Re: Hernando County, Award T1914 (Peck Sink Trail and Overlook)

Dear Ms. Cruz,

Hernando County respectfully requests to terminate the grant agreement referenced above with the Florida Department of Environmental Protection (Department). Due to increased construction costs, the County has faced difficulties in securing a construction bid that does not exceed the allocated funds for this project.

The County appreciates the assistance provided by the Department and looks forward to future opportunities.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Linsbeck", is written over a faint, circular official seal of the Hernando County Department of Parks and Recreation. The seal contains the text "HERNANDO COUNTY DEPARTMENT OF PARKS AND RECREATION" around its perimeter.

Hernando County Community Services Director
