This is a screenshot of a Google Earth interface. The main view is a satellite map of a rural area with a town grid. Several bodies of water are labeled: "nearby unnamed body of water", "unnamed body of water 2", and "unnamed body, Camp-A-While". A church is marked with a cross icon as "Shrine of Fatima & St. Cajetan Catholic Church". A campsite is labeled "Hawks Nest RV Park & Campground". A prominent feature is "Lake Mirage" in the upper right. In the bottom left, there is a large, bright white area representing a cloud or smoke plume. The top of the screen has a toolbar with various icons and a search bar. A sidebar on the left lists a folder named "Untitled folder" containing four location markers. A timeline at the top shows historical imagery from 1995 to 2023, with the date "Jul 4, 2023" highlighted. The bottom of the screen has standard Google Earth controls for layers, 3D, and zoom.
