

shingles, cardboard, metal, etc., must be reported to Hernando County Solid Waste & Recycling Division annually. If the amount of material recycled exceeds 600 tons per year, Coastal Waste & Recycling of Central Florida, LLC must submit an annual Recycling Debris report to the Florida Department of Environmental Protection, and Hernando County's Solid Waste and Recycling Division must receive a copy of the report. (Hernando County receives credit for all recovered material that originates in the county.)

This license authorizes Coastal Waste & Recycling of Central Florida, LLC to provide commercial solid waste collection service within unincorporated Hernando County at large on a free enterprise basis. Coastal Waste & Recycling of Central Florida, LLC shall not provide residential service unless they have also been awarded a residential franchise by Hernando County.

FINANCIAL IMPACT

The license fee of \$2,000 per year for a commercial collection license will increase Line Item No. 4411 3237001.

LEGAL NOTE

The Board is authorized to take the recommended action pursuant to Chapter 125, Florida Statutes.

RECOMMENDATION

It is recommended that the Board approve the application for Coastal Waste & Recycling of Central Florida, LLC and authorize the Chairman's signature on the application with the following conditions:

1. Coastal Waste & Recycling of Central Florida, LLC will remove only C&D from Hernando County; Commercial solid waste must be disposed of at the Hernando County Northwest Waste Management Facility; and
2. The tonnage of all C&D removed from Hernando County and the tonnage of recycled material will be documented and reported to the Solid Waste & Recycling Division on an annual basis. Failure to report this information will be subject to forfeit their commercial collection license. Additionally, staff requests the Board's authorization for Solid Waste staff to sign and issue commercial license certificates to Coastal Waste & Recycling of Central Florida, LLC.
