribution Strategy

Maximize the distribution of Adventure Coast's Blog Stories and video content across key online content distribution channels.

Original Content generates **three times as many leads** as outbound marketing, **drives six times** higher conversion rates, and has the potential for a 7.8-fold boost in web traffic.

Target Audience: All feeder market States and cities according to the approved marketing strategies.

Objectives

- Proactively promote and market the Adventure Coast blogs beyond the destination website
- Enhance your digital footprint that reaches a new audience in a variety of channels
- Drives organic traffic to the website
- Influence travel to the destination
- Grow brand awareness
- Build brand loyalty

Scope of Work

- Create and implement content distribution strategy for the Destination Blog pages. This strategy includes promoting, measuring, and reporting.
 - Distribute 24 stories/blogs on targeted sites, from content promotional platforms to social channels. Depending on platform pricing, targeting capabilities, or conversion results, we may adjust the platforms at any point during this contract, while maintaining a minimum of four unique platforms.
 - Develop and create a digital storytelling magazine that can be updated quarterly posted to the domain *magazine.floridasadventurecoast.com* hosted by ITI Digital. The content published will be the destination's blogs, as published to FAC's Stories webpage.
- ITI Digital will update the blogs to meet the distribution platform parameters of submission.
- Any promotions will be tracked with dedicated UTM parameters for enhanced Google Analytics reporting and tracking.
- Quarterly summary of activities and results will be shared with DMO, including links and screenshots of the published stories.
