**TITLE**

Public Transportation Grant Agreement With Department of Transportation for State Block Grant Transit Funding and Associated Resolutions

**BRIEF OVERVIEW**

State Block Grant funding is made available to eligible grantees for operating expenses associated with providing transit service. This funding is recurring each fiscal year and it is based upon methodology utilized by the State to establish the amount eligible for each grantee.

The total project cost for the FY24 appropriation is \$909,330 with 50% or \$454,665 local match required and the Florida Department of Transportation funding the remaining 50% in the amount of \$454,665. Funding from the State Block Grant is used to offset the local match to eligible expenses under Section 5307 funding. The local match source is the Ninth Cent local option fuel tax fund.

**FINANCIAL IMPACT**

The total grant is \$909,330 with a \$454,665 local match requirement also utilizing the Ninth Cent Fund to provide the required local match.
