TO: Purchasing Department
FROM: Kelly Trout, HCFR Finance Manager
DATE: August 26, 2024
SUBJECT: Purchase of EPR Software

HCFR's Paramedicine Division has been researching software to handle specific identifiers for our new paramedicine program. This includes the upload of schematics of commercial buildings in case of fire. They have researched several software companies and has realized that EPR aka Fire Works has the best software for their needs and is reasonably priced.

The Clerk's IT department vetted the software as well and they approved the software.

Funding is available in the paramedicine budget from 02495-5305221, Operating Supplies-Software. The total purchase is \$4,995.00.
