TITLE

Ordinance Establishing Cabot Citrus Farms Community Development District

BRIEF OVERVIEW

The County has received a petition to establish the Cabot Citrus Farms Community Development District (CDD) on approximately 1206 acres. The Board of County Commissioners is required to hold a public hearing and make the following findings to grant the petition to establish the CDD:

1. The statements in the petition have been found to be true and correct.
2. The establishment of the CDD is consistent with the local comprehensive plan.
3. The area of land proposed for the CDD is of sufficient size, sufficiently compact, and sufficiently contiguous to be developed as a functional community.
4. The CDD is the best alternative for delivering CDD services and facilities to be served by the district.
5. The CDD services and facilities are compatible with the capacity and uses of the existing local and regional services and facilities.
6. The area to be served is amenable to the establishment of the CDD.

The Board will need to review the request in accordance with the standards and requirements contained in Chapter 190, Florida Statutes, conduct a public hearing on the request, and determine whether to adopt the associated ordinance establishing the Cabot Citrus Farms CDD.
