TITLE

Presentation of Emergency Services Consulting International Regarding Fire Station Location Study for Future Development

BRIEF OVERVIEW

Emergency Services Consulting International (ESCI) was contracted by Hernando County Fire and Emergency Services (HCFES) to conduct a fire station location study for current and future deployment of emergency services throughout the community. ESCI's comprehensive study included the current status of HCFES, future service delivery needs, and provided recommendations to address future demands. HCFES will be providing a brief presentation on the content of this study.
