Mr. Taylor

Thought I would let you know about one of your employees.
Patricia Lobb, was at my house doing a meter check. I could not of asked for a better person to let me know what was wrong. She explained everything to me, and what I should do to fix it. You need more employees like her. Being on a fixed income and my husband just passing, I appreciated all the help and knowledge she had.

Thank You for sending her

Linda Mistretta
