LEGAL NOTE

The Planning and Zoning Commission has approval jurisdiction over the subject application. The Applicable Criteria for conditional use approval are contained in Appendix A, (Zoning Code) Article V, Section 4. The Conditional Use Approval must be consistent with the Comprehensive Plan.

Article V, Section 4(A)(2) permits the following, with planning and zoning commission approval: Temporary second principal building on one lot of record in cases of extreme personal hardship. Article V, Section 4(G)(3) provides: "No conditional use permit shall be issued for a period to exceed two (2) years unless otherwise specified in this ordinance. However, conditional use permits may be renewed or extended upon reapplication."

RECOMMENDATION

It is recommended that the Planning and Zoning Commission determine whether a hardship continues to exist; if such a determination is made, the Planning & Zoning Commission may approve the request for a second residence for a period of up to two (2) years with performance conditions.
