Board of County Commissioners
20 North Main Street
Brooksville, Florida 34601

Dear Commissioners,

The City of Brooksville supports and provides endorsement for the proposed Hernando County Half Cent sales tax. This funding mechanism will be utilized to improve roadways and recreation throughout the County, including the City of Brooksville. As the County seat for Hernando, the City of Brooksville continually desires to take an active part in improvements that benefit City and County residents, businesses and visitors.

A very important part of this effort entails the assurance of adequate roadways including, but not limited to roadway expansion and intersection improvements. These efforts are designed to provide safe, effective travel for all of those who live, work, visit and enjoy the City.

Additionally, the City of Brooksville is home to a large amount of acreage that make up several widely used community parks. These parks are used by City and County residents as well as those that frequent our area. These parks offer a variety of activities for all ages including, recreational activity, walking trails, pet friendly areas, special events, outdoor and indoor sports activity, youth sports and a specific building promoting numerous activities for the elderly.

Through consensus of a majority vote, the Brooksville City Council supports and endorses the proposed Hernando County Half Cent sales tax in the effort to continue improving the quality of life for people who visit and frequent our County and the City of Brooksville.

Sincerely,

Pat Brayton, Mayor
City of Brooksville
