

PETITIONER'S SPECIAL EXCEPTION NARRATIVE

Petitioners, David L. Merritt and Lynette M. Merritt, as Trustees of the Merritt Family Trust Agreement u/t/d August 29, 2007, request a special exception for a limited at-home business for two parcels located on Weatherly Road in Brooksville. The purpose of the special exception request is to permit use of the property as a monuments business. Petitioners are owners of the two subject properties which are adjacent to each other.

The special exception application property consists of two (2) parcels totaling approximately 8.3 acres. The key numbers for the properties are: 366035 and 366197. A map/site plan showing the parcels is attached as Exhibit A.

The property has two (2) buildings. On Key No. 366035, there is a single-family home of approximately 1,330 square feet and pole barns behind the home. This is the back parcel and where the sandblasting to inscribe monuments occurs. On Key No. 366197, there is a stand-alone garage of approximately 2400 square feet. The garage will be used for inside storage of monuments, if necessary. Materials are currently stored in the back on key no. 366035.

It is the intent of Petitioners to use the property to conduct the monument business that has operated at the property under Merritt Monuments, Inc. (owned by Petitioner) for several years. Everything will be shielded from view and conducted inside. There are no customers visiting the premises. The business consists of storage of materials and sand blasting to inscribe the monuments. The sand blasting is performed in a booth for that purpose. A photo is attached as Exhibit B.

It is anticipated there will be no more than one employee on site.

The property lends itself to the business to be conducted, and it has operated without complaint for several years. A site plan showing the location of the sand blasting booth is attached to this narrative as Exhibit A and is incorporated by reference into the application.

While most of the uses anticipated for the property are permitted under the existing vacant residential zoning, the business requires a limited at-home business special exception. There is adequate natural buffering on the property which will not be disturbed. All existing trees on the property will be maintained.

Setbacks of existing buildings meet or exceed the Hernando County code requirements.

The requested special exception will not cause a nuisance in the neighborhood or prejudice anyone.

We respectfully request approval of this special exception request.
