### TITLE

Various Interim Disposal Special Assessment Liens

### BRIEF OVERVIEW

The attached lien notices are for improved property that has not paid the interim disposal assessments due by ordinance after three consecutive monthly invoices were mailed and a certified letter sent to the current homeowner.

Hernando County Code provides that each unpaid assessment has a lien placed on the benefited property. Recording the notice of liens will assist in collection of assessments, either now or at such a time as the property is sold. Interim disposal special assessment liens bear interest at a rate of ten percent (10%) per annum from date of certification until paid in full.
