To Whom it may concern:

I have resided in my home near the Powell Rd / Burns Rd area for Twenty years.

The traffic on Powell Rd has increased tremendously already.

My neighbors and I are deeply concerned about the rezoning of the property at Powell and Burns Rds. From agriculture to residential agriculture.

All of us only have access to wells for water. Our electrical grid is already stressed.

We live in a rural part of the county and feel it should be KEPT that way.

Please stop this action. Also need to stop all these subdivisions from being built. Soon we will look like Tampa. No one wants that. Keep Brooksville rural areas RURAL.

I could not attend the public hearing regarding this, set for 9/11/23 at 9 AM. But wanted my voice heard. Please protect Brooksville rural areas.

I am 100% "against" rezoning!
Please consider my letter as

part of the public hearing.

Thanking you,
