

BCC ACTION:

On May 9, 2023, the Board of County Commissioners voted 5-0 to adopt Resolution 2023-101 approving the petitioner's request for rezoning from AG(Agricultural) to PDP(SF)/Planned Development Project (Single Family) with the following unmodified performance conditions:

1. The petitioner must obtain all permits from Hernando County and other applicable agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. A wildlife survey shall be prepared by a qualified professional. The petitioner is required to comply with all applicable FWC regulations and permitting.
3. The petitioner must meet the minimum requirements of Florida Friendly Landscaping™ publications and the Florida Yards and Neighborhoods Program for design techniques, principles, materials and plantings for required landscaping.
4. The Builder/Developer shall provide new property owners with Florida-Friendly Landscaping™ (FFL) Program information and include FFL language in the HOAs covenants and restrictions. Information on the County's Fertilizer Ordinance and fertilizer use is to be included. Educational information is available through Hernando County Utilities Department.
5. The petitioner must apply for and receive a Finding of School Capacity from the School District prior to the approval of the conditional plat or the functional equivalent. The County will only issue a certificate of concurrency for schools upon the School District's written determination that adequate school capacity will be in place or under actual construction within three (3) years after the issuance of subdivision approval or site plan approval (or functional equivalent) for each level of school without mitigation, or with the execution of a legally binding proportionate share mitigation agreement between the applicant, the School District, and the County.
6. Minimum Building Setbacks:
 - Front: 25'
 - Rear: 20'
 - Side: 10'
7. The petitioner shall provide a minimum 20' landscape buffer along the western boundary against the Suncoast Parkway. The existing trees shall remain within the buffer area and supplemented as needed to achieve a minimum 80% opacity within three years of planting.
8. The petitioner shall preserve the minimum seven percent (7%) natural vegetation as required by the County's Land Development Regulations. The required natural vegetation may be included as part of the required open space.

9. The developer shall provide a utility capacity analysis and shall connect to the central water at time of vertical construction and obtain Health Department approval of appropriate Onsite Sewage Treatment and Disposal Systems.
10. The petitioner shall coordinate with the County to vacate the portion of the right-of-way that bisects the proposed development.
11. The petitioner shall provide a revised plan in compliance with all the performance conditions within 30 calendar days of BCC approval. Failure to submit the revised plan will result in no further development permits being issued.
